NOTES TO FINANCIAL STATEMENTS

As of December 31, 2017 and 2016 and for the Year Ended December 31, 2017

NOTE 1 - Description of the Plan

The following description of the ProHEALTH Medical Management, LLC 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored and administered by ProHEALTH Medical Management, LLC ("the Company"). The Plan was adopted on January 1, 1998 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is a multiple employer plan available to all employees of ProHEALTH Medical Management, LLC, as well as the following related companies: ProHEALTH Care Associates, LLP, ProHEALTH Ambulatory Surgery Center, Inc., Mobile Medical Services, P.C., and unrelated companies ProHEALTH Dental Management, LLC, ProHEALTH Dental, PLLC, ProHEALTH Care Associates of New Jersey, LLP, New York Proton Center, and New York Proton Management, who have attained age 21 and completed six months of service, excluding collective bargaining employees and per diem employees. Eligibility credit may be given when an established medical practice joins the Company. An employee may elect participation in the Plan on the first day of the month following completion of such eligibility requirements.

Contributions

Each year, the participants may contribute an amount up to the maximum dollar amount permissible under the Internal Revenue Code (the "Code"). Elective contributions include pre-tax deferrals, Roth deferrals or rollover contributions. Participants who have attained age 50 before the end of the plan year may make additional catch-up contributions, subject to limitations imposed by the Code.

The Company has the option to provide an employer contribution to Plan participants that is discretionary. There were no discretionary contributions made to the Plan during the year ended December 31, 2017.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions, and plan earnings (net of administrative expenses). Allocations are based on the participant's eligible compensation or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

ProHEALTH Medical Management, LLC 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2017 and 2016 and for the Year Ended December 31, 2017

NOTE 1 - Description of the Plan (cont.)

Vesting

Participants are immediately vested in their salary reduction, rollover contributions, and earnings thereon. Discretionary profit sharing contributions and earnings thereon vest in accordance with provisions of the Plan as follows:

<u>Years of Service</u>	<u>Vesting</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

Notwithstanding the vesting schedule above, employer discretionary contributions, if any, will become fully vested (100%) upon attainment of normal retirement age (age 65), partial plan termination with respect to the participant, or complete termination of the Plan.

Payment of Benefits

Benefits may be paid to the participant or beneficiary upon death or termination of employment, as defined in the Plan document. The total vested portion of a participant's account balance is distributed in the form of a lump-sum payment. A participant with an account balance in excess of \$5,000 may elect to defer payment until minimum distribution rules apply under the Code. Participant account balances of less than \$1,000 will be paid automatically in a lump sum payment.

The Plan also provides for hardship withdrawals to participants meeting certain requirements as described in the Plan agreement. Upon written request, participants may withdraw all or a portion of their rollover contributions.

There are no amounts owed to the participants who had elected to withdraw from the Plan, but had not been paid as of December 31, 2017 and 2016.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account. Loan terms range from 1 to 5 years or within a reasonable period of time that is longer than 5 years for the purchase of a primary residence. The loan interest rate, which is determined by the Company based on prevailing interest rates, remains fixed for the duration of the loan. Principal and interest are paid ratably through payroll deductions. Participants may have up to two outstanding loans at any time.

As of December 31, 2017 and 2016 and for the Year Ended December 31, 2017

NOTE 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2017 or 2016.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (the "IRS") are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2017 excess contributions to the applicable participants in 2018.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2017 and 2016 and for the Year Ended December 31, 2017

NOTE 2 - Summary of Significant Accounting Policies (cont.)

Subsequent Events

The Plan has evaluated subsequent events through October 3, 2018, the date the financial statements were approved and available to be issued.

NOTE 3 - Information Prepared and Certified by Custodian

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2017 and 2016. Accordingly, AXA Equitable Life Insurance Company ("the Custodian") has certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2017 and 2016 and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2017, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2017, except for the fair value of the interest in insurance company general account. The Custodian has certified the contract value of the interest in insurance company general account as of December 31, 2017 and 2016.

NOTE 4 – Fair Value of Financial Instruments

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Unadjusted quoted prices for identical assets in active markets that the Plan can access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Unobservable inputs for the asset.

ProHEALTH Medical Management, LLC 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2017 and 2016 and for the Year Ended December 31, 2017

NOTE 4 – Fair Value of Financial Instruments (cont.)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Pooled Separate Accounts: Valued based upon the unit values of such pooled accounts held by the Plan at year end. Unit values are based on the fair value of the underlying assets of the fund derived from inputs principally from or corroborated by observable market data by correlation or other means, although are not based upon quoted market prices in an active market. The underlying investments of the pooled separate accounts consist of mutual funds, each of which follows a separate investment strategy. Due to the nature of these pooled accounts, there are no unfunded commitments or redemption restrictions.

Interest in insurance company general account: The fair value of the Guaranteed Interest Option (GIO), which is a general obligation of AXA Equitable Life Insurance Company ("AXA") is based on discounted cash flows using rates for similar investments at the discount rate and taking into consideration the restrictions on plan transfers out of the account. The Plan's investment in the GIO is classified as a Level 2 measurement in the fair value hierarchy, based on inputs other than quoted prices that are observable for the asset.

Life Insurance Policies: Life insurance policies are valued at cash surrender value.

The table below presents the balances of assets and liabilities measured at fair value on a recurring basis by level within the hierarchy.

	December 31, 2017			
	Total	Level 1	Level 2	Level 3
Pooled Separate Accounts	\$ 75,109,398	\$ -	\$ 75,109,398	\$ -

Balance, end of year	<u>\$ 117,834</u>
The amount of total gains for the period attributable to the change in unrealized gains relating to assets still held at the reporting date	<u>\$ 1,197</u>

NOTE 5 – Administration of Plan Assets

The Plan's assets are administered under a contract with the Custodian. The Custodian invests funds received from contributions, investment sales, interest, and dividend income and makes distribution payments to participants.

NOTE 6 – Related Party and Party-in-interest Transactions

Certain of the Plan's investments are managed by the Custodian. These transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment manager services are included in net appreciation in the fair value of the investment. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as exempt party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 7 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

ProHEALTH Medical Management, LLC 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2017 and 2016 and for the Year Ended December 31, 2017

NOTE 8 – Tax Status

The Plan uses a volume submitter document sponsored by Heritage Administrative Services, LLC. The volume submitter sponsor received an opinion letter from the IRS dated March 31, 2014 which states the volume submitter document satisfies the applicable provisions of the Code. Although the Plan has been amended since receiving the opinion letter, the Company believes that the Plan is currently designed and being operated in compliance with the applicable provisions of the Code, and therefore believes the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

As of December 31, 2017 and 2016, the Plan had investments of \$20,778,417 and \$16,287,407, respectively, concentrated in two pooled separate account investments.

NOTE 10 – Delinquent Participant Contributions

For the year ended December 31, 2017, the Company did not remit certain participant contributions to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Delinquent Participant Contributions Disclosure under ERISA. Untimely remittances identified on the Schedule of Delinquent Participant Contributions, which totaled \$587,581 were not yet corrected in 2017. Additionally, the Company intends to compensate participants for lost earnings resulting from the delay in contributions.
