NOTE 1 – PLAN DESCRIPTION

The following description of the TxEx Energy Investments, LLC 401(K) Plan (the "Plan") (formerly known as NuDEVCO Partners Holdings, LLC 401(k) Plan) provides only general information. TxEx Energy Investments, LLC ("TxEx Energy") is the Plan Sponsor. Effective July 17, 2017, the Plan was amended to change its name from NuDEVCO Partners Holdings, LLC 401(k) Plan to TxEx Energy Investments, LLC 401k Plan. Participants should refer to the Plan Agreement or Summary Plan Description for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan that provides retirement savings benefits to eligible employees of TxEx Energy; TexEx Energy Operating, LLC; Spark Energy, LLC; Spark Energy Gas, LLC; Ideal Interaction, LP; NuDEVCO Midstream Development, LLC; Retailco, LLC; Fuelco Energy, LLC; Xcalibur Logistics, LLC; Verde Energy USA Inc; National Gas & Electric, LLC and Major Energy Services, LLC (collectively referred to as the "Company" or "Employer"). The Plan, which commenced effective January 1, 2001, is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code ("IRC").

Effective August 1, 2016, the Plan was amended and the following related employers are no longer participating in the Plan: NuDEVCO Partners Holdings, LLC; Marlin Midstream, LLC; Criterion Compression, LLC; E-Now, LP; Ampegy, LLC; Tarpon Gas Storage, LP; Associated Energy Services, LP; and Wahoo Enterprises, LLC. In addition, the following related employer began participating in the Plan effective December 1, 2017: Major Energy Services, LLC and Verde Energy USA Inc.

Effective December 1, 2017, the Major Energy Services, LLC 401(k) Profit Sharing Plan ("Major Plan") was merged into the Plan. Assets totaling $1,470,471 were transferred into the Plan on behalf of the Major Plan.

Eligibility – Employees, except those under collective bargaining agreements, leased employees, and non-resident aliens who receive no U.S. source income, are eligible to participate in the Plan on the first day of each month upon attaining the age of 18.

Plan Custodian and Trustee – Fidelity Management Trust Company ("Fidelity" or the "Custodian") is the Custodian maintaining custody of all investments held by the Plan, maintaining the Plan's participant account balances, and providing record keeping services to the Plan. Among other duties, the Custodian receives contributions, holds and invests the fund assets in accordance with the directions of participants, and makes distributions as directed by the Plan Administrator. Fidelity is also the Trustee of the Plan.

Participant Accounts – Participant accounts consist of voluntary and rollover contributions by employees, Employer contributions, and profits or losses of the investments of the accounts. Separate investment accounts are maintained for each participant for all contributions. Each participant's account is credited with employee and Employer contributions, and account balances are invested among investment options as directed by the participants. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Contributions – Participants may elect to contribute, on a before-tax or Roth basis, up to 90% of his or her eligible compensation, subject to IRC annual limits, which are $18,000 for 2017. Participants who reach the age of 50 on or before December 31, 2017 are allowed to make additional before-tax catch-up contributions up to $6,000 for 2017. The Plan includes a provision for automatic enrollment at a 3% deferral rate for eligible participants, with an annual increase of 1%, up to a maximum of 6%, unless otherwise elected by the participant. Participants may contribute amounts representing distributions from other qualified benefit or defined contribution plans (rollover).

NOTE 1 – PLAN DESCRIPTION – continued

The Plan provides for a discretionary matching contribution to eligible employees. During the Plan year ended December 31, 2017, the Employer provided a discretionary matching contribution equal to the amount deferred by the employee, up to a maximum of 4% of the employee's annual eligible compensation. The Employer contributed $1,094,418 in discretionary matching contributions for 2017. The Plan also provides for a discretionary qualified non-elective contribution for non-highly compensated participants. There were no such contributions made to the Plan for the Plan year ended December 31, 2017.

Payment of Benefits – Upon separation of service due to death, disability, normal retirement, early retirement, or termination of employment, a participant may elect to receive a lump sum payment from the vested portion of their account balance.

Upon separation of service, vested account balances equal to or less than $5,000 are distributed as a lump sum as soon as administratively possible following the participant's separation of service. For separated participants with a vested balance of at least $1,000 but not more than $5,000, the Company will direct rollover of the balance into an individual retirement account, unless otherwise directed by the separated participant. If the vested account balance is greater than $5,000, the separated participant may elect to maintain their balance within the Plan.

A participant may elect to withdraw all or a portion of their rollover contributions at any time. A participant may withdraw all or a portion of their vested account balance in the event of a financial hardship, as defined by the Plan. Additionally, in-service withdrawals are permitted upon attainment of age 59 ½.

Vesting – Participants are immediately vested in their pre-tax deferred contributions, rollover contributions, and any related income or loss. Upon the event of normal retirement, early retirement, disability, or death, a participant becomes immediately 100% vested in all account balances. Effective January 1, 2010, discretionary employer matching contributions and non-elective employer contributions and any earnings thereon are vested as defined in the schedule below.

Years of Service	Vesting %
Less than 1	0%
1	33%
2	66%

Non-elective employer contributions made prior to January 1, 2010, and discretionary profit sharing contributions for participants that merged into the Plan from the Major Plan, who did not work an hour of service on or after December 1, 2017, and any earnings thereon, are vested as defined in the schedule below.

Years of Service	Vesting %
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Forfeitures – Forfeitures occur within the Plan for participants who terminated employment with the Company prior to being fully vested, as defined in the aforementioned vesting schedule. Per the Plan Document, forfeitures may be used to pay administrative expenses or reduce future Employer contributions.

NOTE 1 – PLAN DESCRIPTION – continued

For the Plan year 2017, forfeitures were $162,650; forfeitures applied to reduce 2017 Employer contributions totaled $141,279; and the amount of forfeitures available for future use as of December 31, 2017 and 2016 totaled $85,072 and $42,720, respectively.

Notes Receivable from Participants – Participants may borrow up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance and a minimum of $1,000. Participants may have only one loan outstanding at any point in time. Loans are secured by the balance in the participant's account and bear interest at a Prime rate plus one percent. The loans are required to be repaid on at least a quarterly basis over five years unless the loan is to purchase a principal residence, in which case the loan repayment period may be ten years. Interest on outstanding loans range from 4.25% to 5.25% per annum. Principal and interest is paid ratably through bi-weekly payroll deductions.

Investment Options – Upon enrollment in the Plan, participants may direct the investment of their accounts among investment funds provided under the Plan. Participants may change their investment elections at any time, as well as transfer existing balances between investment funds.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting – The Plan's financial statements are prepared on the accrual basis of accounting in conformity with the accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of Plan additions and deductions during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 or 2016. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan Agreement.

Payment of Benefits – Benefit payments are recorded when paid.

Administrative Expenses – Loan origination fees associated with notes receivable from participants, check fees associated with distributions, and certain expenses incurred maintaining the Plan are paid by the Plan participants and are reflected in the financial statements as Plan expenses. Investment management fees are charged to the Plan as a reduction of investment return and are included in net appreciation of fair value of investments. All other expenses of the Plan are paid by the Company.

Recent Accounting Pronouncements – Recent accounting pronouncements issued by the Financial Accounting Standards Board ("FASB") or other authoritative standards groups with future effective dates are either not applicable or are not expected to be significant to the Plan's financial statements.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES – continued

Subsequent Events – The Plan has evaluated subsequent events through September 14, 2018, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB Accounting Standard Codification ("ASC") 820 are described as follows:

- **Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

- **Level 2** – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- **Level 3** – Inputs in the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

- *Mutual funds* – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and classified with in level 1 of the valuation hierarchy.

- *Money market fund* – This investment is valued at cost, which approximates fair value, and is classified within Level 1 of the valuation hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017 and 2016. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2017			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 21,084,314	$ -	$ -	$ 21,084,314
Money market fund	944,835			944,835
Investments at fair value	$ 22,029,149	$ -	$ -	$ 22,029,149

NOTE 3 – FAIR VALUE MEASUREMENTS – continued

	Assets at Fair Value as of December 31, 2016			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 14,390,054	$ -	$ -	$ 14,390,054
Money market fund	1,196,111			1,196,111
Investments at fair value	$ 15,586,165	$ -	$ -	$ 15,586,165

NOTE 4 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by the Trustee, and, therefore, these transactions qualify as party-in-interest transactions as defined by ERISA. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA. There have been no known prohibited transactions with parties-in-interest. As described in Note 2, the Plan paid certain expenses related to Plan operations and investment activity to service providers.

The Plan has notes receivable from participants at December 31, 2017 and 2016. As a result, these receivables and all transactions relating to these receivables qualify as party-in-interest transactions. These transactions are exempt from being prohibited transactions by ERISA.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 6 – TAX STATUS

The Plan operates under an adoption agreement in connection with a prototype volume submitter profit sharing plan and custodial document sponsored by Fidelity Management & Research Company. This prototype plan document was filed with the appropriate agency and obtained an opinion letter dated March 31, 2014, from the IRS stating that the prototype plan and related trust, as then designed, constituted a qualified plan under Section 401 of the IRC, and therefore were not subject to tax. The Plan has been amended since receiving the determination letter. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and, therefore, believes that the Plan is qualified and that the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2017, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan management believes it is no longer subject to income tax examinations for years prior to 2014.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
