Independent Auditors' Report

Participants and Plan Administrator
Houghton International Inc.
Tax Advantaged Capital Accumulation Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Houghton International Inc. Tax Advantaged Capital Accumulation Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2017 and 2016 and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2017 and 2016 and for the years then ended, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2017 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

We are providing this letter in connection with your audits of the financial statements and supplemental schedule of Houghton International Inc. Tax Advantaged Capital Accumulation Plan (the "plan"), which comprise the statements of net assets available for benefits as of December 31, 2017 and 2016, and the related statement of changes in net assets available for benefits for the year ended December 31, 2017, and the related notes to the financial statements

We understand that your audits were made for the purpose of expressing an opinion as to whether the financial statements present fairly, in all material respects, the net assets available for benefits and changes in net assets available for benefits of the plan in conformity with accounting principles generally accepted in the United States of America, and whether the supplemental schedule is fairly stated in all material respects in relation to the financial statements taken as a whole.

As permitted by Regulation 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA") we have instructed you not to perform any auditing procedures with respect to information prepared and certified to by Principal Trust Company, the custodian, in accordance with the DOL Regulation 2520.103-5 other than comparing such information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and supplemental schedule taken as a whole. We understand that the form and content of the information, other than that derived from information certified by the custodian, has been audited by you in accordance with auditing standards generally accepted in the United States of America and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosures under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of October 3, 2018, the following representations made to you during our audit.

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated June 13, 2018, including our responsibility for the preparation and fair presentation of the financial statements and note disclosures.
2. We are responsible for the fair presentation of the plan's statements of net assets available for benefits and changes in net assets available for benefits in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") and for the fair presentation of the accompanying supplemental schedule in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA. The financial statements and related footnotes are fairly presented in conformity with U.S. GAAP and the notes include all disclosures required by laws and regulations to which the plan is subject.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, and to prevent and detect fraud.
4. The following have been properly recorded or disclosed in the financial statements, if applicable:
 - a. Financial records and related data, including the names of all related parties and all relationships and transactions with related parties, as defined in ERISA Section 3(14) and regulations thereunder.
 - b. Guarantees whether written or oral under which the plan is contingently liable to a bank or other lending institution have been properly recorded or disclosed in accordance with US GAAP.
 - c. All significant assumptions used in making accounting estimates, including those measured at fair value, and material concentrations known to management that are to be disclosed are reasonable and in accordance with U.S. GAAP. We understand that the significant estimates covered by this disclosure are estimates at the date of the statement of net assets available for benefits that are reasonably possible of changing materially within the next year. Concentrations refer to the nature and type of investments held by the plan, or markets for which events could occur which would significantly disrupt normal finances within the next year.
5. No events have occurred subsequent to the date of the plan's financial statements and through the date of this letter that would require adjustment to or disclosure in the aforementioned financial statements.
6. There are no -
 - a. Other liabilities or gain or loss contingencies that are required to be accrued or disclosed.
 - b. Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, or events that may jeopardize the tax status) that legal counsel has advised us must be disclosed.
 - c. Pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with accounting for contingencies under U.S. GAAP, that we are not aware of, and the plan has not consulted a lawyer concerning litigation, claims, or assessments.

7. Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
8. The plan obtained its latest determination letter on February 8, 2018, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the appropriate requirements of the Internal Revenue Code ("IRC"). The plan has been amended since receiving the determination letter. However, the plan administrator believes the plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe the plan was qualified and the related trust was tax-exempt as of the financial statement date.
9. The supplemental schedule or financial statements disclose the following, if applicable.
 - a. Non-exempt party-in-interest transactions (as defined in ERISA section 3(14) and regulations under the section).
 - b. Investments or loans in default or considered to be uncollectible.
 - c. Reportable transactions (as defined in ERISA section 103(b)(3)(H) and regulations under that section).

Information Provided

10. The plan (and the trust established under the plan) is qualified under the appropriate section of the IRC and intends to continue as a qualified plan (and trust). The plan sponsor has operated the plan (and trust) or insurance contract in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
11. All material transactions have been properly recorded in the accounting records and are reflected in the financial statements.
12. All required amendments to and filings of the documents with the appropriate agencies have been made.
13. The methods and significant assumptions used to estimate fair values of financial instruments, including non-readily marketable securities are as disclosed in Note 3 to the financial statements, and are considered appropriate for the plan's investments. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes. The fair value disclosures are considered complete and accurate.
14. We have no -
 - a. Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - b. Intentions to terminate the plan.
15. Amendments to the plan instrument, if any, have been properly recorded or disclosed in the financial statements.

October 3, 2018

16. There have been no communications from regulatory agencies concerning noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL and IRS regulations) whose effects should be considered when preparing financial statements, or deficiencies in financial reporting practices, that could have a material effect on the financial statements in the event of noncompliance.
17. The plan has satisfactory title to all owned assets, which are recorded at fair value, and there are no liens or encumbrances on such assets nor has any asset been pledged, other than as disclosed in the notes to the financial statements.
18. We have no knowledge of any fraud or suspected fraud that affects the plan and involve -
 - a. Management,
 - b. Employees who have significant roles in internal control, or
 - c. Others where the fraud could have a material effect on the financial statements.
19. We have no knowledge of any fraud, allegations of fraud or suspected fraud affecting the plan received in communications from management, employees, former employees, participants, regulators, beneficiaries, service providers, third party administrators, or others.
20. We have made available to you -
 - a. Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, unrestricted access to persons within the plan from whom you determined it necessary to obtain audit evidence, and other matters.
 - b. Additional information that you have requested from us for the purpose of the audit.
 - c. Minutes of the meetings of Those Charged with Governance for the period from 1/1/2017 to date of this letter or summaries of actions of recent meetings for which minutes have not yet been prepared.
 - d. Plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.
21. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
22. The plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the plan.
23. The plan has complied with the fidelity bonding requirements of ERISA.
24. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the plan.

27. We believe the supplemental information, including its form and content, is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
28. We believe all receivables have been properly reported in the financial statements and that any allowance for uncollectible receivables is adequate.
29. We take responsibility for the methods of determining fair value for the investments in the plan.
30. We have evaluated the plan's covered service providers to ensure compliance with ERISA 408(b)(2), Services Provider Rules, and ERISA 404(a)(5) Participant Disclosures Rules. Each covered service provider has provided the Plan a written contract which complies with the criteria set forth in the 408(b)(2) regulation: disclosure of services to be provided, description of compensation, manner of receipt of such compensation and all conflicts of interest. Communications to participants in accordance with the 404(a)(5) regulation were provided to the participants of the Plan on or before August 30, 2012 and annually thereafter and all expenses of the Plan were presented to the participants of the Plan in a manner which complies with the 404(a)(5) regulation.
