# INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Contanda LLC Savings Plan

## Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Contanda LLC Savings Plan, which comprise the statement of net assets available for benefits as of December 31, 2017, the related statement of changes in net assets available for benefits for the year ended December 31, 2017, and the related notes to the financial statements.

## Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

## Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Fidelity Management Trust Company and Bank of America, N.A., the trustees of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that Fidelity Management Trust Company held the Plan's investment assets and executed investment transactions from April 1, 2017 to December 31, 2017, and that Bank of America, N. A. held the Plan's investment assets and executed investment transactions as of December 31, 2016, and for the period from January 1, 2017 to March 31, 2017. The plan administrator has obtained certifications from the trustees as of December 31, 2017 and 2016 and for the year ended December 31, 2017, that the information provided to the plan administrator by the trustee is complete and accurate.

**Disclaimer of Opinion**

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2017 financial statements. Accordingly, we do not express an opinion on the 2017 financial statements referred to in the first paragraph.

**Other Matter-Supplemental Schedules**

The supplemental schedule of Schedule of Assets as of the year ended December 31, 2017, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

**Other Matter-2016 Financial Statements**

The financial statements of the Plan as of December 31, 2016, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Bank of America, N. A., the trustee of the Plan. Their report, dated July 21, 2017, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

**Report on Form and Content in Compliance With DOL Rules and Regulations 2017**

The form and content of the information included in the 2017 financial statements and supplemental schedule, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

## Note 1 - Description of Plan

The following description of the Contanda LLC Savings Plan, (the "Plan") formerly Westway Group, LLC Savings Plan, provides only general information. Participants should refer to the Plan agreement for more complete information. Contanda LLC adopted the Westway Group LLC Savings Plan on June 1, 2009 (the "prior plan"). On November 1, 2016 the Plan's name was changed to the Contanda LLC Savings Plan. Effective April 1, 2017 the plan adopted the Fidelity Investments Basic Plan Document No. 17 (the "current plan"), which has features substantially similar to the prior plan.

### General

The Plan is a defined contribution plan covering eligible employees of the plan's sponsor, Contanda, LLC (the Company) and the related participating employers and who have elected to participant. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

### Contributions

Each year, participating employees may contribute, through salary deferrals, a maximum of 50% of their annual compensation to their 401(k) accounts. Participants who have attained age 50 before the end of Plan year and have contributed the maximum amount permitted as a basic deferral for such year are eligible to make catch-up contributions. Participants may also contribute amounts representing distribution from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contribution into various investment options offered by the Plan.

The plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmably elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4 percent of eligible compensation and their contribution investment in a designated balance fund until changed by the participant.

Starting April 1, 2017, the Company matched 100% of the first 6% of eligible deferrals. Prior to April 1, 2017, this match was 100% of the first one percent and 50% for every percent over one percent up to 6% of eligible deferrals. Additionally, the Company makes quarterly Portable Retirement Contributions ("PRC"), previously called Service Pay Credit ("SPC") contributions, which are calculated as a percentage of quarterly compensation ranging from 0% to 6% (0 to 12% prior to April 1, 2017) based on years of service and eligibility qualifications. The Company also makes long service contributions for eligible employees as provided in the plan document.

### Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as

**Note 1 - Description of Plan (continued)**

Participant Accounts, continued

defined by the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in the contributions they make to the Plan including salary deferrals and rollover contributions, plus actual earnings thereon. Participants are 100% vested in the Company's matching and PRC/SPC portions of their accounts plus actual earnings thereon after two and three years of service, respectively.

Benefit Payments

Upon retirement, death, disability, or termination of service, participants may elect to receive the vested portion of their account either in a lump-sum distribution or in periodic payments. The Plan allows for withdrawals on account of financial hardship to the extent that they do not exceed the immediate and heavy financial needs of the requesting participant. Limitations on withdrawals are outlined in the plan document.

In-Service Withdrawals

In certain circumstances, a participant may take distributions prior to retirement age under the "hardship withdrawal" rules. These funds are taxable distributions and are subject to a 10% income tax withholding rate unless the participant elects out of withholding. The participant must suspend contributions to the Plan for six months if a hardship withdrawal is obtained.

Notes Receivable From Participants

Participants may borrow from their accounts a minimum of $1,000, up to the lesser of 50% of their vested account or $50,000. Loan terms range from one to five years or up to ten years for the purchase of a primary residence. Loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Principal and interest is paid ratably through payroll deductions. At December 31, 2017, interest rates on outstanding loans ranged from 4.25% to 6.00%.

Forfeitures

At December 31, 2017 and 2016, the forfeited non-vested portion of terminated participants' account balances totaled $16,450 and $60,612, respectively. During 2017, $65,582 of forfeitures was used to reduce the employer match and $43,801 was used to reduce Plan expenses.

**Note 1 - Description of Plan (continued)**

Investment Options

Upon enrollment in the Plan, participants may direct employee and employer contributions applicable to their account in investments offered by the plan which consist of mutual funds, a common collective trust fund and money market accounts.

**Note 2 - Summary of Significant Accounting Policies**

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America. Benefit payments to participants are recorded upon distribution.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. The Plan's assets are primarily invested in mutual funds, money market accounts, and a common collective trust fund. Shares of mutual funds are valued at quoted market prices that represent the net asset value of shares held by the Plan at year-end. Money market accounts are stated at cost, which approximates fair value. Common collective trust funds are reported at fair value using the net asset value per share (or its equivalent) as a practical expedient.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principle balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2017 or 2016. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

**Note 2 - Summary of Significant Accounting Policies (continued)**

Expenses

Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. These expenses totaled $49,114 for the year ended December 31, 2017. Investment related expenses are included in net appreciation (depreciation) of fair value of investments. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. In addition, employees and owners of the Company perform certain administrative functions. No such employee or owner receives any compensation for these services.

Benefit Payments

Benefits are recorded when paid.

Date of Management's Review

Subsequent events were evaluated through October 1, 2018 which is the date the financial statements were available to be issued.

**Note 3 – Tax Status**

The Plan obtained its latest determination letters on December 13, 2017 for the current plan, and July 5, 2012 for the prior plan, stating that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has not been amended since receiving the determination letters. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and Plan is qualified as tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions: however there are currently no audits for any periods in progress.

**Note 4 - Information Certified by the Trustees (Unaudited)**

At December 31, 2017 and 2016, the Plan's investments were held by Fidelity Management Trust Company (Fidelity) and Bank of America, N.A. (BOA), respectively (the "Trustees"). The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's

**Note 4 - Information Certified by the Trustees (Unaudited), continued**

financial statements and supplemental schedule include unaudited information that was prepared by BOA for the period December 31, 2016 to March 31, 2017 and by Fidelity for the period April 1, 2017 to December 31, 2017. The Trustee's have certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2017 and 2016
- Notes receivable from participants, as shown in the Statement of Net Assets Available for Benefits as of December 31, 2017 and 2016
- Net appreciation (depreciation) in fair value of investments and interest and dividends as shown in the Statement of Net Assets Available for Benefits for the year ended December 31, 2017
- Information contained in the Schedule of Assets Held for Investments at December 31, 2017, as shown on the attached schedule.

Investments as presented on the statement of changes in net assets available for benefits for the year ended December 31, 2017 includes a realized gain of $1,079,878 for the year ended December 31, 2017.

Investments are all stated at fair market value and all are participant-directed except for $16,450 and $60,612 of forfeiture funds included in a money market account as of December 31, 2017 and 2016, respectively.

**Note 5 – Related Party Transactions**

Certain administrative functions are performed by the employees of the Company. No employee receives compensation from the Plan. Certain administrative expenses are of the plan administrator are paid directly by the Company. The Company does not intend to seek reimbursement for these expenses. Certain plan investments held during the year were shares of mutual funds managed by BOA and Fidelity. Fees paid by the Plan for investment management and other services amounted to $49,114 for the year ended December 31, 2017.

**Note 6- Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

## Note 7 – Investment in Common Collective Trust

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events included the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The crediting interest rate is based on a formula agreed upon with the issuer. Guaranteed interest rates are announced annually and are guaranteed against change for the year. The crediting interest rate and average yield was 2.14% and 2.36% for the year ended December 31, 2017 and 1.94% and 1.93% for the year ended December 31, 2016. There are no reserves again contract value for credit risk of the contract issuer or otherwise.

## Note 8 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the hierarchy are described as follows:

- Level 1- Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date,

- Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability

- Level 3 inputs that are unobservable inputs for the asset or liability

Following is a description of the valuation methodologies used for the assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

**Note 8 – Fair Value Measurements (continued)**

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be activity traded. (Level 1 inputs)

*Common collective trust fund:* Reported at fair value using net asset value per share (or its equivalent) as a practical expedient and not classified in the hierarchy in accordance with Accounting Standards Codification Subtopic 820-10. There are no participant redemption restrictions for this investment, however if the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that the securities liquidations will be carried out in an orderly business manner.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits.

| Investments at fair value | $ 19,890,651 | $ 18,374,058 |

The plan has no assets valued at level two or three under the fair value hierarchy. Certain assets have been reclassified to comply with the current presentation.

## Note 9 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
