Lithko Contracting, LLC Retirement Savings Plan

Notes to Financial Statements

December 31, 2017 and 2016

Note 1: Description of the Plan

The following description of the Lithko Contracting, LLC Retirement Savings Plan (Plan) provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the Plan Administrator.

General

The Plan is a defined-contribution plan for all eligible employees sponsored by Lithko Contracting, LLC (Company) who have attained the age of 21, are not represented by a bargaining unit, and have completed three months of service. The Company name was Lithko Contracting, Inc. prior to April 1, 2016; the Plan was the Lithko Contracting, Inc. Retirement Savings Plan until April 1, 2016. Employees are eligible to enroll in the Plan upon completion of the above requirements. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). State Street Bank and Trust Company is the trustee of the Plan.

Contributions

Contributions to the Plan include (i) salary reduction contributions authorized by participants, (ii) matching contributions made by the Company, (iii) discretionary contributions made by the Company; and (iv) participant rollovers from another plan. Participants may elect to contribute a percentage of their eligible pretax annual compensation to the Plan each year, as defined by the Plan. Such contributions are excluded from the participant's taxable income for federal income tax purposes until received as a withdrawal or distribution from the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans and can also elect to make Roth contributions. Contributions are subject to certain Internal Revenue Code (IRC) limitations.

The Company makes safe-harbor matching contributions to the Plan equal to 100% of the first 3%, plus 50% of the next 2% of eligible compensation that a participant contributes to the Plan. Additional amounts may be contributed at the discretion of the Company. No such additional discretionary contributions were made for the years ended December 31, 2017 and 2016.

Participant Investment Account Options

The Plan currently offers more than 20 mutual funds and a stable pooled fund as investment options for participants. Each participant has the option of directing his or her contributions into any of the separate investment accounts and may change the allocation daily.

Lithko Contracting, LLC Retirement Savings Plan

Notes to Financial Statements

December 31, 2017 and 2016

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions, the Company's safe-harbor matching contributions, the Company's discretionary contributions, and Plan earnings, and charged with withdrawals and an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the Company's safe-harbor and discretionary matching contributions, plus actual earnings thereon. Vesting in the Company's nonelective discretionary and top heavy minimum contributions is based on years of continuous service as shown in the following table:

Years of Service	Vesting Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

The nonvested balance is forfeited upon termination of service.

Payment of Benefits

On termination of services due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or payments made over a period in monthly, quarterly, semiannually or annual installments. For termination of service for other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution. Participants are also allowed to make hardship withdrawals if qualified.

Notes Receivable From Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000, or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at the Prime Rate as stated in the Wall Street Journal plus 1% per the Loan Policy of the Plan. All loans are covered by demand notes and are repayable over a period not to exceed five years through payroll withholdings unless the participant is paying the loan in full.

Notes to Financial Statements

December 31, 2017 and 2016

Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Forfeited Accounts

Forfeited balances of terminated participants not used to pay administrative expenses of the Plan can be used to reduce Company contributions. At December 31, 2017 and 2016, forfeited account balances totaled \$10,562 and \$8,520, respectively. During the years ended December 31, 2017 and 2016, administrative expenses were reduced by \$10,700 and \$20,000, respectively.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Quoted market prices, if available, are used to value investments. Mutual funds are valued at the net asset value (NAV) of shares held by the plan at year end. Interest-bearing cash is carried at cost, which approximates fair value.

The Diversified Investment Advisors Stable Pooled Fund is solely invested in the Wells Fargo Stable Return Fund W. This fund is a stable pooled fund, which is a commingled pool of the Wells Fargo Trust for Employee Benefit Plans. The fund may invest in fixed-interest insurance investment contracts, money market funds, corporate and government bonds, mortgage-backed securities, bond funds, and other fixed-income securities.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes to Financial Statements

December 31, 2017 and 2016

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan Document.

Plan Tax Status

The Plan operates under a standardized adoption agreement in connection with a volume submitter plan and trust sponsored by Transamerica Retirement Solutions. This volume submitter plan document has been filed with the appropriate agency and has obtained a determination letter dated March 31, 2014 from the Internal Revenue Service stating that the volume submitter plan constitutes a qualified plan under Section 401 of the Internal Revenue Code. The Plan has been amended since the volume submitter plan received the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

Note 3: Certification of Plan Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, State Street Bank and Trust Company, the trustee of the Plan, has certified the following information included in the accompanying financial statements and supplemental schedule is complete and accurate to the best of their knowledge and belief:

- Investments as shown in the statements of net assets available for benefits as of December 31, 2017 and 2016
- Investment income as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2017 and 2016
- Investment information included in the accompanying schedule of assets (held at year end) as of December 31, 2017

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Notes to Financial Statements

December 31, 2017 and 2016

Note 4: Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds, which are managed by Transamerica Corporation (Transamerica) including certain Transamerica mutual funds managed by Transamerica, and shares of a stable pooled fund, which are managed by Massachusetts Fidelity Trust Company (MFTC). Transamerica is the recordkeeper and MFTC is an Iowa Trust Company and an affiliated company of Transamerica. MFTC is the trustee of the Diversified Investment Advisors Stable Pooled Fund. Therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for the investment management services were \$24,565 and \$18,386 for the years ended December 31, 2017 and 2016, respectively.

The Company provides the Plan with certain accounting and administrative services for which no fees are charged.

Note 5: Disclosures About Fair Value of Plan Assets

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities.
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3** Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Recurring Measurements

The following tables present the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2017 and 2016:

December 31, 2017

Lithko Contracting, LLC Retirement Savings Plan

Notes to Financial Statements

December 31, 2017 and 2016

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the year ended December 31, 2017. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 securities include mutual funds and a money market fund. If quoted market prices are not available, then fair values are estimated by using pricing models, quoted prices of securities with similar characteristics or discounted cash flows. Level 2 securities include the stable pooled fund, which is valued based upon the quoted market prices of the underlying investments.

Mutual funds: Valued at quoted market prices in active markets.

Stable pooled fund: Valued at the net asset value (NAV) as reported by the funds daily. The NAV is based on the value of the underlying assets owned by the trust, minus its liabilities, and then divided by the number of shares outstanding. The NAV is classified within Level 2 of the valuation hierarchy because the NAV's unit price is quoted on a private market that is not active; however, the unit price is based on underlying investments which are traded on an active market.

Note 6: Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2017 and 2016, to Form 5500:

Lithko Contracting, LLC Retirement Savings Plan

Deemed distributions of participant loans - prior year	18,797	14,434
Increase in net assets per Form 5500	<u>\$ 5,620,932</u>	<u>\$ 2,956,497</u>

Note 7: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8: Subsequent Events

Subsequent events have been evaluated through September 15, 2018, which is the date the financial statements were available to be issued.
