Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company, the trustee of the Plan, and Massachussets Mutual Life Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the 2017 financial statements. We have been informed by the Plan administrator that the trustee and custoidan hold the Plan's investment assets and execute investment transactions. The Plan administrator has obtained a certification from the trustee and custodian, as of December 31, 2017, and for the year ended December 31, 2017, that the information provided to the Plan administrator by the trustee and custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2017 financial statements. Accordingly, we do not express an opinion on the 2017 financial statements.

Other Matter on the 2017 Financial Statements

The supplemental schedule of assets (held at end of year) as of December 31, 2017 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter—2016 Financial Statements

The financial statements of the Plan as of December 31, 2016, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by the trustee and custodian. Their report, dated July 25, 2017, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee and custodian, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content on the 2017 Financial Statements in Compliance with Department of Labor's Rules and Regulations

The form and content of the information included in the 2017 financial statements and supplemental schedule, other than that derived from the information certified by the trustee and custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - Description of the Plan

The following description of the American Health Network, Inc. 401(k) Plan (the “Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was organized effective August 1, 1998, as a defined contribution retirement savings plan covering all eligible employees of AHN Target Holdings, LLC (formerly known as American Health Network, Inc.) and its related participating employers (collectively, the “Employer”) who have at least six months of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective June 1, 2016, the Plan Agreement was restated and amended in its entirety in conjunction with a change in the Plan’s trustee and recordkeeper. There were no significant changes to the Plan’s provisions as a result of the change in service providers.

The Board of Directors of the Employer is responsible for oversight of the Plan. The Benefits Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Board of Directors.

Effective July 3, 2018, the Employer delegated its rights and responsibilities as plan administrator, except with respect to Plan investments, to the UnitedHealth Group Employee Benefits Plans Administrative Committee (the “Administrative Committee”). The Employer delegated its rights and responsibilities for investment authority and oversight of the Plan to the UnitedHealth Group Employee Benefits Plans Investment Committee (the “Investment Committee”). The Investment Committee determines the appropriateness of the Plans’ investment offerings and monitors investment performance.

Contributions

Each year, participants may authorize the Employer to contribute to the Plan up to 100% of their eligible annual compensation, subject to the maximum annual amount permissible under the Internal Revenue Code (the “Code”). Elective contributions include pre-tax deferrals, Roth deferrals, and rollover contributions.

Participants who attain age 50 before the end of the Plan year are eligible to make catch-up contributions, subject to limitations imposed by the Code.

The Employer makes a safe-harbor matching contribution equal to 100% of applicable contributions up to 3% of eligible compensation deferred, plus 50% of the next 2% of eligible compensation for a maximum contribution of 4% per payroll period as defined in the Plan document. The Employer may elect to make discretionary contributions. No Employer discretionary contributions were made during the year ended December 31, 2017.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions, and Employer safe-harbor matching contributions, as well as allocations of the Employer's discretionary contributions and Plan earnings (net of administrative expenses). Allocations are based on participant eligible compensation or account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 - Description of the Plan (cont.)

Investments Classification

All investments are participant directed. The Plan is intended to comply with ERISA section 404(c). Participants have the right to individually select the percentage of their accounts to be invested among different classifications of investments made available to them.

Vesting

Participants are vested immediately in their contributions and Employer safe-harbor matching contributions plus actual earnings thereon. Employer discretionary contributions, if any, and earnings thereon vest in accordance with provisions of the Plan as follows:

Years of Service	Vesting
Less than 2 years	0%
2	25%
3	50%
4	75%
5 or more	100%

Notwithstanding the vesting schedule above, Employer discretionary contributions, if any, will become fully vested (100%) upon the occurrence of any of the following events while the participant is employed by the Employer: death, attainment of normal retirement age (age 65), disability, partial plan termination with respect to the participant, complete termination of the Plan or complete discontinuance of employer contributions.

Forfeited Accounts

As of December 31, 2017 and 2016, forfeited non-vested accounts of terminated participants were $0 and $255, respectively. In 2017, forfeited non-vested accounts of $255 were used to reduce Employer contributions. Forfeitures can be used to reduce future Employer contributions or to pay certain administrative expenses.

Payment of Benefits

Benefits may be paid to the participant or beneficiary upon the occurrence of a distributable event due to separation from service by termination, death, or retirement, as defined by the Plan document. A participant may elect to receive a lump-sum cash distribution equal to the value of the participant's vested interest in his or her account. An annuity or installment payments were permitted prior to June 1, 2016. Hardship and in-service withdrawals, as defined in the Plan document, are also permitted from a participant's account.

There are no amounts owed to the participants who had elected to withdraw from the Plan, but had not been paid as of December 31, 2017.

Notes Receivable From Participants

Participants may borrow from their account a minimum of $1,000 up to a maximum amount equal to the lesser of $50,000 or 50% of their vested account balance. The repayment terms of the loans cannot exceed five years. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through regular payroll deductions.

NOTE 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and the trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2017 or 2016.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 - Summary of Significant Accounting Policies (cont.)

Reclassification

For comparability, certain 2016 amounts on the fair value of financial instruments footnote have been reclassified to conform to classifications adopted in 2017. These classifications had no effect on net assets available for benefits or changes in net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events through October 3, 2018, the date the financial statements were approved and available to be issued.

NOTE 3 - Information Prepared and Certified by Trustee

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2017 and 2016. Accordingly, Reliance Trust Company (the "Trustee") of the Plan, has certified to the completeness and accuracy of all investments, except for the investments at contract value, which were certified by Massachusetts Mutual Life Insurance Company (the "Custodian"). All of the investments, which have been certified by either the Trustee or the Custodian, are reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2017 and 2016 and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2017, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2017.

NOTE 4 - Fair Value of Financial Instruments

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Unadjusted quoted prices for identical assets in active markets that the Plan can access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTE 4 - Fair Value of Financial Instruments (cont.)

Level 3 - Unobservable inputs for the asset.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Common/Collective Trusts: Valued at the net asset value (NAV) of units of bank collective trusts. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less their liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trusts, the investment advisor reserves the right to temporarily delay the withdrawal from the trusts in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual funds: Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The table below presents the balances of assets and liabilities measured at fair value on a recurring basis by level within the hierarchy.

	December 31, 2017			
	Total	Level 1	Level 2	Level 3
Mutual Funds	$ 106,284,091	$ 106,284,091	$ -	$ -
Total assets in the fair value hierarchy	106,284,091	$ 106,284,091	$ -	$ -
Instruments measured at net asset value (1)	2,339,758			
Total Investments at fair value	$ 108,623,849			

NOTE 4 - Fair Value of Financial Instruments (cont.)

	December 31, 2016			
	Total	Level 1	Level 2	Level 3
Mutual Funds	$ 92,455,706	$ 92,455,706	$ -	$ -
Total assets in the fair value hierarchy	92,455,706	$ 92,455,706	$ -	$ -
Instruments measured at net asset value (1)	1,790,212			
Total Investments at fair value	$ 94,245,918			

(1) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share, as a practical expedient, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Investments Measured Using the NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using NAV per share as a practical expedient as of December 31, 2017 and 2016. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investment	Fair Value (1)	Unfunded Commitment	Redemption Frequency (if currently eligible) (2)	Redemption Notice Period
December 31, 2017				
Common collective trust	$ 2,339,758	$ -	Immediate	None

Investment	Fair Value (1)	Unfunded Commitment	Redemption Frequency (if currently eligible) (2)	Redemption Notice Period
December 31, 2016				
Common collective trust	$ 1,790,212	$ -	Immediate	None

NOTE 4 - Fair Value of Financial Instruments (cont.)

(1) The fair value of investments is based on the fair values of the underlying investments in the funds.

(2) Certain events may cause funds held in the common/collective trust to be deferred, including, but not limited to, the following:

i. Closing or disruption of the financial markets or exchanges in which a transaction is unable to be settled prudently.
ii. An emergency situation in which the disposition of assets would be seriously prejudicial to Plan participants.
iii. Breakdown in the means of communication normally employed to determine fair market value of an investment.
iv. Investments cannot be effected at normal rates of exchange.

None of these events occurred in 2017 or 2016.

NOTE 5 – Fully Benefit-Responsive Investment Contracts

The Plan holds a traditional investment contract. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The contract issuer guarantees that all qualified participant withdrawals will be at contract value and that the crediting rate applied will not be less than 0%. Cash flow volatility (for example, timing of the benefit payments) as well as asset underperformance can be passed through to the Plan through adjustments to future contract crediting rates. Crediting rates are typically reset quarterly to account for the difference between the contract value and the fair value of the underlying portfolio.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

- The Plan's failure to qualify under Section 401(a) of the Code or the failure of the trust to be tax-exempt under Section 501(a) of the Code
- Premature termination of the contracts
- Plan termination or merger
- Changes to the Plan's prohibition on competing investment options
- Bankruptcy of the Plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE 5 – Fully Benefit-Responsive Investment Contracts (cont.)

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

- An uncured violation of the Plan's investment guidelines
- A breach of material obligation under the contract
- A material misrepresentation
- A material amendment to the agreements without the consent of the issuer.

NOTE 6 - Administration of Plan Assets

The Plan's assets are administered under a contract with the Trustee of the Plan. The Trustee invests funds received from contributions, investment sales, interest, and dividend income and makes distribution payments to participants.

NOTE 7 - Related Party and Party-in-interest Transactions

Certain of the Plan's investments are managed by the Trustee. The fully benefit-responsive investment contracts are managed by the Custodian. Both of these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment manager services are included in net appreciation in fair value of investments. Additionally, the Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as exempt party-in-interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan.

NOTE 8 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts

NOTE 9 - Tax Status

The Plan uses a volume submitter plan document sponsored by Massachusetts Mutual Life Insurance Company. The volume submitter sponsor received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, which states the volume submitter document satisfies the applicable provisions of the Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

As of December 31, 2017 and 2016, the Plan had investments of $28,204,768 and $25,971,213, respectively, concentrated in two mutual funds.
