The Suddath Companies and Affiliates
Voluntary Employees' Beneficiary Association Plan and Trust

We have audited the accompanying financial statements of Suddath Companies and Affiliates Voluntary Employees' Beneficiary Association Plan and Trust (the "Plan"), which comprise the statements of benefit obligations and net assets available for benefits as of December 31, 2017 and 2016, and the related statement of changes in benefit obligations and net assets available for benefits for the year ended December 31, 2017, and the related notes to the financial statements.

*Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

*Auditor's Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

*Opinion*

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of the Plan as of December 31, 2017 and 2016, and the changes in its financial status for the year ended December 31, 2017, in accordance with accounting principles generally accepted in the United States of America.

*Report on Supplemental Information*

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Reportable Transactions is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

## 1. Description of Plan:

The following description of The Suddath Companies and Affiliates Voluntary Employees' Beneficiary Association Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

*General*

The Plan provides health benefits (medical, hospital, surgical, major medical, and dental) and other benefits to all eligible employees of The Suddath Companies and Affiliates (the "Company") and their dependents. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan does not include any postretirement benefits.

*Contributions*

The Plan is funded by contributions from the Company and participants. The Plan agreement provides that the Company contribute amounts reasonably required to establish and maintain a fund sufficient to pay all claims and premiums on insurance policies and other operating expenses of the Plan.

*Benefits*

The Plan provides health and medical benefits covering substantially all full-time employees and eligible dependents, who normally work 30 hours or more per week.

## 2. Summary of Accounting Policies:

*Basis of Accounting*

The financial statements of the Plan are prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America.

*Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts, changes therein and disclosures. Accordingly, actual results may differ from those estimates.

*Benefit Obligations*

Claims payable consist of health benefit claims approved but not paid as of the end of the year and an estimate of health benefit claims incurred but not reported to the Plan as of the end of the year. This estimate is determined by management based on the Plan's historical experience and review of health benefit claims settled after year end.

**2. Summary of Accounting Policies (Continued):**

*Risks and Uncertainties*

The estimated claims incurred but not reported are based on certain assumptions pertaining to claims experience and claims payment patterns for the Plan, which are subject to change. Due to uncertainties inherent in the estimates and assumption process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

*Administrative Expenses*

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan document. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan.

**3. Fair Value Measurements:**

Financial Accounting Standards Board Accounting Standards Codification Topic 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Company has the ability to access as of the measurement date.

Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

Assets of the Plan include a money market fund (the “Fund”) at December 31, 2016. The money market is valued at the daily closing price as reported by the Fund. The money market is classified as a level 1 investment as of December 31, 2016. The Fund was liquidated during 2017 and the proceeds were transferred to cash.

**4. Health Benefit Claims and Expenses:**

Health benefit claims and expenses during 2017 consisted of the following:

| *December 31,* | | 2017 |
|---|---|---|
| Health benefit claims | $ | 9,614,747 |
| Administrative fees | | 2,179,721 |
| Total health benefit claims and expenses | $ | 11,794,468 |

**5. Stop-Loss Coverage:**

The Plan is exposed to risk of loss from excessive claims. To minimize this risk, the Plan has obtained stop-loss insurance through Aetna Life Insurance Company. Coverage provisions provide for a specific stop-loss of $125,000 per participant per year and aggregate stop-loss of $1,000,000 per year. Claims in excess of stop-loss coverage totaling $648,858 were recovered by the Plan during 2017 and have been netted against health benefit claims and expense in the accompanying statement of changes in benefit obligations and net assets available for benefits.

**6. Tax Status:**

The Internal Revenue Service has determined and informed the Company by a letter dated April 13, 1989, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan qualifies as a tax exempt organization pursuant to section 501(c)(9) of the IRC, voluntary employee's beneficiary association. Management evaluated the Plan's tax positions and concluded that as of December 31, 2017 the Plan had taken no uncertain tax positions that require recognition of a liability (or asset) in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2014.

**7. Related Party Transactions:**

Aetna Life Insurance Company ("Aetna") provides integrated claims administration and administrative services for medical plan options included in the Plan that are Aetna products, accordingly, Aetna is considered a party-in-interest to the Plan. Service fees paid by the Plan to Aetna for the year ended December 31, 2017 totaled $690,665. Premiums paid to Aetna during 2017 for stop-loss insurance totaled $1,489,056.

**8. Concentration of Credit Risk:**

At various times throughout the year, the Plan had deposits with certain financial institutions in excess of federally insured amounts. The Plan has not experienced any losses on such accounts and management believes that credit risk related to these deposits is minimal.

**9. Plan Termination:**

Although it has not expressed any intention to do so, the Company has the right to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Plan assets are retained by the trust for payment of future benefits.

**10. Reconciliation of Financial Statements to the Form 5500:**

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31:

| *December 31,* | 2017 | 2016 |
|---|---|---|
| Net assets available for benefits per the financial statements | $ (39,512) | $ 409,567 |
| Health claims accrued but not reported | 25,000 | 25,000 |
| Net assets available for benefits per the Form 5500 | $ (14,512) | $ 434,567 |

**11. Subsequent Events:**

The Plan has evaluated the accounting and disclosure requirements for subsequent events through October 9, 2018, the date of this report.
