Houston International Insurance Group 401(k) Plan
401(k) Plan Administrative Committee
800 Gessner, Suite 600
Houston, TX 77024

We have conducted a Department of Labor ("DOL") limited-scope audit of the financial statements of the Houston International Insurance Group (the "Sponsor") 401(k) Plan (the "Plan") for the year ended December 31, 2017 and have issued our report thereon dated October 4, 2018. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures to the information summarized in Note 4 to those financial statements. Because of the significant of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedules taken as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by John Hancock Life Insurance Company U.S.A and Merrill Lynch, Pierce, Fenner & Smith, Inc., in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated October 4, 2018. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during ending December 31, 2017. We noted no transactions entered into by the plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

> The estimate of the fair value of investments that do not have a readily-available market price based on valuations and/or financial statements provided by a third-party.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

> The disclosure of investments carried at fair value in Note 3 to the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. We did not identify any such misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Audit Findings or Issues

During the audit of the Plan for the year ended December 31, 2017, we noted several instances in which amounts withheld from participants were not remitted to the Plan in a consistent manner. The DOL requires that participant contributions be remitted to the Plan on the earliest date on which they can be reasonably segregated from the Plan Sponsor's general assets but in no event later than the 15th business day following the end of the month in which amounts are contributed by employees or withheld from their wages. Failure to remit participant contributions to the Plan in a timely manner results in a prohibited transaction that must be separately reported to the DOL and may result in penalties to the Plan Sponsor. Furthermore, the participant contributions must be remitted timely and in a consistent manner. We recommend the Plan Sponsor review the procedures for remitting amounts withheld from participants to the Plan and determine a timeline upon which deferred amounts can be reasonably segregated from the Sponsor's general assets and implement procedures to ensure that the remittances are made timely and consistently in accordance with such timeline.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Administrative Committee and management of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Ham, Langston & Brezina, L.L.P.

INDEPENDENT AUDITOR'S REPORT

Audit Committee
Houston International Insurance Group 401(k) Plan:

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Houston International Insurance Group 401(k) Plan (the "Plan"), which comprise the Statements of Net Assets Available for Benefits as of December 31, 2017 and 2016, and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Merrill Lynch, Pierce, Fenner & Smith, Inc., ("Merrill Lynch") and John Hancock Life Insurance Company U.S.A. ("John Hancock") (collectively, the "Custodians"), except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the Plan administrator that Merrill Lynch held the Plan's investment assets as of December 31, 2017 and 2016 and executed investment transactions for the period from October 1, 2016 to December 31, 2017. John Hancock held the Plan's investment assets and executed investment transactions for the period from January 1, 2016 to September 30, 2016. The Plan administrator has obtained certifications from the Custodians as of and for the years ended December 31, 2017 and 2016, that the information provided to the Plan administrator by the Custodians is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedules, Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2017 and Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2017, are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules.

HOUSTON INTERNATIONAL INSURANCE GROUP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

1. Description of the Plan

The following description of the Houston International Insurance Group 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution prototype plan that provides retirement savings benefits to eligible employees. Effective October 1, 2016, Houston International Insurance Group, LTD (the "Company', the "Employer", or "Sponsor") became the sponsor of the Plan. From January 1, 2016 through September 30, 2016, HIIG Service Company was the sponsor of the Plan. The following related employers are participating employers of the Plan: Shel-Ray Underwriters, Inc., National Health Insurance Company, Southwest Risk, LP, and Delos Insurance Group, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Administration

The Company is responsible for the administration and operation of the Plan. Effective October 1, 2016, Merrill Lynch, Pierce, Fenner & Smith, Inc., ("Merrill Lynch") and employees of the Company serve as trustees of the Plan and Merrill Lynch was appointed to serve as custodian and recordkeeper of the Plan. During the period from January 1, 2016 to September 30, 2016, employees of the Company served as trustees of the Plan, John Hancock Life Insurance Company U.S.A. ("John Hancock") served as the custodian to the Plan and NOVA 401(k) Associates served as recordkeeper of the Plan. John Hancock and Merrill Lynch are collectively referred to as the "Custodians" in these financial statements.

Contributions

Each year, participants may contribute up to 90 percent of their annual pre-tax compensation to the Plan, not to exceed the limitation set forth in Section 402(g) ($18,000 in both 2017 and 2016) of the Internal Revenue Code ("IRC"). Participants may make catch-up contributions (pre-tax contributions that exceed the annual elective deferral limit) during any calendar year ending on or after the participant's 50th birthday. A participant's total catch-up contribution is limited to a maximum of $6,000 per year in both 2017 and 2016. Participant's contributions are matched at the discretion of the Company's Board of Directors. In addition, the Sponsor may make a discretionary profit-sharing contribution. The Sponsor made discretionary contributions of $611,874 and $792,151 in 2017 and 2016, respectively.

Participant Accounts

Each participant account is credited with the participant's contributions, any Sponsor matching contributions and discretionary profit-sharing contributions, and allocations of Plan earnings based on their individual balances as defined by the Plan. Each participant is permitted to direct and control their investment account. Upon the occurrence of a distribution event, the benefit to which a participant is entitled is the benefit that can be provided from the participant's vested interest in his or her account.

Vesting

Participants are immediately vested in their contributions and earnings thereon as well as balances rolled over into the Plan from other qualified benefit plans under ERISA. Vesting in the employer matching and discretionary profit-sharing contribution account is based on a participant's total years of service as follows:

Years of Service	Vesting Percentage
1	20%
2	40%
3	60%
4	80%
5	100%

1. **Description of the Plan, continued**

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to or the lesser of (a) $50,000 or (b) 50% of their vested account balance. A participant may have only one outstanding loan at any time. The term of the loan may not exceed five years, or up to twenty years if used for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. For the year ended December 31, 2017, interest rates on participant loans ranged from 5.75% to 6.50% and for the year ended December 31, 2016, rates ranged from 5.25% to 5.75%. Principal and interest payments on outstanding loans are made by payroll withholdings according to the terms of the respective loan agreement.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant (or his or her designated beneficiary in the event of death) may receive a single lump-sum amount equal to the value of the participant's vested interest in his or her account. In-service withdrawals are allowed by the Plan from the participant's fully vested account balance after the participant has attained age 59 ½. Prior to age 59 ½ and subject to guidelines set forth in the IRC, a participant may request a hardship withdrawal. However, hardship withdrawals may only be made from accounts which are fully vested.

Forfeited Accounts

Participants who separate from service prior to full vesting of their account balance forfeit their unvested share of the Sponsor's matching contributions and discretionary profit-sharing contributions. Amounts forfeited can be used by the Sponsor to reduce employer matching and profit-sharing contributions, to pay Plan expenses, or may be allocated to participants. At December 31, 2017 and 2016, there were forfeitures available for use in the amount of $106,781 and $57,764 respectively. Forfeited non-vested amounts of $39,398 and $30,931 were used to reduce employer profit-sharing contributions for the years ended December 31, 2017 and 2016, respectively.

Administrative Expenses

The Plan is responsible for payment of custodian and recordkeeper expenses and fees; however, the Sponsor may pay certain Plan expenses directly. During the years ended December 31, 2017 and 2016, the Sponsor incurred certain expenses totaling $16,000 and $17,227, respectively, on behalf of the Plan. Transaction charges (for loan and benefit payment transactions) are paid by the Plan, reducing the balances of those participants initiating the transactions.

2. **Summary of Significant Accounting Policies**

Basis of Presentation

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options. These investment options are exposed to market risks, which generally mean the risk of loss in the value of certain investment securities due to changes in interest rates, security and commodity prices and general market conditions. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.

2. Summary of Significant Accounting Policies, continued

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Net appreciation in fair value of investments includes realized gains and losses on investments sold during the year and unrealized appreciation (depreciation) of investments held at the end of the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable is accrued as earned. Delinquent notes receivable are reclassified as distributions upon the occurrence of a distributable event, as defined in the Plan document. No allowance for credit losses has been recorded as of December 31, 2017 or 2016.

Benefit Payments

Benefit payments are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation of fair value of investments.

3. Fair Value Measurements

The Financial Accounting Standards Board ("FASB") Codification Topic 820 ("ASC 820") *Fair Value Measurements and Disclosures* established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

3. Fair Value Measurements, continued

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

In determining fair value, the Plan uses the market approach, which uses prices and other relevant data based on market transactions involving identical or comparable assets and liabilities.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Registered investment companies ("mutual funds"): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trusts: Valued at the NAV of units of a collective trust. The NAV, as provided by the Custodians, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawals from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value on a recurring basis as of December 31, 2017 and 2016:

	Investments at Fair Value as of December 31, 2017			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 13,508,656	$ -	$ -	$ 13,508,656
Investments measured at NAV[a]				584,188
Total investments at fair value				$ 14,092,844

	Investments at Fair Value as of December 31, 2016			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 10,639,791	$ -	$ -	$ 10,639,791
Investments measured at NAV[a]				571,664
Total investments at fair value				$ 11,211,455

(a) In accordance with Accounting Standards Update No. 2015-07, investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

3. **Fair Value Measurements, continued**

Fair Value of Investments in Entities that Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2017 and 2016:

	Fair Value 2017	Fair Value 2016	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Period Notice
Putnam Stable Value Fund	$ 582,569	$ 571,571	N/A	Daily	None
Putnam Stable Value Fund GM	1,619	93	N/A	Daily	None
Total Investments at NAV	$ 584,188	$ 571,664			

4. **Information Certified by the Custodians (Unaudited)**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2017 and 2016, net appreciation in fair value of investments, and interest on notes receivable for the years ended December 31, 2017 and 2016, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Custodians.

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the accompanying financial statements and supplemental schedules.

5. **Tax Status**

Under Section 401(a) of the IRC, the Plan is qualified as tax-exempt. The Plan is based on a Volume Submitter ("VS") standardized plan offered by the custodian. The custodian received a letter, dated March 31, 2014, from the Internal Revenue Service ("IRS") regarding its review of the VS standardized plan. In the letter, the IRS stated the VS plan was in compliance with the applicable requirements of the IRC. The Plan administrator believes that the Plan, as amended, is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate the tax position taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the DOL and IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. **Plan Termination**

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their total account balance.

7. **Party-in-Interest Transactions**

For the period from January 1, 2016 to September 30, 2016, certain Plan investments were managed by the custodian and as of December 31, 2017 and 2016 the Plan issues notes receivable from participants. These transactions qualify as party-in-interest transactions, as defined by ERISA. However, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

8. Reconciliation of Plan Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2017 and 2016:

Change in other	(5)	2
Net increase in net assets available for benefits per Form 5500	$ 2,855,603	$ 2,656,086

9. Prohibited Transactions

Certain participant contributions were not withheld from participants' pay during 2017. In May of 2018, the Company remitted to the Plan the delinquent participant contributions totaling $8,400, as well as the applicable lost earnings of $456. Accordingly, the Statement of Net Assets Available for Benefits at December 31, 2017 includes other employer contributions receivable in the amount of $8,856, for these delinquent contributions.

10. Subsequent Events

Plan management has evaluated all subsequent events through October 4, 2018, which is the date the financial statements were available to be issued, and has concluded that there are no significant events to be reported.
