To the Plan Sponsor of KW Property Management LLC 401(K) Profit Sharing Plan & Trust (the "Plan"):

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of KW Property Management LLC 401(k) Profit Sharing Plan & Trust (the "Plan") as of and for the year ended December 31, 2017, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform a DOL limited-scope audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Our audit did not include all of the procedures required by auditing standards generally accepted in the United States of America and did not include a consideration of internal control relating to the information summarized in Note 6 to those financial statements. Because of the significance of the information that we did not audit, we were unable to, and did not, express an opinion on those financial statements.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiencies in the Plan's internal control to be significant deficiencies:

- During our review employer matching contributions, we noted that the Company was not matching participant contributions for one participant.

This communication is intended solely for the information and use of management, of KW Property Management LLC 401(k) Profit Sharing Plan & Trust, trustees, and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

August 29, 2018

To the Plan Sponsor of:

KW Property Management LLC 401(k) Profit Sharing Plan & Trust (the "Plan"):

We have conducted a DOL limited-scope audit of the financial statements of KW Property Management LLC 401(k) for the year ended December 31, 2017 and have issued our report thereon dated August 29, 2018. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedules as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 22, 2018. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2017. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

> Your estimate of the fair value of investments is based on Level 1, 2 and 3 inputs, as described in Note 3 to the finance statements, in accordance with the accounting guidance for Fair Value Measurements. We evaluated the key factors and assumptions used to develop the fair value of investments in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

> The disclosure of fair value measurements in Note 3 to the financial statements states that Level 1, 2 and 3 inputs were used to establish fair value. Level 2 inputs consist of other than quoted prices included within Level 1 that are observable such as quoted prices for similar assets. Level 2 inputs consist of unobservable inputs.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. You have corrected all such misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of you and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of Trustees and management of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2017 and 2016, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2017, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 – DESCRIPTION OF PLAN

The following description of the KW Property Management LLC 401(K) Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(A) GENERAL

The Plan is a profit sharing plan covering all full-time employees of KW Property Management LLC (the "Company") under the provisions of Section 401(a) of the Internal Revenue Code (the "Code"), as amended, which includes qualified cash or deferred arrangements as described in Section 401(k) of the Code, for the benefit of eligible employees of the Company. Eligible employees of the Company are those who have attained age 21 and have completed one year of eligible service, as defined. The Plan is subject to and conforms with the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan's service provider and trustee are Automated Data Processing Inc. ("ADP") and Reliance Trust Company ("Reliance"), respectively. Reliance became the Plan's trustee effective June 30, 2016. Prior to Reliance, the Plan's trustee was State Street Bank & Trust Company ("State Street"). The Plan adopted ADP's prototype 401(k) and Profit Sharing Plan. Certain plan provisions were modified with the adoption of the ADP Plan, including calculation of the employer match, and the option for participants to contribute on a taxable basis.

(B) CONTRIBUTIONS

Eligible employees can contribute up to the maximum percentage allowable, subject to certain limitations under the Code. The matching percentage contributed by the Company is discretionary and is determined annually by the Company's managing directors. The Company elected to match up to 100% of a participant's elective deferral up to the first 4% of each participant's eligible compensation for the year ended December 31, 2017. The Company matched approximately $330,000 for the year ended December 31, 2017. The Company may elect to make discretionary profit sharing contributions to the Plan. No discretionary profit sharing contributions were made for the year ended December 31, 2017. The total maximum allowable contribution per participant to the Plan directly from the participant was $18,000 for 2017, not including additional catch-up contributions allowed for participants over the age of 50, which were $6,000.

(C) ELIGIBILITY

Employees are eligible to participate in the Plan upon reaching the age of 21 and completing one year of service, as defined, prior to entry date. The Plan entry date is the first month after meeting the above requirements.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

(D) VESTING

Participants are immediately vested in their elective deferrals, rollover contributions, and safe harbor matching contributions, plus or minus any earnings or losses thereon, which cannot be forfeited for any reason.

The employer can also make non-elective contributions. Effective January 1, 2010, the Plan's vesting for non-elective contributions were in accordance with the following schedule:

Years of Service	Vested Percentage
0 - 3	0%
3 or more	100%

Nonvested portions of these non-elective contributions are forfeited as of an employee's termination date. Pursuant to the Plan, forfeitures may be used to reduce future matching contributions or may be used to pay Plan expenses.

(E) PAYMENTS OF BENEFITS

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

(F) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's compensation deferral contribution, the Company's matching and profit sharing contributions, if any, and an allocation of the investment earnings, based upon each participant's election, and charged with an allocation of administrative expenses not paid by the Company. The benefit to which a participant is entitled upon withdrawal from the Plan, as defined above, is the vested benefit in the participant's account. Participants may direct the investment of their account balances into various investment options offered by the Plan.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

(G) INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct employee contributions as well as employer matching and profit sharing contributions and any related earnings in the investment options offered by the Plan. Reliance was the appointed trustee of the Plan's assets at December 31, 2017 and 2016. Contributions may be allocated in 1% increments and participants may change their investment elections at any time.

(H) NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of $500 up to a maximum equal to the lesser of 50% of their vested account balance or $50,000 reduced by the highest outstanding loan balance in their account during the prior twelve month period. The notes are secured by the balance in the participant's vested account. The interest rate for a loan will be the rate in effect in the month the note is effective. The interest rate is the prime rate as published by the *Wall Street Journal* on the 14th of each month, plus two percentage points. Principal and interest is paid ratably through monthly payroll deductions. The interest rate on loans outstanding as of December 31, 2017 and 2016 ranged from 5.25% to 6.50%.

Principal and interest is repaid through payroll deductions over a period of no more than five years, unless the loan is used for the purchase of a primary residence. Loans used to purchase a primary residence may be repaid within a period of no more than 30 years.

(I) PLAN ADMINISTRATION EXPENSES

The Plan agreement allows for the Company to absorb a significant amount of the Plan's administrative expenses. During the year ended December 31, 2017, administrative expenses incurred by the Plan totaled $10,605.

(J) FORFEITED ACCOUNTS

Non-vested portions of Company matching contributions are forfeited as of the employee's termination date. Pursuant to the Plan, these accounts may be used to offset expenses or reduce future employer contributions. During the year ended December 31, 2017, approximately $3,700 in forfeitures were used to fund employer matching contributions. At December 31, 2017, forfeited non-vested accounts totaled $11.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

(A) BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting for defined contribution plans in accordance with accounting principles generally accepted in the United States of America.

(B) INVESTMENT VALUATION AND INCOME RECOGNITION

Assets of the Plan are reflected in the accompanying statements at fair value. Common collective trusts are valued based on the quoted market prices of the underlying assets held in the fund by utilizing the practical expedient of using the Net Asset Value ("NAV") under ASC 820. Mutual funds are valued at the NAV of shares held by the Plan. Common stocks are valued at quoted market prices.

Purchases and sales of securities are recorded on a trade date basis. Dividend and interest income are recorded by the trustee in the period earned. Net realized and unrealized appreciation or depreciation in fair value of investments consists of the change in unrealized appreciation or depreciation and the realized gain or loss on the sales of investments during the year. Acquisition costs are included in the cost of investments purchased and sales are recorded net of selling expenses. Investments are self-directed by the individual Plan participants.

(C) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2017 and 2016, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

During the year ended December 31, 2017, approximately $15,000 of delinquent notes receivable were recorded as benefit payments.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(D) USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts during the period. Actual results could differ from those estimates.

(E) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(F) PAYMENT OF BENEFITS

Benefits are recorded when paid.

(G) OPERATING EXPENSES

The majority of the expenses of maintaining the Plan are paid by the Company.

(H) MANAGEMENT'S REVIEW OF SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 29, 2018, which is the date that the financial statements were available to be issued.

(I) RECENT ACCOUNTING PRONOUNCEMENTS

Effective January 1, 2016, the Plan adopted two recent accounting pronouncements issued by the Financial Accounting Standards Board ("FASB") detailed below. The change was applied retrospectively and had no effect on beginning net assets available for benefits.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(I) RECENT ACCOUNTING PRONOUNCEMENTS (CONTINUED)

The Company evaluates new accounting pronouncements for relevance and impact on the Plan's financial statements. Management does not expect that timely adoption of new pronouncements will have a material impact on the Plan's net assets available for benefits.

Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent) in ASU No. 2015-07

In May 2015, the Financial Accounting Standard Board ("FASB") issued an accounting standard update ("ASU") which removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient. The update also removes the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the net asset value per share practical expedient. Rather, those disclosures are limited to investments for which the entity has elected to measure the fair value using that practical expedient. The update is effective for fiscal years beginning after December 15, 2016, and interim periods within those fiscal years. A reporting entity should apply the update retrospectively to all periods presented.

The update is effective upon issuance for any financial statements that have not been issued. The implementation of this update did not have a material effect on the financial statements.

Fully Benefit-Responsive Investment Contracts and Plan Investment Disclosure in ASU No. 2015-12

In July 2015, the FASB issued an accounting standard update which amends requirements for defined contribution, defined benefit, and health and welfare benefit plans. Generally, Part I of the update requires fully benefit responsive investment contracts to be reported at contract value. Generally, Part II eliminates the requirements for plans to disclose (a) individual investments that represent 5 percent or more of net assets available for benefits, and (b) the net appreciation or depreciation for investments by general type. Generally, Part II also requires that investments be grouped only by type of investment. Part III provides an alternative date for measuring investments for plans with fiscal year-ends not falling on a month-end date. Parts I and II of the update are effective retrospectively for fiscal years beginning after December 15, 2015 with early application permitted. Part III of the update is effective prospectively for fiscal years beginning after December 15, 2015 with early application permitted.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Accounting guidance establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for similar assets, and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds - The mutual funds invest mainly in domestic equity funds, international equity funds, bond funds, short-term funds, and common stocks which have observable Level 1 pricing inputs, including quoted prices for identical assets in active markets. Mutual funds are valued at the quoted NAV of shares held by the Plan at year-end.

Self-Directed Brokerage Accounts - The self-directed brokerage accounts include investments in common stocks, fixed income vehicles and mutual funds and are valued at quoted prices in actively traded markets.

Common Collective Trusts - The common collective trusts invest mainly in fixed securities, mutual funds, repurchase agreements, stocks and commercial paper. They are valued based on the quoted market prices of the underlying assets held in the fund by utilizing the practical expedient of using the NAV under ASC 820.

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

The input levels used by investment category are as follows:

	Total	Level 1	Level 2	Level 3

Mutual funds	$ 4,085,695	$ 4,085,695	$ -	$ -

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan. In the event the Plan terminates, participants in the Plan become fully vested in the Company's contributions. Participants' contributions are always 100% vested.

NOTE 5 – TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2014.

NOTE 6 – INFORMATION PREPARED AND CERTIFIED BY THE PLAN TRUSTEE

At December 31, 2017 and 2016 and for the years then ended, the Plan's assets are held by the trustee, Reliance. The trustee has certified that the following information is complete and accurate as of and for the years ended December 31, 2017 and 2016, respectively.

Investments, at fair value (Note 3)	$ 5,389,155	$ 4,021,716
Notes receivable from participants	$ 107,968	$ 75,692
Total investment income, net	$ 721,046	
Interest income on notes receivable	$ 4,524	

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and common collective trusts managed by Reliance as of December 31, 2017. Reliance is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Expenses paid by the Plan totaled approximately $10,600 for the year ended December 31, 2017.

NOTE 8 – FIDELITY BONDING

The Company maintains a fidelity bond of $410,000 for Plan fiduciaries and individuals who handle the funds of the Plan, pursuant to the requirements of ERISA.
