Report on the Financial Statements

We have audited the accompanying statements of I.B.E.W. Local #673 Profit Sharing Annuity and 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2017 and 2016, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of I.B.E.W. Local #673 Profit Sharing Annuity and 401(k) Plan as of December 31, 2017 and 2016, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Assets Held for Investment Purposes at End of Year, referred to as "supplemental information," is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

I.B.E.W. LOCAL #673 PROFIT SHARING ANNUITY AND 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2017 AND 2016

Note A - Description of the Plan

The following description of the I.B.E.W. Local #673 Profit Sharing Annuity and 401(k) Plan ("Plan") provides only general information. For a more complete description of the Plan's provisions, refer to the Plan agreement.

1. General. The Plan is a defined contribution plan amended March 31, 2005 to provide a deferred arrangement described in Code Section 401(k), covering all employees working for an employer who has a Collective Bargaining Agreement with I.B.E.W. Local 673 requiring employer contributions and employee elective contributions to be made to the Profit Sharing Annuity and 401(k) Plan, and such contributions are made on the employees behalf.

On February 8, 2005, the Trustees approved the merger of the I.B.E.W. Local 673 401(k) Retirement Plan into the I.B.E.W. Local 673 Profit Sharing Annuity Plan, effective March 31, 2005. As mentioned above, the Profit Sharing Annuity Plan was amended to provide for the 401(k) Plan features and the Plan will be known as the I.B.E.W. Local 673 Profit Sharing Annuity and 401(k) Plan.

2. Contributions.

Profit Sharing Annuity Feature: Each month, a participating employer contributes a specified amount for each hour paid to each of his employees working under the terms of a collective bargaining agreement. There is no provision for individual participant's contributions. The Plan's contribution rates per hour are as follows:

	December 31,	
	2017	2016
Inside Working Agreement	\$ 2.10	\$ 2.10

401(k) Feature: Participants may contribute up to 25 percent of their annual earnings. Each month, employers of these employees forward the employee contributions to the Plan. Employer contributions to the Plan are made pursuant to the terms of the applicable collective bargaining agreement. There is no provision for employer contributions at December 31, 2017 and 2016.

3. Participant Accounts. Each participant's account is credited with employers' profit sharing annuity contributions, employee elective contributions, employee rollover contributions, and allocations of net investment earnings. Participant accounts can be charged with an allocation of administrative expenses. Allocations are based on participant account balances. Separate subaccounts are maintained within each participant account in which profit sharing annuity, 401(k) contributions, rollover contributions, and allocations are segregated.
4. Vesting: Profit Sharing Annuity Feature: Participants become fully vested in the Plan upon working 400 hours within a twelve (12) month period.

401(k) Feature: Participants become fully vested in the Plan immediately upon the establishment of the credit account balance on behalf of the employee.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2017 AND 2016

Note A - Description of the Plan (Continued)

5. Forfeitures:

Profit Sharing Annuity Feature: Contributions are forfeited when a non-vested participant fails to be credited with at least 400 hours of work during any plan year (a break in service) and are forfeited only after five (5) consecutive one year breaks in service. All forfeitures are used solely for the purpose of paying the expenses for administration of the Plan. Forfeitures available to pay plan expenses were \$2,498 and \$2,458 as of December 31, 2017 and 2016, respectively.

401(k) Feature: Participants become fully and immediately vested in the Plan so there is no provision for forfeitures in the Plan for 401(k) contributions.

6. Payment of Benefits. Benefit payments under the Plan are made to eligible participants upon normal and early retirement, total and permanent disability retirement, death or termination. The participant shall receive payment on a total lump-sum basis unless he elects a partial distribution or any of the annuity payment options in the provisions of the formal plan.

7. Investment Options. Participants are permitted to direct the investment of their account among various alternative investment options established as part of the overall Fund. Various alternative investment options are available through John Hancock Investments for the years ended December 31, 2017 and 2016, respectively. (See Note F and G). The Trustees reserve the right to eliminate, change, and add investment options at any time.

8. Restrictions on Plan Assets. The use of Plan assets are for the exclusive benefit of eligible employees, participants, pensioners, their beneficiaries, or for proper expenses of administration of the Plan and Fund.

Note B - Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

1. Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.
2. Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2017 AND 2016

Note B - Summary of Significant Accounting Policies (Continued)

3. Investment Valuation and Income Recognition. The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note N for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.
4. Concentrations. The Plan's participants are employed by electrical contractors in the Northeastern Ohio area.
5. Reclassifications. Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform to the presentation in the current-year financial statements.
6. Participant Loans. Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.
7. Date of Management Review. Subsequent events were evaluated through October 8, 2018, which is the date the financial statements were available to be issued.

Note C - Employer's Contributions Receivable

Employer's contributions receivable as of December 31, 2017 and 2016 include delinquent contributions of \$-0- and \$-0-, respectively.

Note D - Plan Termination

Although it has not expressed any intent to do so, the Plan has the right under the Plan document to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note E - Tax Status

The Plan obtained its latest determination letter on June 18, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Note G - Common and Collective Investment Trusts

The following table presents the cost basis and fair market value of investments in common and collective investment trusts held by the Plan at December 31, 2017 and 2016. The Plan's investment in these trusts are valued at the Plan's undivided interest in the underlying assets of the Trust.

Invesco National Trust Company is the Trustee for the IBEW-NECA Stable Value Pooled Investment Fund. It is a collective investment trust established for certain tax-qualified retirement, pension and profit-sharing employee benefit plans which are exempt from federal income taxation under the Internal Revenue Code. The primary objective of the Fund is to provide a low risk moderate-yield investment option for qualified plans.

The Putnam Fiduciary Trust Company is the Trustee of the Putnam S & P 500 Index Fund. It is a collective investment trust that seeks to achieve a return, before the assessment of fees that closely approximates the return of the Standard and Poor's 500 Composite Stock Price Index ("S & P 500 Index").

Note H - Participant Loans

As of January 1, 1998, participants may borrow from their fund accounts. Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a transfer to/from the investment fund from/to the Participant Loan fund. The loan repayment periods do not exceed five (5) years unless the loan is used to purchase a principal residence. In this case, the repayment period is determined by the Board of Trustees at the time of the loan. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Interest rates range from 4.25% to 10.5%. Participants are required to make monthly principal and interest payments.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2017 AND 2016

Note H – Participant Loans (Continued)

The loan balance at December 31, 2017 and 2016 includes loans in default. These participants were in violation of the loan agreement, and the Plan considered these loans to be in default. The Plan document states that these loans shall be deducted at retirement, death, disability, or other termination from any benefit to which the participant is entitled. However, the Internal Revenue Code requires that loans in default be treated as distributions to the participant for income tax purposes; therefore, the participant will receive notice that the defaulted loan is treated as a distribution for tax purposes. For Form 5500 purposes, the defaulted loans are treated as deemed distributions and are deducted from the loan balance.

For the plan year ended December 31, 2012, the Plan's investment custodian, Mercer Trust Company, added \$354,367 in retroactive accrued interest on prior defaulted loans. This adjustment was shown as a prior period adjustment in the Statement of Changes in Net Assets available for plan benefits for 2012. For the plan year ended December 31, 2014, New York Life began accruing interest on defaulted loans. Accrued interest on defaulted loans for the years ended December 31, 2017 and 2016 was \$82,043 and \$76,241, respectively.

Note J - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that such changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statement of net assets available for benefits.

Note K - Uncertain Tax Positions

The Plan adopted the provisions of FASB ASC 740-10, "Accounting for Uncertainty in Income Taxes." FASB ASC 740-10 prescribes a recognition threshold that a position is required to meet before being recognized in the financial statements and provides guidance on derecognition, measurement, classification, interest and penalties, accounting in interim periods, disclosure and transition issues for uncertain tax positions. Management has evaluated the Entity's tax positions and concluded that there were no material uncertain tax positions requiring recognition in the financial statements. Accrued interest relating to uncertain tax positions would be recorded as a component of interest expense and penalties related to uncertain tax positions would be recorded as a component of general and administrative expenses.

The Plan is no longer subject to tax examinations for the years before 2014 by taxing authorities where the Plan has filed returns.

Note L - Fair Value Measurements

Fair Value Measurement provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities, (level 1 measurements), and the lowest priority to unobservable inputs, (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	<p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none">● quoted prices for similar assets or liabilities in active markets;● quoted prices for identical or similar assets or liabilities in inactive markets;● inputs other than quoted prices that are observable for the asset or liability;● inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p><i>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</i></p>
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common and Collective Trusts: Valued at the Plan's undivided interest in the underlying assets for the trust which are valued at the closing stock price on the NY Stock Exchange.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note N – New Accounting Pronouncement

In 2015, Accounting Standards Update ASU 2015-07 and ASU 2015-12 were issued by the Financial Accounting Standards Board. ASU 2015-07 removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient. ASU 2015-12 simplifies and makes more effective the investment disclosure requirements. ASU 2015-07 becomes effective for plan years beginning after December 15, 2016 and ASU 2015-12 became effective for plan years beginning after December 15, 2015. The Plan has implemented these standards.
