Notes to Financial Statements

1. Description of Plan:

The following description of Employees' Pension Plan of Armstrong Pumps, Inc. (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering substantially all full-time employees of Armstrong Pumps, Inc. (the Company). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Participants may elect to contribute a percentage of pretax annual compensation, as defined in the Plan. Additionally, participants age 50 or older may elect to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may make matching contributions or other discretionary contributions at the option of the Company's board of directors. Contributions are subject to certain IRS limitations. In 2017 and 2016, the Company provided a safe-harbor matching contribution of 100% of up to 5% of a participant's base compensation contributed to the Plan.

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in all contributions.

Investment Options:

A participant may direct contributions into a variety of investment options offered by Fidelity Management Trust Company (Fidelity), a trustee of the Plan.

Notes Receivable from Participants:

Participants may borrow from their fund accounts up to the lesser of $50,000 or 50 percent of their account balance. Loan terms range from one to five years or up to 25 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably generally through monthly payroll deductions.

Payment of Benefits:

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over other allowed periods. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan allows for in-service withdrawals for active employees that have reached normal retirement age, as defined by the Plan.

Forfeited Accounts:

At December 31, 2017 and 2016, forfeited nonvested accounts totaled approximately $18,700 and $18,400. These amounts will be used to pay administrative expenses of the Plan.

2. Summary of Significant Accounting Policies:

Basis of Accounting:

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Inputs to the valuation methodology for mutual funds are unadjusted quoted prices for identical assets in active markets. The common/collective trust is valued based on net asset value per share without further adjustment. Net asset values are based on the aggregate fair values of the underlying investments. Participants may redeem shares at net asset value daily, without restriction.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Unrealized appreciation or depreciation on investments is charged or credited to the net assets of the Plan.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon terms of the plan document.

Benefit Payments:

Benefits are recorded when paid.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent Events:

The Plan has evaluated events and transactions for potential recognition or disclosure in the financial statements through August 27, 2018 (the date the financial statements were available to be issued).

3. Financial Information Certified by the Trustee (Unaudited):

In accordance with the Department of Labor's Regulation 2520.103-8, certified "Statements of Account" for the Plan have been provided by Fidelity as of and for the years ended December 31, 2017 and 2016. The plan administrator has obtained certifications from the trustees that such information is complete and accurate as follows:

- Statements of Net Assets Available for Benefits – Investments and notes receivable from participants.
- Statements of Changes in Net Assets Available for Benefits - Investment income and interest income on notes receivable from participants.
- Schedule of Assets (Held at Year End) - all items and amounts.

4. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

5. Administrative Expenses:

At the discretion of the plan administrator, certain administrative expenses have been borne by the Company.

6. Tax Status:

The Internal Revenue Service has issued a favorable determination letter regarding the tax-exempt status of the Plan. Accordingly, no provision has been made for income taxes.

7. Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
