Board of Directors
Mapi USA, Inc. Retirement Plan
Lexington, Kentucky

Attention: Board of Directors

This letter is to inform the Board of Directors of Mapi USA, Inc. Retirement Plan (the Plan) about significant matters related to the conduct of the annual audit so that it can appropriately discharge its oversight responsibility, and we can comply with our professional responsibilities.

The following summarizes various matters that must be communicated to you under auditing standards generally accepted in the United States of America.

The Respective Responsibilities of the Auditor and Management

Our responsibility under auditing standards generally accepted in the United States of America has been described in our arrangement letter dated June 14, 2018. The audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

Significant Accounting Practices, Including Policies, Estimates and Disclosures

We have previously discussed with you our views about the qualitative aspects of the Plan's significant accounting practices, including accounting policies, accounting estimates and financial statement disclosures. You may wish to monitor the fair value measurement of investments for your oversight responsibilities of the financial reporting process.

Audit Adjustments

Management corrected the material misstatement that was identified as a result of our audit procedures. The adjustment that was recorded is attached to the management representation letter.

Uncorrected Misstatements

We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

Other Information in Documents Containing Audited Financial Statements

Our responsibility for other information in documents containing the Plan's audited financial statements is to read the information and consider whether its content or manner of its presentation is materially inconsistent with the financial information covered by our auditor's report or whether it contains a material misstatement of fact. We read the Plan's Form 5500 filing for consistency with information in the financial statements. We have provided our comments to management. We are not aware of other documents that contain the audited financial statements.

Disagreements with Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

Consultation with Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Significant Issues Discussed or Subject to Correspondence with Management

Effective July 27, 2017, the Plan Sponsor was acquired by ICON, PLC. As a part of this acquisition, effective January 1, 2018, the Plan was merged into the ICON Clinic Research LLC 401(k) Plan. As of December 29, 2017, the funds had been transferred out of this Plan, but were not placed into the ICON Clinic Research LLC 401(k) Plan until January 2, 2018. As a result, the transfer is reflected as occurring during 2017 on the accompanying statement of changes in net assets available for benefits.

No other significant issues arising from the audit were discussed with or the subject of correspondence with management.

Difficulties Encountered in Performing the Audit

We did not encounter any significant difficulties in dealing with management during the audit.

Management Representations

A copy of the management representation letter has been attached.

Closing

We will be pleased to respond to any questions you have about the foregoing. We appreciate the opportunity to continue to be of service to the Plan.

This report is intended solely for the information and use of the Board of Directors and Plan Administrator and is not intended to be, and should not be, used by anyone other than these specified parties.

This representation letter is provided in connection with your audit of the financial statements of Mapi USA, Inc. (Plan Sponsor) Retirement Plan (the Plan) which comprise the statements of net assets available for benefits as of December 31, 2017 and 2016, and the related statement of changes in net assets available for benefits for the year ended December 31, 2017, and the related notes to the financial statements.

We have determined that the Plan trustee, Reliance Trust Company, qualifies to issue a certification of the Plan's asset activity under section 2520.103-5 of the Department of Labor's (DOL)'s Rules and Regulations. Therefore, as permitted by Regulation 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have instructed you not to perform any auditing procedures with respect to asset information certified or provided by Automatic Data Processing, Inc., the custodian, other than comparing that information with the related information included in the financial statements. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements as a whole.

We confirm, to the best of our knowledge and belief, that as of the date of this letter:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit arrangement letter dated June 14, 2018, for the preparation and fair presentation of the financial statements referred to above in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
2. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
4. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable and reflect our judgment based on our knowledge and experience about past and current events and our assumptions about conditions we expect to exist and courses of action we expect to take.

In that regard, we are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services or other third parties. The methods and significant assumptions used to determine fair values of the financial instruments are as follows: fair value using quoted market prices and for registered investment companies, at net asset value of shares held by the Plan. Our valuation methodologies have been consistently applied from period to period. The methods and assumptions used result in a measure of fair value appropriate for financial statement measurement and disclosure purposes.

5. All significant estimates and material concentrations known to management that are required to be disclosed in accordance with the *Risks and Uncertainties* Topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) have been properly recorded and/or disclosed in the financial statements. Significant estimates are estimates at the statement of net assets date that could change materially within the next year. Concentrations refer to nature and type of investments held by the Plan, or markets in which events could occur that would significantly disrupt normal finances within the next year.
6. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
7. Transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements and guarantees, and amounts receivable from or payable to related parties have been appropriately accounted for and disclosed.
8. All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
9. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
10. We have properly reported and disclosed amendments to the Plan instrument, if any.
11. We agree with the adjustment proposed and summarized in the attached schedule and will reflect that adjustment in our records. We believe the unrecorded entry in the attached schedule is not material to the financial statements.
12. We have no knowledge of any uncorrected misstatements in the financial statements.
13. Effective July 27, 2017, the Plan Sponsor was acquired by ICON, PLC. As a part of this acquisition effective January 1, 2018, the Plan was merged into the ICON Clinic Research LLC 401(k) Plan. As of December 29, 2017, the funds had been transferred out of this Plan, but were not placed into the ICON Clinic Research LLC 401(k) Plan until January 2, 2018. As a result, the transfer is reflected as occurring during 2017 on the statement of changes in net assets available for benefits.
