THE STEINER 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF THE PLAN

The following description of The Steiner 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan generally covering all full-time and part-time employees of Steiner Real Estate Services (the "Company") who have at least one year of service (at least 1,000 hours) and are at least twenty-one years old. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute a percentage of annual compensation on a pre-tax and/or after-tax basis, as defined in the Plan, up to the statutory maximum. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan has a qualified automatic contribution arrangement ("QACA Safe Harbor") and the QACA Safe Harbor matching contributions are equal to 100% of the first 1% of compensation that a participant contributes to the Plan and 50% of the next 5% of compensation that a participant contributes to the Plan. Additionally, the Company made discretionary matching contributions of 50% of the next 1% of compensation that a participant contributed to the Plan, which resulted in a maximum matching contribution of 4% of compensation that a participant contributed to the Plan. The Company may make discretionary profit-sharing contributions in an amount determined annually. No discretionary profit-sharing contributions were made by the Company for the year ended December 31, 2017.

Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Company's contribution and earnings from participant directed investments, net of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested in the Company's discretionary contributions and QACA Safe Harbor matching contributions after two years of continuous service.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Forfeitures

Forfeitures can be applied to reduce future employer contributions and administrative expenses. During the 2017 plan year, \$3,810 of forfeitures were used to pay Plan administrative expenses and \$12,858 of forfeitures were used to reduce employer contributions. The forfeiture account balance at December 31, 2017 and 2016 amounted to \$6,394 and \$17,968, respectively.

Investment Options

Upon enrollment in the Plan, a participant may direct the investment of their contributions to various investment options offered by the Plan. The Plan allows participants to change their investment options daily.

Notes Receivable from Participants

A participant may borrow from their fund account a minimum of \$1,000 up to a maximum equal to the lesser of 50% of a participant's vested account balance or \$50,000. The loans are secured by the balance in the participant's account and bear interest at a rate based on the current market rate, as determined by the Plan administrator, at the time of the loan application. At December 31, 2017 and 2016, the interest rates on participant loans ranged from 4.25% to 5.25% and 4.25% to 4.50%, respectively. Principal and interest is paid ratably through payroll deductions.

Plan Administration

The Plan is administered by the Company. The Plan assets are maintained by its trustee, Fidelity Management Trust Company (the "Trustee").

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or monthly, quarterly or annual installments over a period not to exceed the participant's estimated life expectancy. If the participant's vested account balance is less than \$1,000 at the date of death, disability, retirement or termination of employment, then that balance shall be distributed in a single lump-sum payment. For termination of services for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their allocation of Company contributions.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition

All of the Plan's investments are stated at fair value. Shares of mutual funds are valued at quoted market prices at year end. The fair value of the Plan's interest in a common collective trust is valued at NAV per unit as a practical expedient to estimate fair value. NAV is determined to be contract value, the value at which participants ordinarily transact. Security transactions are recorded on a trade date basis, which is the date the order to buy or sell is executed. Interest income is accrued on a daily basis. Dividend income is recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Certain administrative functions are performed by employees of the Company. No such employees receive compensation from the Plan. Certain administrative expenses, such as professional fees, are paid directly by the Company. Plan expenses are recorded when incurred.

Party-In-Interest Transactions

Certain Plan investments are managed by Fidelity Investments, an affiliate of the Trustee, and therefore, these transactions qualify as party-in-interest transactions.

Risk and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Concentrations

All of the Plan's assets are held by the Trustee, located in Boston, Massachusetts.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY FIDELITY MANAGEMENT TRUST COMPANY (UNAUDITED)

The following information included in the accompanying financial statements and supplemental information was obtained from data that has been prepared by and certified as complete and accurate by the Plan's trustee, Fidelity Management Trust Company.

	2017	2016
Investments	\$ 8,345,240	\$ 6,859,717
Notes receivable from participants	90,861	139,995
	<u>\$ 8,436,101</u>	<u>\$ 6,999,712</u>

For the year ended December 31, 2017, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) in mutual funds appreciated in value by \$981,360. In addition, interest and dividends relating to the Plan's investments and interest on notes receivable from participants amounted to \$357,675 and \$4,765, respectively.

NOTE 4. FAIR VALUE MEASUREMENT

Generally accepted accounting principles require the Plan to report its investments at estimated fair value on a recurring basis. Fair value is measured by a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A description of the valuation methodologies the Plan uses for assets measured at fair value is included in Note 2. There have been no changes in the methodologies used at December 31, 2017 and 2016.

The methodologies may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4. FAIR VALUE MEASUREMENT (Continued)

The following table presents information about the Plan's assets measured at fair value as of December 31, 2017 and 2016:

ASSETS, at fair value as of December 31, 2017	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	\$ 8,180,620	\$ -	\$ -	\$ 8,180,620
Total investments in the fair value hierarchy	<u>\$ 8,180,620</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 8,180,620
Common collective trust, measured at NAV (a)				<u>\$ 164,620</u>
Total investments measured at fair value				<u>\$ 8,345,240</u>

ASSETS, at fair value as of December 31, 2016	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	\$ 6,561,260	\$ -	\$ -	\$ 6,561,260
Total investments in the fair value hierarchy	<u>\$ 6,561,260</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 6,561,260
Common collective trust, measured at NAV (a)				<u>\$ 298,457</u>
Total investments measured at fair value				<u>\$ 6,859,717</u>

- (a) In accordance with ASU 2015-07, certain investments that are measured at fair value using NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits. There are currently no redemption restrictions or unfunded commitments on these investments.

There were no transfers between the levels of the fair value hierarchy during the year ended December 31, 2017.

NOTE 5. INCOME TAX STATUS

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan assesses its tax positions in accordance with *"Accounting for Uncertainties in Income Taxes"* as prescribed by the *Accounting Standards Codification*, which provides guidance for financial statement recognition and measurement of uncertain tax positions taken or expected to be taken in a tax return for open tax years (generally a period of three years from the later of each return's due date or the date filed) that remain subject to examination by the Plan's major tax jurisdictions.

The Plan assesses its tax positions and determines whether it has any material unrecognized liabilities for uncertain tax positions. The Plan records these liabilities to the extent it deems them more likely than not to be incurred. Interest and penalties related to uncertain tax positions, if any, would be reclassified as a component of income tax expense.

The Plan believes that it does not have any significant uncertain tax positions requiring recognition or measurement in the accompanying financial statements.

NOTE 6. COMMON COLLECTIVE TRUST

The Fidelity Managed Income Portfolio ("MIP") is a common collective trust investing primarily in guaranteed investment contracts ("GIC"), synthetic GICs, and U.S. government securities. The GICs are fully benefit-responsive.

Participants ordinarily may direct the withdrawal or transfer of all or a portion of their investment at contract value on a daily basis with no advance notice. If the Plan initiates a full redemption of the investment in the MIP, Fidelity reserves the right to require up to 12 months' notification to ensure that securities liquidations will be carried out in an orderly business manner.

Certain events limit the ability of the Plan to transact at contract value with Fidelity. Such events could include, but are not limited to, the following: the Plan's failure to qualify under the Internal Revenue Code; the establishment of a Plan or similar investment option that competes for participant contributions; changes in laws or regulations that could have a material adverse effect on the MIP's cash flow; communication to participants influencing them to not invest in the MIP. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.
