A - DESCRIPTION OF PLAN

The following description of the Ace World Companies 401(k) Plan (the "plan") is provided for general information purposes only. The plan sponsor is Ace World Companies, Ltd. Participants should refer to the Summary Plan Description (SPD) for additional information.

General

The plan was adopted effective January 1, 1994 and has been subsequently amended to conform to Federal regulations and is a qualified defined contribution plan covering all eligible employees of Ace World Companies, Ltd. (the Company) who are 21 years of age or older and have completed one year of employment. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). America's 401k, Inc. is the third-party administrator for the plan and TD Ameritrade Trust Company is the custodian. The custodian of the plan has been designated to hold the assets of the plan for the benefit of plan Participants and their beneficiaries in accordance with the terms of this plan. The Trust Fund established by the plan's custodian will be the funding medium used for the accumulation of assets from which plan benefits will be distributed.

Allocations

Assets of the plan are allocated to participant accounts based on specific contributions made by each participant and respective matches made by the Company. Investment income (loss) is credited to each account based on appreciation (depreciation) of specific assets held in each participants account and any earnings thereon.

Contributions

In order to allow participants the opportunity to increase their retirement income, each participant may, in accordance with nondiscriminatory procedures established by the administrator, elect to make employee voluntary contributions to the plan. Such contributions must generally be paid to the custodian within a reasonable period of time after being received by the employer. There are two types of salary deferrals: Pre-Tax 401(k) deferrals and Roth 401 (k) deferrals. Corrective distributions may be required in the event that employee contributions exceed contribution limitations of the plan. Such amounts, if incurred, are recorded as a liability in the year in which they are initially contributed to the plan. In addition, they are netted against contributions received in the statement of changes in net assets available for benefits. The Company made $133,041 of safe harbor matching contributions to the plan during in 2017.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of the participant's accounts plus actual earnings thereon is 20% after two years of service increasing 20% each year until fully vested after six years of service. A participant will be fully vested in all of their accounts under the plan (including those accounts attributable to the adopting employer's contributions) upon reaching the plan's normal retirement age (age 65), their disability or death as well as termination of the plan.

A - DESCRIPTION OF PLAN (Continued)

Payment of benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equivalent to the value of the vested interest in their account. For termination of service due to other reasons, participants with account balances of $5,000 or less, but more than a $1,000 and fail to timely respond to a written notice will be involuntarily transferred to a rollover IRA. Accounts with balances of less than $1,000 will be distributed as a lump-sum payment. A terminated participant may receive a distribution of their account at any point. The plan does not require participant consent for distributions of $5,000 or less.

A participant may receive a hardship distribution of their salary reduction contributions if the distribution is (1) on account of medical expenses incurred by the participant, their spouse or dependents, (2) to purchase (excluding mortgage payments) a principal residence of the participant, (3) for the payment of tuition, related educational fees and room and board for the next twelve months of post-secondary education for the participant, their spouse, children or dependents, (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence, (5) payments for burial or funeral expenses of your deceased parent, spouse, children or other dependents, or (6) expenses for the repair of damage to your principal residence that would qualify for the casualty deduction under the Internal Revenue Code.

Forfeitures

The Employer may use forfeitures to pay plan expenses or to reduce amounts otherwise required to be contributed to the plan. There were no unallocated forfeitures as of December 31, 2017.

Participant accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution and (b) plan earnings. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Investment options

The plan allows a participant to direct investments of the balance of their participant account. If a participant does not elect to direct the investment of their account, then the account will be invested in accordance with the default investment alternatives established under the plan.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time, and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts. Because the plan is a defined contribution plan, it is not covered by Pension Benefit Guaranty Coverage insurance.

A - DESCRIPTION OF PLAN (Continued)

Notes receivable from participants

Participant loans are permitted under the plan. A participant can borrow the lesser of fifty percent of their vested account balance or $50,000. The initial loan must at least $1,000. All loans are considered directed investment of the participant's account and all payments of principal and interest will be credited to their account. A participant may only have one loan outstanding at any given time. Loan terms may not exceed five years except in the case of a loan for a primary residence which may not be longer than ten years. The participant's loan is collateralized by the balance in the participant's account and bears interest at a fixed, commercially reasonable rate. Principal and interest are paid ratably through payroll deductions each pay period.

Participant rollovers

Participants are allowed to transfer or rollover funds into the plan from other qualified plans.

Administrative expenses

Any fees related to the administration of the plan or associated with the investment of plan assets may be paid by the plan or by the plan sponsor. If the sponsor does not pay plan-related expenses, such fees or expenses will generally be allocated to the accounts of participants either proportionally based on the value of account balances or as an equal dollar amount based on the number of participants in the plan.

B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following summary of the plan's significant accounting policies is presented to assist in understanding the financial statements. The financial statements and notes are representations of the plan's management, who is responsible for their integrity and objectivity.

Basis of presentation and use of estimates

The plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The accrual basis of accounting requires the use of estimates and assumptions that affect the assets, liabilities, revenues and expenses reported in the financial statements, as well as amounts included in the notes thereto, including discussion and disclosure of contingent liabilities. Although the plan uses its best estimates and judgments, actual results could differ from these estimates as future confirming events occur.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded on the cash basis when received. Related fees are charged directly to the borrowing participant's account when incurred. As of December 31, 2017 and 2016, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributions

Contributions from employees are recorded in the period in which they are deducted from participant earnings. Company contributions may be recorded when received or accrued.

Plan expenses and payments of benefits

Plan expenses and the payment of benefits are recorded when paid by the plan.

Fair value measurements

The framework for measuring fair value is a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted price in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1

Fair values are based on unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2

Fair values are based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly or indirectly.

Level 3

Fair values are based on at least one significant unobservable input for the asset.

As of December 31, 2017 and 2016, the plan did not own any investments which were required to be measured at fair value. Consequently, the tabular presentation of the fair value hierarchy of investments (required by GAAP) which would normally appear in these types of financial statements has been excluded.

For the year ended December 31. 2017, the plan had net realized/unrealized gain(loss) of $382,943. The carrying value of notes receivable from participants, other receivables and accounts payable approximate their fair values at December 31, 2017 and 2016, respectively.

C - INVESTMENTS

Common/collective trusts

Common/collective trusts (CCTs) as defined, are pooled investment vehicles sponsored and maintained by a bank or trust company. Principal has a trust company subsidiary that establishes trusts and maintains their activities. The plan's investment in a CCTs is not considered part of an insurance company's assets like pooled separate accounts and is therefore not subject to insurance regulations. Common collective trusts are valued using the net asset value (NAV) method with no liquidity restriction.

D - TAX STATUS

Ace World Companies 401(k) Plan is based upon a volume submitter plan instrument from America's 401k, Inc. which received an IRS advisory letter dated March 31, 2014. The volume submitter plan instrument has been updated for legislative and regulatory changes. Management committee of America's 401k, Inc. and plan administrator believe that the plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the plan's financial statements.

F – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (Unaudited)

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the custodian.

Investment assets at December 31,	2017	2016
Common/collective trusts	$ 3,991,949	$ 3,290,291
Notes receivable	80,098	51,742
Net investment income and expenses	$ 722,755	N/A

G - ADMINISTRATIVE FEES

The plan paid the following administrative expenses in the current year.

America's 401(k), Inc.	$ 9,325
Schultz Wealth, Ltd	16,068
	$ 25,593

The sponsor continues to incur the expenses for the plan such as payroll administration and the fee paid to the auditor.

H - CONCENTRATIONS OF RISK

The following is a summary of financial instruments subject to credit risk at year end.

Investment securities

The plan's investments are not insured by agencies of the United States government. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for plan benefits. The maximum amount of loss due to credit risk that the plan would incur if parties to the financial instruments failed to perform according to the terms of the contracts and the collateral, if any proved to be of no value, would approximate the balances that appear on the Statement of Net Assets Available for Benefits.

H - CONCENTRATIONS OF RISK (Continued)

Notes receivable from participants

As discussed in Note A above, if a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

General business economy

Certain events limit the ability of the plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any events which would limit the plan's ability to transact at contract value with participants are probable of occurring.

I - PARTY IN INTEREST TRANSACTIONS

America's 401k, Inc. is the third party administrator of the plan. TD Ameritrade Trust Company held the plan's investment assets and executed investment transactions for the year. As such, both entities are considered parties in interest with respect to the plan.

J - DATE OF MANAGEMENT'S REVIEW

The plan's management has evaluated subsequent events through date of the independent auditor's report, which is the date the financial statements were available to be issued.
