Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Charles Schwab Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2017 and 2016, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

1. DESCRIPTION OF PLAN

The following description of the MW&E Savings and Retirement Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees (staff and associate attorneys), individual partners, and corporate partners of McDermott Will & Emery (the Firm) who have adopted the Plan, and employees of these corporate partners. Employees and partners become eligible to participate in the Plan beginning on the first date on which they are employed by or associated with the Firm. An individual partner having either a capital interest or income interest in the Firm exceeding 10% of the aggregate of such interest of all partners is not eligible to participate in the Plan.

Contributions

A participant may elect to have the Firm make a 401(k) contribution to the Plan on his or her behalf in an amount ranging from 1% to 75% of the participant's earnings. A participant may also make voluntary (after-tax) contributions to the Plan ranging from 1% to 10% of his or her earnings. 401(k) and voluntary contributions in the aggregate are limited to 75% of earnings. The Firm makes a matching contribution equal to 25% of the first 4% of a staff participant's 401(k) contribution, after the participant has met a one-year service requirement. After a participant has completed two years of service, the Firm makes an additional annual contribution equal to the sum of 6.50% of the participant's earnings plus 5.70% of the participant's earnings in excess of the Social Security wage base for the year, provided the participant is employed by or associated with the Firm on the last day of the year. In addition, the Firm may make a discretionary contribution at a rate, if any, specified by the Firm for income partners over the age of 45 and capital partners who have met a two-year service requirement. The discretionary contribution was 2.82% for 2017 and 2.56% 2016.

Investment Options

Participants may direct all their contributions among one or more funds subject to the allocation limitations set forth in the Plan. Changes in allocation of future contributions and transfers among funds of presently invested contributions are permitted pursuant to the Plan's provisions.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, any firm contributions, and an allocation of the Plan's earnings (losses). Allocations of earnings (losses) are based on participant account balances, as defined. Certain plan administrative expenses are charged to the account of the participant to which they relate. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested benefit.

Vesting

Each participant is fully vested in his or her account at all times. The benefit to which a participant is entitled consists of the entire amount credited to his or her plan account.

Payment of Benefits

When a participant becomes entitled to a payment under the Plan, the total amount of the participant's account will be paid in a lump sum and/or by purchase of an annuity contract issued on his or her life. If the participant is married, payment of a portion of the participant's account will be in the form of a qualified joint and survivor annuity, unless waived by the participant with the spouse's consent.

Notes Receivable from Participants

Participants may take loans against their balance, limited to the lesser of 50% of their account balance or $50,000, with a maximum of three loans outstanding at any one time. The minimum loan allowed is $1,000. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with the local prevailing prime rate plus 1/2% at the date of origination, as determined by the plan administrator. Principal and interest are repaid through payroll deduction over a period of up to five years.

Administrative Expenses

Certain management and legal services are provided to the Plan without charge by the Firm. Recordkeeping, administrative loan fees, and investment management fees are paid by the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (USGAAP).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with USGAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value as determined by the trustee of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment adviser, and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 or 2016. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Subsequent events are events or transactions that occur after year end but before financial statements are issued or are available to be issued. These events and transactions either provide additional evidence about conditions that existed at year end, including the estimates inherent in the process of preparing financial statements (that is, recognized subsequent events), or provide evidence about conditions that did not exist at year end but arose after that date (that is, nonrecognized subsequent events).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Events (Continued)

The Plan has evaluated subsequent events through October 11, 2018, which was the date that these financial statements were available for issuance, and determined that there were no significant nonrecognized subsequent events through that date.

Reclassifications

Certain amounts as reported in the prior year have been reclassified to conform to the current year presentation.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2: Inputs to the valuation methodology include the following other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

a. Quoted prices for similar assets or liabilities in active markets,

b. Quoted prices for identical or similar assets or liabilities in inactive markets,

c. Inputs other than quoted prices that are observable for the asset or liability, and

d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

3. FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Common stocks, exchange traded funds, corporate bonds, and U.S. government securities: Valued at the closing price reported on the active market on which the individual securities are traded.

Money market fund: Valued at the daily closing price as reported by the fund based on the market on which the individual securities are actively traded.

Mutual funds, unit investment trusts (UITs), and real estate investment trusts (REITs): Valued at the daily closing price as reported by the mutual fund, UIT, or REIT. Mutual funds, UITs, and REITs held by the Plan are open-ended investments that are registered with the U.S. Securities and Exchange Commission. These investments are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds, UITs, and REITs held by the Plan are deemed to be actively traded.

Collective trust: Investments are valued using the NAV provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. There were no unfunded commitments or restrictions and investments may be redeemed daily. The fund invests in guaranteed investment contracts and stable value funds issued by insurance companies, banks, or other financial institutions.

Self-directed brokerage accounts: Accounts consist of U.S government bonds, common stock and preferred stock, corporate bonds, unit investment trusts, exchange-traded funds, and real estate investment trusts.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

3. FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017 and 2016:

	Assets at Fair Value as of December 31, 2017			
Description	Level 1	Level 2	Level 3	Total
Money market fund	$ 33,835,979	$ -	$ -	$ 33,835,979
Mutual funds	639,741,007	-	-	639,741,007
Self-directed accounts	79,740,752	3,326,575	-	83,067,327
TOTAL	$ 753,317,738	$ 3,326,575	$ -	756,644,313
Investments measured at net asset value [(a)]				10,954,700
TOTAL INVESTMENTS AT FAIR VALUE				$ 767,599,013

	Assets at Fair Value as of December 31, 2016			
Description	Level 1	Level 2	Level 3	Total
Money market funds	$ 35,291,970	$ -	$ -	$ 35,291,970
Mutual funds	553,638,336	-	-	553,638,336
Self-directed accounts	73,746,212	3,932,521	-	77,678,733
TOTAL	$ 662,676,518	$ 3,932,521	$ -	666,609,039
Investments measured at net asset value [(a)]				13,262,569
TOTAL INVESTMENTS AT FAIR VALUE				$ 679,871,608

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

3. FAIR VALUE MEASUREMENTS (Continued)

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table presents the fair value, unfunded commitments, redemption frequency, and redemption notice period for plan investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2017 and 2016:

	Fair Value		Unfunded Commitment			Redemption
Investment	2017	2016	2017	2016	Redemption Frequency	Notice Period
Collective trust fund Mellon Stable Value Fund	$10,954,700	$13,262,569	$ -	$ -	Daily	*

* Investments in this category can be redeemed immediately at the participant level and in 12 months at the plan level, at the current NAV per share based on the fair value of the underlying assets.

Changes in Fair Value Levels

The Plan assesses the levels of the investments at each measurement date and transfers between levels are recognized on the actual date of the event or change in circumstances that caused the transfer in accordance with the Plan's accounting policy regarding the recognition of transfers between levels of the fair value hierarchy. For the years ended December 31, 2017 and 2016, there were no such transfers.

4. CERTIFICATION OF FINANCIAL INFORMATION

The following financial data included in the accompanying financial statements and supplemental schedules as of and for the years ended December 31, 2017 and 2016 has been certified as complete and accurate by Charles Schwab Trust Company (Charles Schwab) the trustee of plan assets, and has not been audited by the independent auditors for the Plan: investments at fair value, notes receivable from participants, interest and dividends, interest on notes receivable from participants, and net appreciation in fair value of investments.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Firm may determine.

6. TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Firm by letter dated April 18, 2018, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

USGAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2017 and 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PARTY-IN-INTEREST TRANSACTIONS

The Plan issues loans to participants, which are secured by the vested balance in the participant's accounts and certain administrative fees related to the administration of the Plan were paid by the Plan or by the Company. These transactions qualify as party-in-interest. Employees of the Company provide administrative services to the Plan for which no fees are charged.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. PROHIBITED TRANSACTIONS

During 2017, the Company failed to remit to the Plan's trustee certain employee contributions totaling $16,059 within the period prescribed by Department of Labor's regulations. Delays in remitting contributions to the trustee were due to administrative errors, and the Company has made contributions to the affected participants' accounts to compensate those participants for potential lost income due to the delays.
