INDEPENDENT AUDITORS' REPORT

To the Administrator of the
Arway Confections 401(k) Retirement Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Arway Confections 401(k) Retirement Plan (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2017, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 1, which was certified by Glenview State Bank, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2017, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter—Supplemental Schedule

The supplemental schedule of assets (held at end of year) as of December 31, 2017 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter—2016 Financial Statements

The financial statements of the Plan as of December 31, 2016 were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Glenview State Bank, the trustee of the Plan. Their report, dated October 3, 2017, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan:

The following description of the Arway Confections 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

a. General:

The Plan is a defined contribution plan covering all employees of Arway Confections, Inc. (the Company) who have attained 18 years of age and completed one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's administrator oversees governance of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

b. Contributions:

Each year, participants may contribute a percentage of pretax annual compensation, as defined in the Plan document. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers).

Discretionary matching contributions may be made on behalf of all active and terminated participants who made a pretax contribution to the Plan during the year, regardless of the amount of service the participant completed during the Plan year. The Company may also make discretionary profit sharing contributions on behalf of participants who have completed one year of service and who are employed on the last day of the Plan year. For the year ended December 31, 2017, the Company made no matching or profit sharing contributions. However, the Company did make a corrective contribution of $4,143 during 2017 as a result of the Plan’s Actual Deferral Percentage (ADP) test for Plan year 2016.

The Plan currently offers various mutual funds and a common trust stable value fund as investment options for participants. The investment of participant, matching and profit sharing contributions into these investment options is determined by each participant. Contributions are subject to certain limitations.

c. Participant Accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan.

Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Description of Plan – continued:

d. Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and profit sharing portions of their account is based on years of continuous service. A participant is 100% vested after six years of credited service.

As is more completely described in the Plan document, a participant also becomes 100% vested in the Company's matching and profit sharing portions of their account through attaining their normal retirement date, early retirement date, permanent disability or death.

e. Notes Receivable from Participants:

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at fixed rates equal to 1% over the prime rate in effect at the time the loan is made. Principal and interest is paid ratably through automatic payroll deduction.

f. Payment of Benefits:

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments in accordance with the Plan document. For termination of service due to other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution.

The Plan provides for hardship withdrawals from a participant's contribution account. The Internal Revenue Service (IRS) safe harbor definition of hardship will apply.

The Plan also provides for in-service distributions from a participant's contribution account. The participant must have attained the age of 59 1/2.

g. Plan Trustee:

Glenview State Bank (GSB) was the trustee of all Plan assets at the end of both Plan years presented. In accordance with Regulation 2520.103-5 of the Department of Labor (DOL), the trustee has provided certified statements regarding the completeness and accuracy of the following investments and related income.

Accordingly, the Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted under such election, the Plan administrator instructed the Plan’s independent auditors not to perform any auditing procedures with respect to the information

1. Description of Plan – continued:

   g. Plan Trustee – continued:

   certified by GSB, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplementary schedule. The following summarizes the unaudited (except to the extent discussed above) information certified by the Plan's trustee.

   Investments, at fair value, as of December 31, 2017 and 2016, and investment income for the year ended December 31, 2017, as certified by the trustee:

	2017			2016
	Fair Value	Dividend Income	Net Appreciation in Fair Value of Investments	Fair Value
Common trust stable value fund	$ 347,531	$ 4,898	$ -	$ 371,478
Mutual funds	3,926,586	207,232	686,829	3,132,417
	$4,274,117	$212,130	$686,829	$3,503,895

2. Summary of Significant Accounting Policies:

   a. Date of Management's Review:

   The Plan has evaluated subsequent events through August 30, 2018, which is the date the financial statements were available to be issued.

   b. Basis of Accounting:

   The financial statements of the Plan are prepared on the accrual basis of accounting.

   c. New Accounting Pronouncements:

   In May, 2015, the Financial Accounting Standards Board (FASB) issued ASU 2015-07, Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent). The ASU exempts investments measured using the net asset value (NAV) practical expedient in ASC 820, Fair Value Measurement, from categorization within the fair value hierarchy. The guidance is effective for fiscal years beginning after December 15, 2016. Accordingly, the standard was early adopted and retrospectively applied to 2016, resulting in certain investments that are measured at NAV not being categorized in the fair value hierarchy. See Note 3.

2. Summary of Significant Accounting Policies – continued:

c. New Accounting Pronouncements – continued:

In July, 2015, the FASB issued ASU 2015-12, Plan Accounting: Defined Contribution Pension Plans (Topic 962). This three-part standard simplifies employee benefit plan reporting with respect to fully benefit-responsive investment contracts and plan investment disclosures, and provides for a measurement date practical expedient. Parts I and II are effective for fiscal years beginning after December 15, 2015 and should be applied retrospectively. Part III is effective for fiscal years beginning after December 15, 2015 and should be applied prospectively. Management has adopted Part I - Fully Benefit-Responsive Investment Contracts and Part II – Plan Investment Disclosures. Accordingly, the standards were applied resulting in the elimination of the adjustment from fair value to contract value for fully benefit-responsive contracts, the disaggregation of investments only by general type, as well as the removal of certain investment disclosures that are no longer required under Part II. Part III is not applicable to this Plan.

d. Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

e. Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The administrator determines the Plan's valuation policies utilizing information provided by the investment trustee and advisor. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

f. Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2017 and 2016, no allowance for credit losses has been recorded.

2. Summary of Significant Accounting Policies – continued:

   f. Notes Receivable from Participants – continued:

      If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

   g. Excess Contributions Payable:

      Amounts payable to participants totaling $15,621 for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to participants' contributions for 2017. The Plan distributed the 2017 excess contributions to the applicable participants prior to March 15, 2018. Excess contributions payable at December 31, 2016 were $11,606.

   h. Payment of Benefits:

      Benefits are recorded when paid.

   i. Administrative Expenses:

      Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

3. Fair Value Measurements:

   The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

3. Fair Value Measurements – continued:

Assets measured at fair value for the Plan are as follows:

Mutual Funds

The fair value of mutual funds is based on quoted net asset values (NAV) of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Common Trust Stable Value Fund

The fair value of the common trust stable value fund is valued using the NAV, as provided by the administrator of the fund. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund (including guaranteed investment contracts issued by insurance companies, synthetic wrap contracts, and cash and cash equivalents), less its liabilities. The common trust stable value fund had no unfunded commitments as of December 31, 2017, and can be redeemed daily with no redemption price notice period or other redemption restrictions.

The following table presents the Plan's investments at fair value at December 31, 2017:

	Level 1	Level 2	Level 3	Totals
Mutual funds	$3,926,586	$ -	$ -	$3,926,586
Common trust stable value fund				347,531
Total assets at fair value	$3,926,586	$ -	$ -	$4,274,117

The following table presents the Plan's investments at fair value at December 31, 2016:

	Level 1	Level 2	Level 3	Totals
Mutual funds	$3,132,417	$ -	$ -	$3,132,417
Common trust stable value fund				371,478
Total assets at fair value	$3,132,417	$ -	$ -	$3,503,895

The Federated Capital Preservation Fund, a common trust stable value fund, is measured at fair value using NAV and, therefore, has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to reconcile the fair value hierarchy table to the amounts presented in the statement of net assets available for benefits.

3. Fair Value Measurements – continued:

The Plan applied the practical expedient as of December 31, 2017 and 2016 to its investment in the Federated Capital Preservation Fund, which has an objective of providing a high level of return that is consistent with also providing stability of investment return and preservation of capital.

Gains and losses (realized and unrealized) included in the statement of changes in net assets available for benefits for the year ended December 31, 2017 are reported in net appreciation in fair value of investments.

4. Common Trust Stable Value Fund:

The Plan's investment options include the Federated Capital Preservation Fund, a common trust stable value fund managed by Federated Investors, Inc. (Federated).

The Federated Capital Preservation Fund is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The stable value fund issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan and is not permitted to terminate the agreement prior to the scheduled maturity date.

The Federated Capital Preservation Fund's NAV represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at NAV.

Certain events would limit the Plan's ability to transact at contract value with Federated. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the common trust stable value fund issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

5. Party-in-Interest Transactions:

Transactions in the Plan's notes receivable from participants qualify as party-in-interest transactions which are exempt from prohibited transaction rules.
Certain employees of the Company provide administrative and trustee services to the Plan, but receive no compensation from the Plan for such services.

6. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in the Company's matching and profit sharing portions of their accounts.

7. Tax Status:

The Plan as adopted is a prototype non-standardized profit sharing plan sponsored by Glenview State Bank. The sponsoring organization has received a determination letter dated March 31, 2014 covering the prototype plan. A separate determination letter providing that the Arway Confections 401(k) Retirement Plan, as adopted, and the related trust are properly designed in accordance with applicable sections of the Internal Revenue Code has not been sought from the Internal Revenue Service.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is no longer subject to income tax examinations for years prior to 2014.

8. Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. Investment Concentrations:

Each of the following investments represents 5% or more of the Plan’s net assets as of December 31, 2017 and 2016:

	2017	2016
Mutual funds:		
Fidelity Select Technology Fund	$ 1,435,625	$ 1,032,906
Vanguard 500 Index Fund	344,871	265,215
Vanguard Health Care Fund	1,162,655	1,039,061
Vanguard Growth Index Fund	729,076	545,396
Common trust stable value fund:		
Federated Capital Preservation Fund	347,531	371,478

9. Investment Concentrations – continued:

During 2017, the Plan's investments (including investments bought, sold, and held during the year) increased in value by $686,829, the entire amount of which was attributable to the Plan's mutual funds.

10. Reconciliation of Financial Statements to Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2017 and 2016 to federal Form 5500:

	2017	2016
Net assets available for benefits per the financial statements	$ 4,322,548	$ 3,529,160
Plus amount accrued for excess contributions payable	15,621	11,606
Net assets available for benefits per Form 5500	$ 4,338,169	$ 3,540,766

The following is a reconciliation of the net increase in net assets available for benefits for the year ended December 31, 2017 per the financial statements to net income per Form 5500:

Net increase in net assets available for benefits per the financial statements	$ 793,388
Plus excess contributions payable at December 31, 2017	15,621
Less excess contributions payable at December 31, 2016	(11,606)
Net income per Form 5500	$ 797,403

11. Prohibited or Non-Exempt Transactions:

Pursuant to 29 CFR 2510.3-102 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, amounts paid by a Plan participant or withheld by an employer from a participant's wages for contribution to the Plan are Plan assets on the earliest date that they can reasonably be segregated from the employer's general assets. No violation of this regulation occurred during 2017.
