REPORT ON THE FINANCIAL STATEMENTS

We were engaged to audit the accompanying financial statements of the MorningStar Senior Living Retirement Plan, which comprise the Statement of Net Assets Available for Benefits as of December 31, 2017, and the related Statement of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

BASIS FOR DISCLAIMER OF OPINION

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by TD Ameritrade Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2017, that the information provided to the plan administrator by the trustee is complete and accurate.

DISCLAIMER OF OPINION

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

OTHER MATTER—2016 FINANCIAL STATEMENTS

The financial statements of the plan as of December 31, 2016 were audited by Watson Coon & Associates P.C., who merged with Wilson Downing Group, LLC to form Watson Coon Ryan, LLC as of January 1, 2018. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed Watson Coon & Associates P.C. not to perform, and they did not perform, any auditing procedures with respect to the information certified by the trustee (or custodian). Their report, dated October 12, 2017, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee (or custodian), were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

OTHER MATTER – SUPPLEMENTAL SCHEDULE

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, line 4i—Schedule of Assets (Held at End of Year) and Schedule H, Line 4a– Schedule of Delinquent Participant Contributions referred to as "supplemental information," which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

REPORT ON FORM AND CONTENT IN COMPLIANCE WITH DOL RULES AND REGULATIONS

The form and content of the information included in the financial statement and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

MORNINGSTAR SENIOR LIVING RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31,2017 and 2016

NOTE 1 - DESCRIPTION OF PLAN

The following description of the MorningStar Senior Living Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution 401(k) plan established January 1, 2007 and provides savings and retirement benefits to eligible employees of MorningStar Senior Management LLC (the Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

The Plan is administered by Retirement Plan Consultants. The Plan's trustee, TD Ameritrade Trust Company, is responsible for the custody and management of the Plan's assets.

Participation and Eligibility. The Plan was amended on October 17, 2014 to define eligibility to include all employees age 18 and over following completion of two months of service. Prior to October 17, 2014, eligibility required six months of service.

Contributions. Each year, eligible participants can contribute on a tax-deferred basis a portion of their annual compensation, subject to statutory limitations. Eligible participants may also contribute on an after-tax Roth basis a portion of their annual compensation, subject to statutory limitations. The maximum contribution allowed in 2017 was $18,000 ($24,000 for participants whose age was 50 or over by the end of 2017). Employees may also elect to contribute amounts representing distributions from other qualified plans. The Company may decide to make matching contributions and/or non-elective contributions to the Plan, although the Company is not required to contribute. The matching Company contribution is invested in the various options as directed by the participants. Additional amounts may be contributed at the option of the Company's management. No employer contributions were made during the years ended December 31, 2017 and 2016.

Participants are immediately vested in their contributions, including earnings thereon. All employers' matching contributions, including earnings thereon, become fully vested upon death or permanent disability. Additional vesting of employers' matching contributions are calculated according to the following schedule:

Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Employer contributions and earnings thereon which are forfeited by terminated participants are used to reduce subsequent administrative fees and Employer contributions. At December 31, 2017 and 2016 forfeited nonvested accounts totaled $299 and $299. During the year ended December 31, 2017, additional forfeitures of $0 were made and no forfeitures were used to offset administrative expenses.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of the Company's QNEC contribution, if applicable, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options. Upon enrollment in the Plan, a participant may direct their contributions into various investment options with registered investment companies and money market accounts. Participants may change their investment options daily.

Hardship Withdrawals. Participants may withdraw funds from their elective account only upon certain circumstances; however, participants may not defer salary for six months thereafter.

Payment of Benefits. Participants who terminate employment with the Employer receive a lump-sum distribution of their account balance in the event their vested account balance is less than $1,000. In the event their vested account balance is greater than $1,000, the participant can elect to receive or roll over the distribution.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition. The Plan's investments are stated at fair value as determined by TD Ameritrade Trust Company. Such fair values are based on their respective allocable shares of the valuation of the underlying investments in cash management trusts, stock funds and bond funds of registered investment companies, which are valued at quoted market prices. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits. Benefits are recorded when paid.

Expenses. Certain expenses of maintaining the Plan are paid directly by the Company and excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

	2017	2016
Registered Investment Companies	$827,946	$599,863

During 2017, the plan's investments (including gains and losses on investments bought and sold), as well as held during the year appreciated in value by $100,920 as follows:

Registered Investment Companies	$ 100,920

The plan also earned dividends, interest, and capital gains during the plan year ending December 31, 2017 as follows:

	2017
Interest and dividend income	$17,977

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Statement *Accounting Standards Codifications* (ASC) 820, *Fair Value Measurements and Disclosures,* provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Registered investment companies: Valued at the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets at Fair Value as of December 31, 2017

	Level 1	Level 2	Level 3	Total
Registered Investment Companies	$827,946	$ -	$ -	$827,946
Total Assets at Fair Value	$827,946	$ -	$ -	$827,946

Assets at Fair Value as of December 31, 2016

	Level 1	Level 2	Level 3	Total
Registered Investment Companies	$599,863	$ -	$ -	$599,863
Total Assets at Fair Value	$599,863	$ -	$ -	$599,863

NOTE 5 – RELATED PARTY TRANSACTIONS

The Plan sponsor has historically paid certain plan expenses. Management is not bound to pay such expenses in the future. Several of the investment fund options are subject to investment fees based on a percentage of invested assets, as disclosed in the fund's prospectus. All such fees are charged directly against the fund's investment performance and thus are not separately disclosed in the accompanying financial statements.

NOTE 6 - TAX STATUS

The Internal Revenue Service approved a master proto-type plan by a letter dated March 31, 2014, under which the Plan operates, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the determination letter, the plan administrator and the plan's tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8 – CORRECTIVE DISTRIBUTIONS

Plan management made corrective distributions from the Plan totaling $10,257 and $36,656 for the Plan years ended December 31, 2017 and 2016, respectively, due to over-contribution of salary deferrals. These have been presented as a decrease in the participant contributions reported on the financial statements.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2017 and 2016 to Form 5500:

	2017	2016
Net assets available for benefits per the financial statements	$ 826,962	$ 570,054
Excess contributions payable	10,257	36,656
Net assets available for benefits Per the Form 5500	$ 837,219	$ 606,710

The following is a reconciliation of corrective distributions per the financial statements for the year ended December 31, 2017, to Form 5500:

Corrective distributions per the financial statements	$ 10,257
2016 Excess contributions payable	36,656
2017 Excess contributions payable	(10,257)
Net corrective distributions per the Form 5500	$ 36,656

NOTE 10 – DELINQUENT CONTRIBUTIONS

In October 2018 the plan identified delinquent contributions and loan repayments made in 2017 which were identified as being delinquent. The delinquent deposits made in 2017 totaled $829.

The plan will deposit a corrective contribution to the plan for lost earnings on delinquent contributions in the plan year ended December 31, 2018.

NOTE 11– CONCENTRATIONS OF CREDIT RISK/RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balance and amounts reported in the accompanying statement of net assets available for benefits.

NOTE 12 – SUBSEQUENT EVENTS

In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through October 8, 2018, the date the financial statements were available to be issued.

Subsequent to year end the Plan changed record-keepers and custodians for the Plan. This is not expected to have a significant impact on Plan performance, but is expected to improve Plan Operations.
