Independent Auditors' Report

The Management **Northeast Great Dane Employees' 401(k) Plan and Trust**

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Northeast Great Dane Employees' 401(k) Plan and Trust (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2017 and 2016, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Great-West Trust Company, LLC, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2017, and 2016, that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As discussed in Note 1 to the financial statements, Northeast Great Dane, the plan sponsor, was acquired by Trudell Holdings, Inc. on December 2, 2017. Related to the acquisition, the Plan was terminated on December 1, 2017. Management determined liquidation was imminent. As a result, the Plan has changed its basis of accounting on December 1, 2017 to the liquidation basis. Our opinion is not modified with respect to this matter.

Other Matter

The supplemental Schedule H Part IV, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2017 are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements
December 31, 2017 and 2016

1. Plan Description

The following description of the Northeast Great Dane Employees' 401(k) Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant directed defined contribution plan which covers all nonunion employees of Leuner, Inc. (d.b.a. Northeast Great Dane or the "Company"). The Plan is administered by a third party and qualifies under Section 401(k) of the Internal Revenue Code ("IRC") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Company was acquired by Trudell Holdings, Inc. on December 2, 2017. Related to the acquisition, the Plan was terminated on December 1, 2017. As a result of the termination, all participants' accounts become 100% vested. All participant balances were distributed from the Plan during 2018.

Eligibility

An employee of the Company becomes an eligible participant in the Plan as of the first entry date following the date of employment, and the attainment of 21 years of age. There is no minimum service requirement to participate under the Plan. Once the participant satisfies the eligibility conditions, they will be eligible to participate under the Plan on the participant's entry date.

Contributions

An employee participating in the Plan may annually contribute through payroll deductions, amount up to a maximum as determined by the Internal Revenue Service, and may contribute amounts representing distributions from other qualified plans. Additionally, participants age 50 or over may make an additional "catch-up" contribution of up to \$6,000 in 2017 and 2016. Participants direct the investment of their contributions into various investment options offered by the Plan. A participant could suspend contributions at any time, or could increase or decrease their level of participation on the first day of each quarter of the Plan year.

The Company could make discretionary profit-sharing contributions as a uniform percentage of compensation or as a uniform dollar amount to the Plan to be allocated to all eligible participants. The allocation is based upon the ratio of the participant's compensation for the Plan year to the total compensation for the Plan year of all participants entitled to share in the contribution.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution and (b) Plan earnings and (c) is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The participant's account is reduced by withdrawals, losses on investments, and any forfeiture. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. Plan Description (*continued*)

Vesting

A participant is 100% vested in their contributions plus allocated earnings thereon. Vesting is based on years of continuous service. As previously discussed in connection with the plan termination, all participants become 100% vested. The participants' vesting in the Company's matching contribution will be determined in accordance to the following schedule:

<u>Years of Service</u>	<u>Vested Interest</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

A participant's vested interest in the Company's matching contribution will be 100% under the following conditions:

- a) Death or disability of participant while employed by the Company
- b) Attainment by participant of his/her normal retirement age
- c) Plan termination

Investment Options

Upon enrollment in the Plan, participants may direct their elective contribution and Company contribution into various investment options offered by the Plan. Participants may change their investment options at any time.

Notes Receivable from Participants

Participants could borrow from their accounts a minimum amount of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loans to participants are secured by the balance in the participant's account and bears an interest rate at commensurate with market rates for similar loans, as determined by the Plan administrator. Loans have various repayment terms generally limited to 5 years, unless that loan is used to purchase a principal residence, in which case, the loan must be repaid within a reasonable period of time. Principal and interest are paid ratably through biweekly payroll deductions.

1. Plan Description (*continued*)

Payment of Benefits

On termination of service for any reason, a participant shall receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or the vested amount will be automatically rolled over to an individual retirement account provider selected by the Plan Administrator if the vested balance is \$5,000 or less. If the participant's vested interest is over \$5,000, the participant may receive payment in a lump-sum amount or the balance will remain in the plan if the participant does not consent to a distribution.

Forfeitures

The forfeited, non-vested portion of a participant's account is lost upon termination of employment. Forfeited amounts are retained by the Plan and will first be used to pay any administrative expenses and any remaining forfeitures will be used to reduce future Company contributions. As of December 31, 2017 and 2016, forfeited non-vested accounts totaled \$4,800 and \$4,411. In 2017 and 2016, administrative expenses and employer contributions were reduced by \$5,478 and \$237 from forfeited non-vested accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based on the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist. At December 31, 2017 and 2016, all of the Plan's investments that were valued at fair value were valued using level 1 input. The Key Guaranteed Portfolio Fund was valued using level 2 input.

2. Summary of Significant Accounting Policies *(continued)*

Investment Valuation and Income Recognition

The Plan's investments that were valued at fair value were estimated by the Plan's custodian, Great-West Trust Company, LLC, based on quoted market values of the underlying assets at the Plan's year end.

Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily net asset value and to transact at that price.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2017 and 2016.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of the Plan are paid by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments.

2. Summary of Significant Accounting Policies (*continued*)

Accounting for Uncertainty in Income Taxes

The Plan recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Management has determined that the Plan had no uncertain tax positions that would require financial statement recognition and/or disclosure. The Plan administrator believes that the Plan is no longer subject to examinations by the applicable taxing jurisdictions for years prior to December 31, 2014.

Subsequent Events

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through October 8, 2018, the date which the financial statements were available for issue.

3. Information Certified (*Unaudited*)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Trust Company, LLC ("Great-West"), the custodian of the Plan, has certified the completeness and accuracy of all the investments reflected in the accompanying statements of net assets available for benefits as of December 31, 2017 and 2016, and the related investment activity reflected in the statements of changes in net assets available for benefits for the years then ended, the supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2017.

4. Investments

Key Guaranteed Portfolio Fund

The key guaranteed portfolio fund is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly.

4. Investments (*continued*)

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

5. Plan Termination

As discussed in Note 1, the plan was terminated on December 1, 2017 and its net assets were distributed to participants in 2018.

6. Tax Status

The Company has adopted a volume submitter prototype plan document which received an opinion letter from the Internal Revenue Service dated March 31, 2014, that the Plan is designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the letter; however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

7. Party-In-Interest Transactions

Certain investments of the Plan are managed by Great-West Trust Company, LLC. Great-West Trust Company, LLC is the custodian as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees of the Plan could borrow from their accounts and such loans qualify as party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants on the statements of net assets available for benefits.

Fees incurred by the Plan for investment management services are included in net depreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

8. Prohibited Transactions

During 2017, the Company failed to remit to the Plan participant's contributions and loan repayments totaling \$3,354 within the period described by the DOL regulations. The Plan has made the necessary corrections, which included lost earnings, in 2017.

9. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported herein the statements of net assets available for benefits.
