KENSINGTON VANGUARD HOLDINGS, LLC
PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

1 - DESCRIPTION OF PLAN

The following description of Kensington Vanguard Holdings, LLC Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more detailed and complete description of the Plan's provisions.

General

The Plan, effective January 1, 2004, is a participant directed, defined contribution plan covering all eligible employees of Kensington Vanguard Holdings, LLC, the plan administrator, and affiliated entities (collectively, the "Company"). Great-West Trust Company, LLC ("Great West") is the trustee. Employees are eligible to participate in the Plan after the completion of three months of employment. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 ("ERISA").

The Plan was restated on January 1, 2016 to implement safe harbor contributions. This brought the Plan into compliance with the Pension Protection Act restatement requirement.

Eligibility

Employees who have completed three consecutive months of service and are not considered an excluded employee are eligible to participate in the Plan. Eligible employees are able to enter the Plan on the first day of each quarter coinciding with or next following the date the requirements are met. The Plan excludes those employees who are non-resident aliens, covered by a collective bargaining agreement or are part-time, temporary or seasonal employees who work less than 1,000 hours of service.

Contributions - Employee and Employer

Eligible employees may contribute a specific percentage or dollar amount of their pre-tax salary as determined by the participant, (excluding fringe benefits, bonuses and commissions), as defined by the Plan, and subject to Internal Revenue Code ("IRC") limitations. Participants 50 years of age or older can contribute an additional "catch up" contribution.

The Company may make a safe harbor contribution to the Plan for all eligible employees at its discretion. The safe harbor contributions are equal to 100% of each Participant's elective deferrals up to 3%, plus 50% of the next 2% (up to 5%) of the Participant's elective deferrals. Participants must have completed at least 1,000 service hours during the plan year to receive the safe harbor contribution unless due to retirement.

Eligible employees may also elect to roll over distributions from a former employer's qualified retirement plan to the Plan.

1 - DESCRIPTION OF PLAN (Continued)

Investment Options
Participants may direct the investment of their contributions to the Plan into various investments offered by the Plan. Investment options include pooled separate accounts and a group annuity contract.

Empower Retirement Advisory Service ("Empower"), Great-West Life & Annuity Insurance ("Great-West"), and the Plan Sponsor monitor investment offerings, performances and expenses.

The Pension Protection Act created the Qualified Default Investment Alternative ("QDIA") which provides employers a safe harbor from fiduciary risk when selecting an investment for a participant or beneficiary who fails to elect his or her own investment. The Plan does not offer a QDIA.

Participants' Accounts
Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contribution, the Company's safe harbor contribution, if applicable, and plan earnings. Each participant's account is charged with withdrawals and plan losses and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting
Participants are immediately vested in their voluntary contributions, the earnings related to those contributions and safe harbor matching contributions.

Vesting in the Company's matching contributions plus earnings thereon is based on periods of service according to the vesting table below:

Periods of Service	Vested Percent
1	20%
2	40%
3	60%
4	80%
5	100%

Participants are credited with a period of service for each twelve-month period from the date of employment until the date they terminate employment.

1 - DESCRIPTION OF PLAN (Continued)

Forfeitures
Forfeitures, as defined in the Plan document, when not used to pay administrative costs of the Plan or restore previously forfeited account balances, will be used to reduce employer safe harbor contributions. There is a $5,917 and $11 balance in the forfeiture account at December 31, 2017 and 2016, respectively. In 2017, no forfeitures were used to reduce employer safe harbor contributions.

Notes Receivable from Participants
Participants may borrow from certain vested investments a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loans are secured by the balance of certain investments in the participant's account and bear interest at 1% plus the prime rate on the first business day of the month before the loan is originated. Interest rates range from 4.75% to 5.25%. Participants may have up to two outstanding loans at any time. The term of a loan will not exceed five years except for in the case of a loan made for the purpose of acquiring a principal residence. No allowance for credit losses was deemed necessary at December 31, 2017 or 2016.

Payment of Benefits
Participants will be entitled to payment of the balance in their accounts upon termination of their employment or attainment of age 65. If the amount payable is greater than $5,000, written consent must be given before the distribution can be made. If the amount payable is less than $5,000, a lump sum distribution can be made following the date of termination. Mandatory distributions will start when a participant reaches age 70-1/2. Distributions may be taken in lump sum payments or in periodic installments over a period not to exceed the life expectancy of the participant.

Hardship Withdrawals
Prior to termination of employment, a participant may withdraw, subject to the Plan's notice requirements, all or a portion of the employee contributions value of his or her participant account in the event of demonstrated financial hardship, subject to the Plan's provisions. Withdrawals to which a participant is entitled are the amounts that can be provided by the contributions and income thereon (including net realized and unrealized investment gains and losses) allocated to each participant's account, less allocated expenses.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The Plan's financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates
The plan administrator uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets, reported changes in net assets available for benefits and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants
Notes receivable from participants represent participant loans that are recorded at their unpaid principal and interest balances plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned. Related fees are recorded as administrative expenses and are expensed when incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a deemed distribution is recorded.

Income Recognition
Net appreciation in the fair value of investments includes both realized and unrealized gains and losses bought and sold as well as held during the year, based on the value of assets at the beginning of the year or at the time of purchase during the year. Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is allocated based upon participant account holdings on the record date and is recorded on the ex-dividend payment date. Capital gain distributions are included in dividend income.

Payment of Benefits
Benefits are recorded when paid.

Administrative Expenses
Plan expenses not paid by the Company may be paid out of Plan assets provided that such payment is consistent with ERISA.

Management Fees and Operating Expenses
Management fees and operating expenses charged to the Plan for investments in pooled separate accounts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees are reflected in the net appreciation in fair value of such investments.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Events
The financial statements were approved by management and available for issuance on October 10, 2018. Management has evaluated subsequent events through this date.

3 - FAIR VALUE MEASUREMENTS (UNAUDITED)

Investment Valuation
GAAP defines fair value, provides guidance for measuring fair value and requires certain disclosures. GAAP discusses valuation techniques, such as the market approach (comparable market prices), the income approach (present value of future income or cash flow) and the cost approach (cost to replace the service capacity of an asset or replacement cost). GAAP provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels. The following is a brief description of those three levels:

Level 1: Observable inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in markets that are not active.

Level 3: Unobservable inputs that reflect management's own assumptions.

The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy:

Pooled separate accounts – Valued at its net asset value ("NAV") based on the market value of its underlying investments, the pooled separate accounts' NAV is not a publicly quoted price in an active market. The Plan's investment in these accounts is represented by units and a per unit value. The unit values are calculated by Great-West and fair value is reported at unit value, which is priced daily. For the underlying equity securities, Great-West obtains closing market prices for those securities traded on a national exchange. For bonds, Great-West obtains prices from a third-party pricing service using inputs such as benchmark yields, reported trades, broker/dealer quotes and issuer spreads. The pooled separate accounts held by the Plan are classified as level 2 investments.

Group annuity contract – Investments in the Group Annuity Contract (Stable Value Fund) are valued at NAV, which is used as a practical expedient for fair value. The use of NAV as fair value is deemed appropriate as there are no imposed redemption restrictions and the Plan does not have any contractual obligations to further invest in the Group Annuity Contract. The Stable Value Funds are not required to be classified within a level on the fair value hierarchy.

3 - FAIR VALUE MEASUREMENTS (UNAUDITED) (Continued)

The following tables summarize investment assets measured at fair value:

	Investments at Fair Value			
December 31, 2017	Level 1	Level 2	Level 3	Total
Pooled separate accounts	$ -	$ 851,010	$ -	$ 851,010
Total assets in the fair value hierarchy	$ -	$ 851,010	$ -	$ 851,010
Group annuity contract (a)				298,985
Investments at fair value				$ 1,149,995

	Investments at Fair Value			
December 31, 2016	Level 1	Level 2	Level 3	Total
Pooled separate accounts	$ -	$ 425,665	$ -	$ 425,665
Total assets in the fair value hierarchy	$ -	$ 425,665	$ -	$ 425,665
Group annuity contract (a)				54,312
Investments at fair value				$ 479,977

(a) Certain investments that are measured at fair value using the NAV per share practical expedient have not been classified in the fair value hierarchy. The NAV amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments Measured Using the NAV Per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2017 and 2016.

Group Annuity Contract	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
December 31, 2017	$ 298,985	N/A	Daily	None
December 31, 2016	54,312	N/A	Daily	None

4 - TAX STATUS

The Internal Revenue Service has determined and informed the plan administrator by letter dated March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan will be allocated to participant accounts and distributed in such a manner as the Company may determine.

6 - PARTY-IN-INTEREST TRANSACTIONS

The Plan holds investments in certain pooled separate accounts managed by Great-West Life & Annuity Insurance Company, the trustee of the Plan, totaling $851,010 and $425,665 at December 31, 2017 and 2016. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

Certain officers and employees of the Company (who may also be participants in the Plan) perform administrative services related to the operation, recordkeeping and financial reporting of the Plan. The Company pays the salaries of these individuals and also pays other administrative expenses on behalf of the Plan. Certain fees, to the extent not paid by the Company, are paid by the Plan. These transactions are not deemed prohibited party-in-interest transactions because they are covered by statutory and administrative exemptions from the IRC and ERISA rules on prohibited transactions.

The Plan paid administrative fees of $1,677 to the parties-in-interest for the years ended December 31, 2017.

7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan may invest in securities with contractual cash flows, such as asset-backed securities, collateralized mortgage obligations and commercial mortgage-backed securities, including securities backed by subprime mortgage loans. The value, liquidity and related income of these securities are sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

8 - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE (UNAUDITED)

The following is a summary of the unaudited information regarding the Plan included in the Plan's financial statements as of December 31, 2017 and 2016 that was prepared by the trustee of the Plan and furnished to the plan administrator.
