Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Ginsberg's Institutional Foods, Inc. 401(k) Plan as of December 31, 2017 and 2016, and the changes in net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule listed in the accompanying index is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE A – PLAN DESCRIPTION

The following description of the Ginsberg's Institutional Foods, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General
The Plan is a defined contribution plan covering all employees of Ginsberg's Institutional Foods, Inc. (the "Company" or the "Sponsor") who are age 18 or older. Employees are not required to perform a minimum amount of service to become eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions
Each year, participants may make pretax savings contributions to the Plan through payroll deductions up to the maximum allowable under the Internal Revenue Code. Participants may also contribute distributions from other qualified defined benefit or contribution plans. Participants may direct the investment of their account balance into various investment options offered by the Plan. The Plan currently offers one fixed fund and several mutual funds as investment options for participants. Participants may change their investment options to prospectively increase or decrease the amount of their elective deferrals at times established by the Plan administrator in a uniform and nondiscriminatory manner. Matching contributions made by the Sponsor are calculated at 50% of the first 6% of the participant's pretax contributions. The Plan also contains a provision for a discretionary profit-sharing contribution. No discretionary profit-sharing contributions were made in 2017 or 2016.

Participant Accounts
Each participant's account is credited with the participant's contributions and allocations of (a) the Company's matching contributions, and (b) Plan earnings (losses). Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting
Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of participant accounts is based on years of continuous service. A participant is 100% vested after three years of credited service.

Payment of Benefits
On termination of service due to death, disability, retirement or for other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. The lump-sum amount may be paid in the form of a direct rollover to an IRA or another employer plan, or paid directly to the participant.

Forfeited Accounts
At December 31, 2017 and 2016, forfeited non-vested accounts totaled $5,365 and $16,045, respectively. Forfeitures of non-vested accounts are transferred to cash where the funds are held until used to reduce Company contributions for the subsequent plan year.

NOTE A – PLAN DESCRIPTION (CONTINUED)

Income Tax Status

The Plan is based on the Prototype Non-standardized Profit Sharing Plan with CODA of The ANGELL Pension Group, Inc., the Plan's administrator, and Trust Plan Document of Reliance Trust Company, the custodian of the Plan. The Plan administrator received a determination letter from the IRS stating that the Prototype Non-standardized Plan was designed in accordance with the provisions of the Internal Revenue Code. The Plan has not yet filed for its own determination letter from the Internal Revenue Service. However, the plan administrators believe that the Plan is designed and currently operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan's federal income tax returns for 2017, 2016 and 2015 are subject to examination by the IRS, generally for three years after having been filed.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value; the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note C).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Date of Management's Review of Subsequent Events

Subsequent events were evaluated through October 11, 2018, which is the date the financial statements were available to be issued. Based on management's review, at the time of issuance, there were no subsequent events requiring reporting or disclosure in the financial statements.

Administrative Expenses

The Company pays administrative costs of the Plan associated with any professional services provided to the Plan and the cost of communications to the participants.

NOTE C – FAIR VALUE MEASUREMENTS

The fair value measurement hierarchy prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements
The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Level 2 Fair Value Measurements
The fair value of the common collective trust is valued using a market approach on yields currently available on comparable securities of issuers with similar credit ratings, assets or liabilities or model-derived valuations.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017 and 2016:

	Assets at Fair Values as of December 31, 2017			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 8,554,333	$ -	$ -	$ 8,554,333
Common collective trust	-	617,328	-	617,328
TOTAL INVESTMENTS	$ 8,554,333	$ 617,328	$ -	$ 9,171,661

	Assets at Fair Values as of December 31, 2016			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 7,113,238	$ -	$ -	$ 7,113,238
Common collective trust	-	590,328	-	590,328
TOTAL INVESTMENTS	$ 7,113,238	$ 590,328	$ -	$ 7,703,566

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2017 and 2016, are reported in net appreciation in fair value of mutual funds.

NOTE C – FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2017 and 2016, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

The following investments represented 5% percent or more of the Plan's net assets at the beginning of the plan year:

	December 31, 2017	December 31, 2016
Mutual funds:		
MFS Growth Allocation Fund R2	$ 3,009,323	$ 2,493,812
MFS Aggressive Growth Allocation Fund R2	$ 2,068,801	$ 1,580,407
MFS Moderate Allocation Fund R2	$ 677,943	$ 612,464
Premier Barings High Yld R3	$ 417,859	$ -
Common collective trust:		
Invesco Stable Value Trust V	$ 617,328	$ 590,328

NOTE D – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contribution.

NOTE E – RISKS AND UNCERTAINTIES

The Plan invests in several mutual funds that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain mutual funds, it is at least reasonably possible that changes in the values of mutual funds will occur in the near term and that such changes could materially affect participant account balances and amounts reported in the statement of net assets available for benefits.

NOTE F – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500, SCHEDULE H

Financial information of the Plan is presented on the cash basis of accounting for the preparation of Schedule H of the Form 5500. The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of the Form 5500:
