1. DESCRIPTION OF PLAN

The following description of the Cinelease, Inc. Employees 401(k) Plan (the Plan) provides only general information of the Plan. Participants should refer to Plan documents for a more complete description of the Plan's provisions.

General

The Plan was created effective July 1, 1992. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is a voluntary defined contribution retirement savings plan which qualifies as a salary deferral plan under Section 401(k) of the Internal Revenue Code and is sponsored by Cinelease, Inc. (the Company or Sponsor). The Plan offers tax deferrals, payroll deductions, and several options for investing. The Plan is administered by the Company's management, who are responsible for all matters including, but not limited to, eligibility, rights to benefits and interpreting Plan documents.

Eligibility

All employees of the Sponsor who have attained age 18 are eligible to become participants in the plan on the first day of the month following one year from the date of hire.

Contributions

Participants

Pretax 401(k) Contributions

Participants may elect to contribute a portion of their compensation to the Plan as a pre-tax deferral. Section 401(k) of the Internal Revenue Code of 1986, as amended, and the Plan limit the amount certain highly compensated individuals may contribute, based on amounts contributed by lower compensated individuals. All participants in the Plan may contribute up to 15% of their eligible compensation (as defined by the Plan), limited to the maximum amount allowable by the Internal Revenue Code, which was $18,000 and subject to a compensation limit of $270,000 in 2017. In addition, participants 50 years and older may make catch-up contributions of up to $6,000 in 2017. If any participant's deferral for a year exceed the maximum allowance for the year, the excess amount must be returned to the participant as taxable compensation. Participants may suspend contributions or change their account balances among investment options at any time.

Rollovers

With the Plan Administrator’s approval, distributions from other qualified plans can be deposited into a rollover account in the Plan.

1. DESCRIPTION OF PLAN (Continued)

Employer

Matching and Profit Sharing Contributions

Employer matching and profit sharing contributions are made bi-weekly and the formula and the amount of the contributions are discretionary. For the year ended December 31, 2017, the Company made profit sharing contributions to the Plan representing 3% of participant's compensation, regardless of participant's deferral contribution level.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of respective investment income or losses by investment fund options. Allocations are based on participant account balances, as defined in the Plan document. The participant is only entitled to the vested portion of the matching contributions.

Vesting

Participants are immediately vested in their contributions plus earnings thereon. Vesting in the Company's matching and profit sharing contribution portion of their accounts plus actual earnings thereon is based on years of continuous service, as defined (a year is defined as the completion of 1,000 hours worked in a plan year). Each participant is entitled to 20% graded vesting and is fully vested at the end of the sixth service year.

The following is the Plan's vesting schedule:

Years of Service	Vesting Percentage
Less than 2	0 %
2	20 %
3	40 %
4	60 %
5	80 %
6 or more	100 %

Payment of Benefits to Participants

A participant having a separation of service due to retirement, disability (or if applicable, the beneficiary of a participant so separated), will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

1. DESCRIPTION OF PLAN (Continued)

Payment of Benefits to Participants (Continued)

Participants may make withdrawals from their individual accounts upon termination, death, disability, financial hardship (as defined by the Internal Revenue Service Safe Harbor Rules) or attainment of the normal plan retirement age of 65. Distribution of pre-tax contribution funds shall occur once the account receives a valuation after separation from employment or request for withdrawal. Benefit payments are recorded when paid.

A participant's benefit is the sum of the amounts credited to that participant's account. A participant may generally receive or elect to receive benefits in a lump-sum or another optional form.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $500 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. Loan terms range from one to five years or up to 30 years if the loan proceeds are used for the purchase of a primary residence. The loans are secured by the balance in participants' accounts and bear interest rates that range from 3.25% to 6.25%, which are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through bi-weekly payroll deductions and credited to the participants' accounts and invested in the same manner as regular contributions.

Forfeited Accounts

Forfeited balances of terminated participants' non-vested accounts may be used to reduce future Company contribution or to pay administrative expenses of the Plan. There were $14,755 and $9,573 forfeited non-vested accounts as of December 31, 2017 and 2016, respectively.

ERISA Bond Requirement

The Employee Retirement Income Security Act of 1974 (ERISA) requires that every person who handles funds or other property of the Plan be bonded. The bond coverage is to be determined by the balance of the total plan assets and is required to be at least equal to the lesser of 10% of the Plan's assets at the beginning of the Plan year or $500,000. For the year ended December 31, 2017, the Plan was in compliance with ERISA bond requirement.

Excess Contributions Payable

Net excess contributions refunded to certain active participants as required to satisfy the relevant nondiscrimination provisions of the Plan are recorded as excess contributions payable in the Plan's statement of net assets available for benefits, with corresponding reductions to 2017 contributions. There were no excess contributions for the years ended December 31, 2017 and 2016.

2. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the exdividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 and 2016. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Investment Fees

Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain investment management fees and other charges paid to the custodian are offset against fund performance in the net appreciation section of the statement of changes in net assets available for plan benefits. For the year ended December 31, 2017, the investment fees paid by the Plan were $13,284.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

3. CERTIFICATION BY CUSTODIAN

Massachusetts Mutual Life Insurance Company, the custodian of the Plan, has certified that the following information included in the financial statements and supplemental schedule as of December 31, 2017 and 2016 and for the year ended December 31, 2017, is complete and accurate:

A. Investments and participant loans as included in the Statements of Net Assets Available for Benefits.

B. All information pertaining to investment income and investment expenses-fees in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2017.

C. Schedule of Assets (Held at End of Year) - December 31, 2017.

4. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Massachusetts Mutual Life Insurance Company (MassMutual). MassMutual is the custodian as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative services amounted to $1,833 for the year ended December 31, 2017.

5. FAIR VALUE FINANCIAL INSTRUMENTS

Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 - Inputs to the valuation methodoog are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

a. Quoted prices for similar assets or liabilities in active markets
b. Quoted prices for identical or similar assets or liabilities in inactive markets
c. Inputs other than quoted prices that are observable for the asset or liability
d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

5. FAIR VALUE FINANCIAL INSTRUMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Mutual Funds
Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017 and 2016. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2017

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 5,868,832	$ -	$ -	$ 5,868,832
Total assets at fair value	$ 5,868,832	$ -	$ -	$ 5,868,832

Assets at Fair Value as of December 30, 2016

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 4,648,681	$ -	$ -	$ 4,648,681
Total assets at fair value	$ 4,648,681	$ -	$ -	$ 4,648,681

Transfers Between Levels
For years ended December 31, 2017 and 2016, there were no transfers between Levels 1 and 2 and no transfers in or out of Level 3.

6. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan holds an investment contract that is considered a traditional investment contract. The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

6. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (Continued)

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.
6. Liquidating event as defined by the contract.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value.

7. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2008 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan takes an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to fiscal year 2014.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements at December 31, 2017, and 2016, to Form 5500.

	2017	2016
Net assets available for benefits per the financial statements	$ 6,480,276	$ 5,536,667
Amounts not received by the Plan	(21,907)	(19,725)
Net assets available for benefits per Form 5500	$ 6,458,369	$ 5,516,942

The following is a reconciliation of the contributions received per the financial statements for the year ended December 31, 2017, to Form 5500:

Contributions per the financial statements	$ 551,150
Contributions not received by the Plan as of December 31, 2017	(21,907)
Contributions not received by the Plan as of December 30, 2016	19,725
Total contributions per Form 5500	$ 548,968

9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of such termination, the Plan document provides for full vesting for all employer contribution, and participants will receive a distribution equal to the value of their individual accounts.

10. SUBSEQUENT EVENT

The parent company of Cinelease, Inc. made the decision to merge Cinelease, Inc. Employees 401(k) Plan into Herc Rentals 401(k) plan, effective December 10, 2018.

Subsequent events have been evaluated through October 11, 2018, which is the date the financial statements were available to be issued.
