The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

   The Plan sponsor was a wholly owned subsidiary of Time Warner Inc. (Time Warner), a Delaware corporation whose shares of common stock were listed on the New York Stock Exchange under ticker symbol “TWX”. See Note 8 for information regarding the merger of Time Warner and AT&T Inc. that was completed on June 14, 2018.

B. Participant Eligibility – An individual is not eligible to participate in the Plan if they are a resident of Puerto Rico, covered by a collective bargaining agreement, unless the agreement requires the employees to be included under the Plan, leased employees unless they are individually paid through Cast & Crew or BTL Payroll for services rendered to the Employer, or any individual who provides services as an independent contractor (with payments made from Cast & Crew or BTL Payroll, Inc. on behalf of a participating employer either directly to the individual or to their corporation on their behalf), even if the individual is subsequently deemed to be a common-law employee for any other purpose.

   Any employee of the employer must have entered into a three (3) year contract as of the employee's employment commencement date (unless grandfathered in the plan prior to 1/1/07) to be considered an eligible employee. Entry date is the first day of the month following three months of service.

C. Contributions - 401(k) – Eligible employees may elect to contribute to the Plan an amount not less than one percent (1%) of their annual compensation up to sixty percent (60%) of their annual compensation. Employees' contributions are limited annually by the Internal Revenue Service ($18,000 per individual plus a $6,000 catch-up contribution for individuals who are at least 50 years of age by the end of 2017).

D. Contributions - 401(k) - Employer- The Company has elected not to include discretionary matching contributions in the Plan.

E. Rollover - Participants are allowed to transfer amounts from certain other tax qualified plans to the Plan.

F. Participant Accounts - Each participant's account is credited with the participant's contribution, rollover, plus any plan earnings.

G. Vesting - Participants are immediately vested in their 401(k) contributions plus actual earnings thereon.

H. Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 reduced by the participant's highest outstanding loan balance during the prior twelve month period, or 50% of their account balance. These loans are secured by the balance in the participant's account and bear interest at as determined by the Plan Administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. Principal and interest is repaid in level payments through after-tax payroll deductions on at least a quarterly basis with terms not to exceed five years. However, if the loan is used for the purchase of the participant's principal residence, the terms may not exceed ten years.

The Plan Administrator shall consider a note receivable in default if any scheduled repayment remains unpaid as of the last business day of the calendar quarter following the calendar quarter in which the note receivable is initially considered past due. In the event of a default, death, disability or termination of employment, the entire outstanding principal balance and accrued interest shall be immediately due and payable, with the participant deemed to have received a taxable distribution from the Plan.

I. Payment of Benefits - Upon termination of service due to death, disability, retirement, termination of employment, or financial hardship, a participant may elect to receive a lump-sum amount equal to the value of his/her account. Benefits are recorded when paid.

J. Plan Administrative Costs - All significant costs of administering the Plan are paid by the Company.

K. Investment Options - Upon enrollment in the Plan, a participant may direct employee contributions to any of the available investment options.

Note 2 SUMMARY OF ACCOUNTING POLICIES

A. Basis of Accounting - The accompanying financial statements of the Plan have been presented on the accrual basis of accounting.

B. Estimates – The preparation of financial statements requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

C. Investment Valuation and Income Recognition - Investments are stated at the quoted market price on the last business day of the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Investments held by the Plan are stated at fair value. Notes receivable from participants are valued at their outstanding balances, which approximate fair value.

D. Plan Termination - Although it has not expressed any intent to do so, the Company reserves the right to terminate or modify the Plan at any time. In the event of termination of the Plan, the net assets of the Plan will be distributed to participants in accordance with the Plan's provisions and applicable law.

E. Tax Status - The Plan is an adoption of a prototype plan that was subject to a favorable opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, and the plan administrator believes the Plan has been operated in accordance with the applicable provisions of the Internal Revenue Code (IRC). The Company routinely self-reviews the administration of the Plan and self-corrects any compliance issues in accordance with the Employee Plan Compliance Resolution System. Accordingly, the plan administrator believes that the Plan and related trust are designed in accordance with applicable sections of the IRC and, accordingly, are exempt from income taxes.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other applicable taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan

administrator believes it is no longer subject to income tax examinations for plan years ending on December 31, 2015, or prior.

F. Notes Receivable from Participants - Notes are valued at their principal amounts, which approximates their fair value. These loans, which were made in accordance with provisions of the plan, earn interest at rates varying between 4.25% to 5.25% and 4.25% to 5.00% in 2017 and 2016, respectively, and are repayable in monthly installments with terms not to exceed five years, (unless the loan is for the purchase of principal residence, then the terms may not exceed ten years) or normal retirement age of the participant whichever comes first.

G. Forfeitures may be used to reduce the Company's future contributions to the Plan and/or to pay Plan expenses. At December 31, 2016 the balance of forfeitures was $559. During 2017, these forfeitures were used to pay Plan expenses and at December 31, 2017 the balance of forfeiture was $0.

H. Subsequent events have been evaluated through October 3, 2018, the date that these financial statements were available to be issued, and determined there were no material subsequent events other than as disclosed in Note 8.

Note 3 INVESTMENTS HELD WITH TRUST COMPANY

The information listed below was certified by Fidelity Management Trust Company (Fidelity) as accurate and complete in accordance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

	December 31, 2017	December 31, 2016
Commingled trust fund	$ 800,400	$ 997,345
Mutual funds	$ 27,064,751	$ 22,090,694
Dividend and interest income	$ 1,431,545	$ 1,000,365
Net appreciation in fair value of investments	$ 3,645,708	$ 293,234

Note 4 INVESTMENTS

Investments are recorded by the Plan on a trade date basis at fair value. The following is a description of the valuation methodologies used for assets measured at fair value.

Commingled trust fund: Valued at the net asset value per unit at year end as per Fidelity. Investments in the underlying commingled trust fund can generally be redeemed daily at net asset value.

Mutual funds: Valued at the net asset value of shares held by the Plan at year end.

Note 5 FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits.

	Quoted Prices in Active Markets for Identical Assets (Level 1) December 31, 2017	Quoted Prices in Active Markets for Identical Assets (Level 1) December 31, 2016
Mutual Funds	$ 27,064,751	$ 22,090,694
Total	$ 27,064,751	$ 22,090,694

Investments that are measured at fair value using the net asset value per share as a practical expedient have not been categorized in the fair value table above and are as follows:

	December 31,	
Asset Category	2017	2016
Commingled trust fund	$ 800,400	$ 997,345

FASB ASC Number 820-10 Fair Value Measurements establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 inputs were used.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

For the years ended December 31, 2017 and 2016, there were no transfers between levels.

Note 6 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are units of a commingled trust fund and shares of mutual funds that are managed by Fidelity Management Trust Company, the Trustee as defined by the Plan and, therefore, these are party-in-interest transactions, but these transactions are exempt by ERISA.

Note 7 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 8 SUBSEQUENT EVENTS

On October 22, 2016, Time Warner entered into an Agreement and Plan of Merger (the "Merger Agreement") among Time Warner, AT&T Inc., West Merger Sub, Inc. and West Merger Sub II, LLC that provided for Time Warner to be merged into a direct, wholly owned subsidiary of AT&T Inc. through a series of related transactions (the "Merger"). On November 20, 2017, the United States Department of Justice (the "DOJ") filed a lawsuit in the United States District Court for the District of Columbia (the "District Court") under a federal antitrust statute to enjoin the Merger. Following a trial, on June 12, 2018, the District Court denied the DOJ's request to enjoin the Merger. On June 14, 2018, the Merger was completed; Time Warner was merged into West Merger Sub II, LLC, a Delaware limited liability company, which changed its name to Warner Media, LLC. The DOJ appealed the District Court's decision on July 12, 2018. In its Quarterly Report on Form 10-Q for the quarter ended June 30, 2018, AT&T Inc. disclosed that it believes the DOJ's appeal is without merit and it will continue to vigorously defend its legal position in the appellate court.

As a result of the Merger, the Plan Sponsor is a wholly-owned, indirect subsidiary of AT&T Inc.
