To the Plan Administrators of
Muller Martini 401(k) Super Savings Investment Plan

We have conducted a DOL limited scope audit of the financial statements of Muller Martini 401(k) Super Savings Investment Plan (Plan) for the year ended December 31, 2017 and issued our report thereon dated October 10, 2018. As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and schedule taken as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Custodians, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we communicate to you the following information related to our audit.

Our Responsibility under U.S. Generally Accepted Auditing Standards

As part of our audit, we considered the internal control of the Plan, except that we did not, as part of the scope limitation discussed in the first paragraph, include a consideration of internal control relating to the information summarized in Note 3 to those financial statements. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

Our responsibility for the supplemental information accompanying the financial statements was to perform adequate procedures to evaluate whether the form and content of the supplemental information, other than that derived from the information certified by the Custodians, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing previously communicated to you in our meeting about planning matters on May 1, 2018.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2017. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. There are no significant transactions that have been recognized in the financial statements in a different period than when the transactions occurred.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of our audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 10, 2018.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship, and our responses were not a condition to our retention.

Other Matters

In addition, during our audit, we noted certain matters involving the internal control and other operational matters that are presented for your consideration. This letter does not affect our report dated October 10, 2018 on the financial statements of the Plan. We will review the status of these comments during our next audit engagement. Our comments and recommendations, all of which have been discussed with appropriate members of management, are intended to improve the internal control or result in other operating efficiencies. We will be pleased to discuss these comments in further detail at your convenience, perform an additional study of these matters, or assist you in implementing the recommendations. Our comments are summarized as follows:

> Observation: During 2017, the Plan switched service providers from Newport Group to Voya. Upon review of Plan documents, it was noted that the definition of compensation related to bonuses, auto allowances (fringe benefits), and holiday pay was inadvertently changed from the prior Plan documents.
>
> Recommendation: E&T recommends the Plan Sponsor take corrective action to amend the Voya adoption agreement to align with its intentions, make any necessary corrective contributions and apply the correct definition of compensation going forward.

This information is intended solely for the use of the Plan Administrators and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrators of
Muller Martini 401(k) Super Savings Investment Plan

REPORT ON THE FINANCIAL STATEMENTS

We were engaged to audit the accompanying financial statements of the Muller Martini 401(k) Super Savings Investment Plan (Plan), which comprise the Statement of Net Assets Available for Benefits as of December 31, 2017 and the related Statements of Changes in Net Assets Available for Benefits for the year then ended and the related notes to the financial statements.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion.

BASIS FOR DISCLAIMER OF OPINION

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrators instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Newport Group and Voya Retirement Insurance and Annuity Company, the Custodians of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrators that Newport Group held the Plan's investment assets and executed investment transactions from January 1, 2017 to May 15, 2017 and Voya Retirement Insurance and Annuity Company held the Plan's investment assets and executed investment transactions as of December 31, 2017, and for the period from May 16, 2017 to December 31, 2017. The Plan Administrators have obtained certifications from the Custodians as of December 31, 2017 and for the year then ended, that the information provided to the Plan Administrators by the Custodians is complete and accurate.

INDEPENDENT AUDITORS' REPORT, CONTINUED

DISCLAIMER OF OPINION

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

OTHER MATTER

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2017 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

OTHER MATTER – 2016 FINANCIAL STATEMENT

The financial statement of the Plan as of December 31, 2016 was audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the Custodian. Their report, dated October 9, 2017, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, they did not express an opinion on the financial statement and (b) the form and content of the information included in the financial statement, other than that derived from the information certified by the Custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

REPORT ON FORM AND CONTENT IN COMPLIANCE WITH DOL RULES AND REGULATIONS

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 DESCRIPTION OF PLAN

The following description of the Muller Martini 401(k) Super Savings Investment Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a participant-directed, defined contribution plan covering all employees of Muller Martini Corp. (Company) who have completed a two-month period of service and who are at least 18 years of age. The Plan provides for retirement, disability, and death benefits and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

CONTRIBUTIONS

Participants in the Plan may elect to contribute no less than 2% of their income on a tax-deferred basis, not to exceed annual limits as specified by the Internal Revenue Code (Code). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants' contributions are matched by the Company at 150% of the first 2% of deferrals and 20% of the next 5% of deferrals. The Company may also make an annual discretionary profit sharing contribution. Eligible participants who do not elect otherwise are automatically enrolled to make a 6% deferral.

PARTICIPANT ACCOUNTS

Each participant's account is adjusted to reflect any appreciation or depreciation in the fair value of the participant's share of each fund's investments and related share of investment income or loss. Company contributions are credited to each participant's account in accordance with the Plan's contribution policy, and administrative expenses, if not paid by the Company, are allocated in proportion to each participant's account balance, except for loan maintenance fees. The benefit to which each participant is entitled is the value that can be derived from the participant's vested account.

(See Independent Auditors' Report)

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow against the balance in their accounts, up to the lesser of 50% of their vested balance or $50,000 with a minimum borrowing amount of $1,000. Loan terms require amortization of principal and interest over a period not to exceed five years. Loans used to acquire a principal residence may extend beyond a five-year term. Loans bear interest at the prime rate plus 1%. Loans are repaid through payroll deductions and may be repaid in full at any time.

VESTING

Participants are fully vested in their voluntary contributions. Vesting in Company contributions is based on years of service with full vesting being attained after three years. Full vesting also occurs upon a participant's death or total disability. In the event the Plan is terminated, participants will become 100% vested in their accounts.

FORFEITURES

At December 31, 2017 and 2016, forfeited accounts totaled $22,895 and $87,564, respectively. These amounts will be used to reduce future Plan expenses.

PAYMENT OF BENEFITS

Upon the normal retirement age of 59½ or termination of employment, a participant will be paid in a lump-sum amount equal to his/her account balance on any date selected through age 70½. Upon termination of service due to death or disability, a participant or beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his/her account in a lump-sum amount, installments or as a life annuity.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ACCOUNTING STANDARDS CODIFICATION

All references in the financial statements to the Codification refer to the Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles (GAAP) issued by the Financial Accounting Standards Board. The Codification is the single source of authoritative GAAP in the United States.

(See Independent Auditors' Report)

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared in accordance with the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

VALUATION OF INVESTMENTS

The Plan's investments are stated at fair value. See Note 4 for a discussion of fair value measurements.

PAYMENTS OF BENEFITS

Benefits are recorded when paid.

PLAN EXPENSES

The Company pays the majority of expenses associated with administering the Plan. Expenses paid by the Plan include recordkeeping and Trustee fees.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are carried at their unpaid principal balance plus accrued interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and those changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

(See Independent Auditors' Report)

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through October 10, 2018, the date the financial statements were available to be issued.

NOTE 3 INFORMATION CERTIFIED BY THE CUSTODIANS

Voya Retirement Insurance and Annuity Company (Voya), the Custodian of the Plan as of December 31, 2017, has certified the completeness and accuracy of all investments reflected in the accompanying financial statements as of that date and investment income during the period from May 16, 2017 through December 31, 2017. Plan assets as of December 31, 2016 and investment income during the period from that date through May 15, 2017 were certified by Newport Group, the previous Custodian of the Plan. This information has not been audited by the Plan's independent auditors. As of December 31, 2017 and 2016, certified investment information consisted of the following:

	2017	2016
Mutual Funds	$ 40,697,647	$ -
Money Market Fund	82,614	-
Common and Collective Trusts	5,052,040	44,199,394
Total Investments	$ 45,832,301	$ 44,199,394

During 2017 and 2016, certified investment income consisted of the following:

	2017	2016
Net Appreciation in Fair Value of Investments	$ 6,291,450	$ 3,183,460

NOTE 4 VALUATION OF INVESTMENTS

Investments are recorded at fair value in accordance with the provisions of the Fair Value Measurements and Disclosures Topic of the Codification, which establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the Codification are described below:

(See Independent Auditors' Report)

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Below is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Mutual and Money Market Funds: Valued at the net asset value (NAV) of shares held by the Plan at year end. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market. These assets are classified as Level 1 within the fair value hierarchy.

Common and Collective Trusts: This investment is valued using NAV per unit. The NAV is based on the value of the underlying investments owned by each fund, minus its liabilities, and then divided by the number of units outstanding. Participant-initiated transactions may occur daily at NAV. This asset is classified as Level 2 within the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(See Independent Auditors' Report)

NOTE 5 TAX STATUS

The Plan has adopted the Voya Retirement and Annuity Company Defined Contribution Prototype Plan and Trust (Prototype Plan). The Internal Revenue Service (IRS) stated the Prototype Plan, as then designed, was in compliance with the applicable requirements of the Code. The Prototype Plan has received an opinion letter from the IRS as to the Prototype Plan's qualified status. The Plan has since been amended and restated. The Plan Administrators believe the Plan is designed and being operated in compliance with the applicable provisions of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate uncertain tax positions for recognition in the financial statements. The Plan Administrators have concluded that there were no uncertain tax positions taken as of December 31, 2017.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company may terminate the Plan at any time in whole or part. In the event of Plan termination, the accrued benefits of all participants affected shall become fully vested and nonforfeitable, and the Trustee shall distribute to the participants, their beneficiaries or estates all assets remaining in the Plan after payment of any expenses properly chargeable to the Plan. Such distribution shall be equal to the value of the accounts of the participants as of the date of the termination of the Plan, adjusted to reflect any increments or decrements occurring between such termination date and the date of distribution.

NOTE 7 RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by the Custodian of the Plan. These transactions qualify as party-in-interest transactions. The Plan pays investment management and recordkeeping fees to parties-in-interest. The Plan paid approximately $107,000 to parties-in-interest for the year ended December 31, 2017. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

In addition, administrative fees were paid indirectly through revenue sharing and are included in the change in fair value of investments.
