Ladies and Gentlemen:

We are providing this letter in connection with your limited-scope audit of the financial statements of Main Tape Company Inc. 401(k) Employee Savings and Investment Plan ("Plan") as of December 31, 2017 and for the year then ended. We understand that, at our instruction and as permitted by Regulation 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, you did not perform any audit procedures with respect to information prepared by and certified to by Capital Bank and Trust Company, in accordance with DOL Regulation 2520.103-5, other than comparing such information to the financial statements and supplemental schedule. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and supplemental schedule taken as a whole.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

Except where otherwise stated below, immaterial matters less than \$22,000 collectively are not considered to be exceptions that require disclosure for the purpose of the following representations. This amount is not necessarily indicative of amounts that would require adjustment to or disclosure in the financial statements.

We confirm, to the best of our knowledge and belief, as of the date of this letter, the following representations made to you during your audit:

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated August 27, 2018, for the preparation and fair presentation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States, and for the fair presentation of the accompanying supplemental schedule in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, and we believe the financial statements and supplemental schedule are fairly presented.

2. We are responsible for designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to error or fraud. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.
3. All transactions have been recorded in the accounting records and reflected in the financial statements.
4. We have provided you:
 - a. Access to all financial records, documentation and other information that is relevant to the preparation and fair presentation of the financial statements.
 - b. Additional information that you have requested from us for the purpose of the audit.
 - c. Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
 - d. All minutes of the meetings or summaries of actions of recent meetings for which minutes have not yet been prepared.
 - e. Plan instruments, trust agreements, and amendments to such documents entered into during the year (including amendments made to comply with applicable laws), or insurance contracts.
 - f. All correspondence to and from regulatory agencies, including communications concerning compliance with laws and regulations.
 - g. Results of the assessment of risk that the financial statements may be materially misstated as a result of fraud.
5. We have no plans or intentions that may materially affect the carrying amounts or classifications of assets and liabilities.
6. We have identified all accounting estimates that could be material to the financial statements, including the key factors and significant assumptions underlying those estimates, and we believe the estimates are reasonable in the circumstances. These estimates include the fair values of Plan investments and derivative instruments and the classifications of Plan investments and derivative instruments within the fair value hierarchy, pursuant to and in accordance with FASB ASC 820, *Fair Value Measurements and Disclosures*.

7. Adequate provision has been made for adjustments and losses in collection of receivables. There were no investments in default and none are considered to be uncollectible.
8. The following have been properly recorded or disclosed in the financial statements, if applicable:
 - a. Material liabilities or gain or loss contingencies that are required to be accrued or disclosed by FASB ASC 450, *Contingencies*.
 - b. Significant accounting estimates that are susceptible to changing materially as a result of an event or change in conditions that is reasonably possible of occurrence within one year from the financial statement date.
 - c. Concentrations that make the Plan vulnerable to the risk of a severe impact within one year from the financial statement date (including the nature and type of investments held by the Plan, or markets for which events could occur which would significantly disrupt normal finances within the next year).
 - d. Amendments to the Plan document during the year or subsequently.
 - e. Derivative financial instruments such as futures, forwards, swaps or options, or other financial instruments.
 - f. Securities lending arrangements, including the associated collateral and policy for requiring collateral.
 - g. Other financial instruments with significant "off-balance-sheet" risk of accounting loss to which the Plan is a party.
 - h. Guarantees, whether written or oral, under which the Plan is contingently liable to a bank or other lending institution.
9. Related parties and all related party relationships and transactions, and transactions with parties-in-interest (as defined in ERISA section 3(14)) and related amounts receivable or payable, including sales, purchases, loans, transfers, leasing arrangements and guarantees, have been disclosed to you, and have been appropriately accounted for and disclosed in the financial statements in accordance with the requirements of accounting principles generally accepted in the United States.
10. We have no knowledge of any fraud or suspected fraud affecting the Plan involving:
 - a. Management, whether material or not.

- b. Employees who have significant roles in internal control, whether material or not.

 12. There have been no communications from regulatory agencies concerning noncompliance with or deficiencies in financial reporting practices that could have a material effect on the financial statements in the event of noncompliance.
 13. The Plan and trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code, and we intend to continue them as a qualified Plan and trust. The Plan sponsor has operated the Plan and trust in a manner that has not jeopardized this tax exempt status. The Plan has complied with fee disclosure requirements to participants under DOL Regulation Section 2550.404a-5, and has received the required disclosures from service providers under ERISA Section 408(b)(2). We understand that failure to comply could cause the Plan to enter into a prohibited transaction.

All required filings of Plan and trust documents have been filed with the appropriate agencies.

14. There are no --
 - a. Nonexempt transactions with parties in interest, as defined in ERISA section 3(14) and related regulations, that were not disclosed in the supplemental schedules or financial statements.
 - b. Investments, loans, or leases in default or considered to be uncollectible that were not disclosed in the supplemental schedules.

 - d. Untimely remittances of participant contributions to trusts containing assets for the Plan, as determined by the Department of Labor's participant contribution regulation (29 C.F.R. Sec 2510.3-102), that were not properly disclosed in the supplemental schedules.
15. The Plan has complied with the fidelity bonding requirements of ERISA.

16. There are no violations of any laws or regulations (including ERISA, DOL and IRS) whose effects should be considered for disclosure in the financial statements or as a basis for reporting a loss contingency, or other material liabilities or gain or loss contingencies that are required to be accrued or disclosed.
17. The Plan has satisfactory title to all owned assets. None of the Plan's assets were mortgaged, assigned, pledged, or encumbered by law in any other manner. No security agreements have been executed under the provisions of the Uniform Commercial Code, there are no liens or encumbrances on assets, and no assets have been pledged.
18. The Plan had no purchase commitments for investments at prices in excess of fair value at the date of the financial statements, no agreements to repurchase items previously sold, and no sales commitments at prices expected to result in losses on fulfillment.
19. All investments are valued at fair value, as defined by FASB ASC 820. Quoted prices in active markets for identical investments are used to determine fair values, when available. All matters of judgment involved in the calculation and determination of the fair values of investments and all related valuation methods and assumptions and financial statement disclosures, including the reporting of investments within the fair value hierarchy defined by ASC 820, are the responsibility of management. The valuation methods and assumptions used are reasonable and supportable, have been determined in compliance with ASC 820, and have been adequately disclosed in the financial statements for all periods presented.

MAIN TAPE COMPANY INC.
401(k) EMPLOYEE SAVINGS AND INVESTMENT PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2017 and 2016

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Main Tape Company Inc. 401(k) Employee Savings and Investment Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan originally effective January 1, 1989. The Plan has been amended throughout the years to comply with tax legislation and most recently amended effective November 1, 2014. The Plan excludes non-resident aliens and employees covered by a collective bargaining agreement. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: All employees of Main Tape Company Inc. (the Company) are eligible to participate upon turning 21 years of age. There is no service requirement. All eligible employees may receive employer matching contributions after completing 250 hours of service within a three-month period.

Contributions: The Plan includes a salary deferral arrangement allowed under Section 401(k) of the Internal Revenue Code (IRC). Eligible participants are permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pre-tax 401(k) or Roth contributions to the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation, and their contributions invested in the designated default fund until changed by the participant. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Company may, at its discretion, elect to make a matching contribution to the Plan. For the years ended December 31, 2017 and 2016, the Company matching contribution was 25% of the first 2% of a participant's eligible compensation deferred, plus 50% of the next 2% of a participant's eligible compensation deferred, plus 100% of the next 2% of a participant's eligible compensation deferred with a maximum matching contribution of 3.5%.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts: Each participant's account is credited with the participant's contributions; the Company's matching contribution and an allocation of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company matching contribution portion of their accounts is based on years of credited service. A participant is 100% vested after three years of credited service. Notwithstanding the above, a participant is fully vested upon reaching normal retirement age, death, or permanent disability.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Benefit Payments: Upon termination of service due to death, disability, or retirement, a participant may elect to receive the value of the vested interest in his or her account in the form of a lump sum distribution or installments. The Plan allows for in-service distributions if a participant reaches age 59½. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account is between \$1,000 and \$5,000, the Plan sponsor may authorize that the benefit payment be rolled into an individual retirement account in the participant's name.

Forfeited Accounts: Forfeited nonvested accounts are first used to reduce administrative expenses and then are used to reduce Company contributions. Forfeited nonvested accounts as of December 31, 2017 and 2016 totaled \$1,954 and \$8,730, respectively. There were \$16,437 and \$36,622 of forfeitures used to pay administrative expenses and offset Company contributions for the years ended December 31, 2017 and 2016.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, and custodians. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 and 2016. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Payment of Benefits: Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expense. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events: The Plan has evaluated subsequent events through October 10, 2018, the date the financial statements were available to be issued. Effective January 1, 2018, the Plan was merged into the Chargeurs Protective, Inc. Retirement Plan ("Successor Plan"), sponsored by Chargeurs Protective, Inc. Net assets available for benefits of the Plan of \$4,306,282 were transferred to the Successor Plan, pursuant to the Plan merger.

NOTE 3 - CERTIFICATION OF INVESTMENT INFORMATION

Capital Bank and Trust Company, the trustee of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2017 and 2016, and the statements of changes in net assets available for benefits for the years then ended. This information has not been audited by independent accountants.

NOTE 4 - FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4 - FAIR VALUE OF INVESTMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016:

Mutual Fund: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Fund: Valued at NAV of units of the bank common collective trust fund. NAV is a readily determinable fair value and is the basis for current transactions. If the Plan initiates a full redemption of the collective trust fund, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

Investments at Fair Value as of December 31, 2017				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ -	\$ -	\$ -	\$ -
Collective trust fund	-	-	-	-
Total investments at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

Investments at Fair Value as of December 31, 2016				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 2,848,963	\$ -	\$ -	\$ 2,848,963
Collective trust fund	-	733,125	-	733,125
Total investments at fair value	<u>\$ 2,848,963</u>	<u>\$ 733,125</u>	<u>\$ -</u>	<u>\$ 3,582,088</u>

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their Company contributions.

NOTE 7 - PLAN TAX STATUS

The Plan is placing reliance on an opinion letter dated March 31, 2014 received from the IRS on the prototype plan indicating that the Plan is qualified under Section 401 of the IRC and is therefore, not subject to tax under current income tax law. The prototype Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Capital Bank and Trust Company. Capital Bank and Trust Company is the trustee as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2017 and 2016, to the Form 5500:
