Mr. James Doherty
Secretary
TPG Planning & Design, LLC
Profit Sharing and 401(k) Retirement Plan
31 Penn Plaza
132 W 31st Street, 5th Floor
New York, NY 10001

Dear Mr. Doherty:

You have requested that we audit the financial statements of TPG Planning & Design, LLC Profit Sharing and 401(k) Retirement Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2017, the related statement of changes in net assets available for benefits for the year then ended, the related notes to the financial statements and report on the supplemental schedule of the Plan as of December 31, 2017, which are to be included in the Plan's Form 5500 filing with the Employee Benefits Security Administration of the Department of Labor (DOL).

As permitted by Regulation 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), you have instructed us not to perform any auditing procedures with respect to asset information certified or provided by Massachusetts Mutual Life Insurance Company, the custodian, in accordance with 29 CFR 2520.103-5, other than comparing that information with the related information included in the financial statements and supplemental schedule. Under ERISA, the plan administrator is generally responsible to the Plan participants for the financial information and the ability of the certifying entities to issue such ERISA certifications.

We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter.

The Responsibilities of the Auditors, Audit Objective and Audit Procedures

Except as noted above, we will conduct our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Because of the significance of the information that we will not audit, we will not express an opinion on the financial statements and supplemental schedules. The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified or provided by the custodian, will be audited by us in accordance with GAAS, and will be subjected to tests of your accounting records and other procedures as we consider necessary to enable us to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. If for any reason we are unable to complete the engagement, we may decline to issue a report or may withdraw from this engagement.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS, except as previously noted.

In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. Any prohibited transactions identified will be included in the supplemental schedule of nonexempt transactions as required by the instructions to Form 5500. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

In making our risk assessments, except as described in the second paragraph on page 1, our audit will include obtaining an understanding of the Plan and its environment, including internal control, relevant to the Plan's preparation and fair presentation of the financial statements and supplemental schedule that is sufficient to assess the risks of material misstatement of the financial statements and in order to design the nature, timing and extent of further audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit, including those that were remediated during the audit, as required to be communicated under professional standards.

As a part of our audit, we will perform certain procedures, as required by GAAS, directed at considering the Plan's compliance with applicable Internal Revenue Code (IRC) requirements for tax-exempt status. As we conduct our audit, we will be aware of the possibility that events affecting the Plan's tax status may have occurred. Similarly, we will be aware of the possibility that events affecting the Plan's compliance with the plan qualification requirements of ERISA may have occurred. We will inform you of any instances of tax or ERISA noncompliance, or any such matters or ways in which management practices can be improved, that come to our attention during the course of our audit. You should recognize, however, that our audit is not designed nor is it intended to determine the Plan's overall compliance with applicable provisions of the IRC or ERISA.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and direct confirmation of investments except those certified to by the custodian and certain other assets and liabilities by correspondence with other third parties.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested, except that assets and related transactions certified to by the custodian will not be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable assurance

about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations, including prohibited transactions with parties in interest or other violations of ERISA rules and regulations, that are attributable to the Plan or to acts by management or employees acting on behalf of the Plan.

Management Responsibilities and Identification of the Applicable Financial Reporting Framework

Our audit will be conducted on the basis that plan management acknowledge and understand that they have responsibility:

a) for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, which includes determining if the certifications from the custodian includes the appropriate valuation of investments as of the Plan's year end;

b) for the design, establishment, implementation, and maintenance of internal controls, including monitoring ongoing activities, relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error; and for the selection and application of accounting principles;

c) for the supplemental schedules and that they were derived from, and relate directly to, the underlying accounting and other records used to prepare the financial statements including for the fair presentation of the supplemental schedule and the form and content of the financial statements and supplemental schedule in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA;

d) for identifying and determining that the Plan complies with the laws and regulations applicable to its activities; and

e) for establishing an accounting and financial reporting process for determining fair value measurements; and

f) to provide us with:

   i. access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements, such as complete and accurate records, documentation, and other matters;

   ii. additional information that we may request from management for the purpose of the audit; and

   iii. unrestricted access to persons within the Plan from whom we determine it necessary to obtain audit evidence.

As part of our audit process, at the conclusion of our audit, we will request from management written confirmation concerning certain representations made to us in connection with the audit of the financial statements and to report on the supplemental schedule.

Management is responsible for informing us about related party transactions, including transactions with parties in interest, as defined in Section 3(14) of ERISA and the regulations thereunder.

Management is responsible for adjusting the financial statements to correct material misstatements and for affirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements as a whole.

Management is responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the plan involving (1) Plan management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, regulators, or others. In addition, management is also responsible for identifying and ensuring that the Plan complies with applicable laws and regulations. Management is also responsible for the fair presentation of the supplemental schedule in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA. You agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon.

You are required to disclose the date through which subsequent events have been evaluated and whether that date is the date the financial statements were available to be issued. You agree that you will not date the subsequent event note earlier that the date of your management representation letter.

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your Internet website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

Other Services

You agree to assume all management responsibilities for the financial statement preparation services and any other nonattest services we provide; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, and/or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

Other Relevant Information

I am the engagement partner and responsible for supervising the engagement. You have not engaged us to prepare or review the Plan's Form 5500 filing with the DOL. Because the audited financial statements are required to be filed with the Form 5500, professional standards require that we read the Form 5500 prior to its filing. The purpose of this procedure is to consider whether information or the manner of its presentation in the Form 5500 is materially inconsistent with the information or the manner of its presentation appearing in the financial statements (including the required supplemental schedule), or any material misstatement of fact. These procedures are not sufficient nor are they intended to determine that the Form 5500 is completely and accurately prepared. We will, therefore, not issue our auditors' report until the completed Form 5500 has been provided for our review. However, in the unlikely event that our report is issued prior to our having read the Form 5500, you agree not to attach our report to the financial statements included with the Form 5500 filing until we have read the completed Form 5500.

The working papers for this engagement are the property of Perelson Weiner LLP and constitute confidential information. Except as follows, any requests for access to our working papers will be discussed with you prior to making them available to requesting parties.

Our firm, as well as other accounting firms, participates in a peer review program covering our audit and accounting practice. This program requires that once every three years, we subject our system of quality control to an examination by another accounting firm (or members of other accounting firms). As part of this process, the other firm(s) will review a sample of our work. It is possible that the work we perform for you may be selected for its review. If it is, the firm(s) is/are bound by professional standards to keep all information confidential.

We may be requested to make certain working papers available to the DOL pursuant to authority given to it by law or regulation. If requested, access to such working papers will be provided under the supervision of Perelson Weiner LLP personnel. Furthermore, upon request, we may provide photocopies of selected working papers to the DOL. We will mark all information as confidential and maintain control over the duplication of all such information. However, the DOL may intend or decide to distribute the photocopies or information contained therein to others, including other governmental agencies.

Our fees for the services described in this letter will be billed at our standard hourly rates. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. If we elect to terminate our services, our engagement will be deemed to have been completed upon written notification of termination even if we have not completed our report. You will be obligated to compensate us for all time expended through the date of termination.

We understand that your personnel will prepare schedules, analyses and all confirmations we request and will locate any invoices or other documents selected by us for testing.

Our audit engagement ends on delivery of our audit report. Any follow-up services that might be required will be a separate, new engagement. The terms and conditions of that new engagement may be governed by a new, specific engagement letter for that service.

It is hereby understood and agreed that this engagement is being undertaken solely for the benefit of TPG Planning & Design, LLC Profit Sharing and 401(k) Retirement Plan and that no other person or entity shall be authorized to enforce the terms of this engagement.

Dispute Resolution and Agreement

Any dispute, claim or controversy between us arising out of or relating to any of the terms of our engagement or the performance of our services as described in this agreement, to the extent that the same cannot otherwise be resolved, shall be submitted to and determined by private mediation held in the State of New York in accordance with the rules of the American Arbitration Association and in accordance with the Civil Practice Law and Rules of the State of New York applicable thereto. The Mediator(s) shall be jointly selected. In the event mediation is unsuccessful in settling the dispute, then the parties agree to proceed to Arbitration in accordance with the rules of the American Arbitration Association for Resolution of Accounting Firm Disputes. Any award or decision made by the arbitrator(s) shall be binding and final and judgment upon said award or decision may be entered in any court having jurisdiction thereof. In agreeing to arbitration, we both acknowledge that, in the event of a dispute over fees charged by the accountant, each of us is giving up the right to have the dispute decided in a court of law before a judge or a jury and instead we are accepting the use of arbitration for resolution.

All arbitrators' expenses and fees, together with other expenses, including attorneys fees, incurred in the conduct of the arbitration, shall be paid by the party against whom the arbitration is determined (or partially by each party according to such determination if it shall not be entirely against one party).

This agreement will be construed in accordance with the laws of the State of New York applicable to contracts to be performed entirely therein. This letter sets forth the complete and exclusive statement with respect to our engagement with the Company and supersedes all other communications between us. If any provision of the agreement is determined to be unenforceable, all other provisions shall remain in effect.

We appreciate the opportunity to be of service to TPG Planning & Design, LLC Profit Sharing and 401(k) Retirement Plan and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign and return a copy of the letter to indicate your acknowledgment of, and agreement with, the arrangements for our audit of the financial statements and supplemental schedule, including our respective responsibilities.

Reporting

We will issue a written report upon completion of our audit of the TPG Planning & Design, LLC Profit Sharing and 401(k) Retirement Plan's financial statements. Our report will be addressed to the Plan Administrator. We cannot provide assurance that a limited-scope opinion as permitted by Regulation 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion, add an emphasis-of-matter or other-matter paragraph(s), or withdraw from the engagement. If we intend to issue anything other than a limited-scope opinion, we will discuss the reasons with you in advance.

We appreciate the opportunity to be of service to TPG Planning & Design, LLC and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign and return a copy of the letter to indicate your acknowledgment of, and agreement with, the arrangements for our audit of the financial statements and supplemental schedule, including our respective responsibilities.

It is hereby understood and agreed that this engagement is being undertaken solely for the benefit of TPG Planning & Design, LLC Profit Sharing and 401(k) Retirement Plan and that no other person or entity shall be authorized to enforce the terms of this engagement.

Very truly yours,

Sandy Y. Chan

INDEPENDENT AUDITORS' REPORT

Plan Administrator
TPG Planning & Design, LLC
Profit Sharing and 401(k) Retirement Plan

We were engaged to audit the accompanying financial statements of TPG Planning & Design, LLC Profit Sharing and 401(k) Retirement Plan, which comprise the statements of net assets available for benefits as of December 31, 2017 and 2016, and the related statement of changes in net assets available for benefits for the year ended December 31, 2017, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information referred to in Note 3, which was certified by Massachusetts Mutual Life Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedules. We have been informed by the Plan Administrator that the custodian holds the Plan's investments and executes transactions therein. The Plan Administrator has obtained a certification from the custodian as of and for the years ended December 31, 2017 and 2016, that the information provided to the Plan Administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedules, Schedule of Assets (Held at End of Year) as of December 31, 2017, and Schedule of Reportable Transactions for the year ended December 31, 2017, are required by the DOL Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodians, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Note 1 - Description of Plan

The following description of the TPG Planning & Design, LLC Profit Sharing and 401(k) Retirement Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description (Note 6).

a) General

The Plan, a defined contribution plan, covers substantially all full-time employees of TPG Planning & Design, LLC (Plan Administrator) (Employer) and affiliates who have completed at least six months of service and are twenty-one or older as of the entry dates (January 1, April 1, July 1, and October 1). To be eligible for an allocation of an Employer discretionary profit sharing contribution, employees must have a minimum of one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan Sponsor determines the appropriateness of the Plan's investment offerings, monitors investment performance and is responsible for oversight of the Plan.

b) Contributions

Plan participants may contribute to the Plan up to 100% of their annual pre-tax earnings. During 2017, the maximum pre-tax contribution allowed by the Internal Revenue Code was $18,000. In addition, participants who have attained age 50 before the end of the plan year are eligible to contribute an additional $6,000 as a "catch-up contribution" in 2017. The Plan will accept rollover contributions from other qualified plans.

The Employer may elect to make discretionary contributions to the Plan on behalf of those participants who have made salary deferral contributions (other than catch-up contributions). The Employer may also provide additional matching contributions.

During 2017 and 2016, the Employer elected to make a $350,000 and $150,000 profit sharing contribution to the Plan, respectively. The contributions vest over six years of service (Note 1(d)) and are allocated to eligible participants (Note 1(a)).

Note 1 - Description of Plan (Continued)

b) Contributions (Continued)

Participants direct the investment of their contributions into the investment options offered by the Plan. Various investment fund options are being offered to the participants, who may change their investment direction at any time throughout the year.

Contributions are subject to certain limitations, and are funded each bi-weekly pay-period.

c) Participant Accounts

Each participant's account is credited/charged with a) the participant's contribution, b) the Employer's matching or profit sharing contribution (if applicable), c) Plan earnings, d) benefits paid, and e) an allocation of administrative expenses. Allocations are based on relative participant balances. A participant is entitled to the benefit available from his or her vested account value.

d) Vesting

Participants are immediately vested in their own contributions (including earnings thereon). Vesting in the Employer's matching contribution is 50% after 1 year and 100% after 2 years of service. Vesting in the Employer's profit sharing contribution is as follows:

Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participants are 100% vested in the event of death or disability.

Note 1 - Description of Plan (Continued)

e) Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000, up to a maximum of the lesser of $50,000 or 50% of their vested account balance. The number of outstanding loans is limited to two. The loans are secured by their account balance and accrue interest at rates between 5.25% and 6.25%, which equates Prime plus 2% as of loan inception, and mature through June 2044. Principal and interest is paid ratably through payroll deductions.

f) Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive his or her account value in either a lump-sum or installments. For termination of service due to other reasons, a participant is limited to receiving the value of the vested amount in his or her account as a lump-sum distribution. Benefits are recognized when paid.

g) Forfeitures

Forfeited balances of terminated participants' nonvested accounts approximated $22,000 and $37,000 as of December 31, 2017 and 2016, respectively, and have not been reallocated to the remaining participants' accounts as of December 31, 2017 and 2016. The forfeiture balance may be used to pay plan administrative expenses or be reallocated among participants based on their compensation during the year of the forfeiture.

Note 2 - Summary of Significant Accounting Policies

a) Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

b) Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is recorded at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 4). The Plan Administrator and Plan Sponsor determine the Plan's valuation policies.

Note 2 - Summary of Significant Accounting Policies (Continued)

b) Investment Valuation and Income Recognition (Continued)

Investment income from January 1, 2017 through December 31, 2017, earned through the Plan's mutual fund assets consisted of net unrealized appreciation, realized gains and losses, dividends and capital gain distributions.

c) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. As of December 31, 2017 and 2016, no allowance for credit losses has been recorded. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

d) Administrative Expenses

The Employer pays certain administrative expenses and reserves the right to charge future expenses to the Plan.

e) Plan Termination

Although it has not expressed an intention to do so, the Employer has the right, subject to the provisions of ERISA, to discontinue its contributions at any time and terminate the Plan. In such an event, participants would become 100% vested in their Employer contributions.

f) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

g) Subsequent Events

Subsequent events were evaluated through October 10, 2018, which is the date the financial statements were available to be issued.

Note 3 - Unaudited Information Prepared and Certified by the Plan Custodian

Massachusetts Mutual Life Insurance Company, the custodian, holds the Plan's investments and executes the related transactions therein. Financial information relating to these assets and changes therein included in the financial statements (including the notes to the financial statements) and supplemental schedules are based entirely on information provided and certified as complete and accurate by the custodian in accordance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, as amended. Such information has not been audited by the independent auditors.

Note 4 - Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs, having the highest priority, consist of unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 1 inputs were available to the plan and were used for the Plan's assets reported at fair value. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

The asset's fair value measurements level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used as of December 31, 2017 and 2016.

Note 4 - Fair Value Measurements (Continued)

Level 1 Fair Value Measurements

Mutual funds: Mutual funds are valued at the closing price reported on the exchange the fund is traded.

	Fair Value Measurements as of December 31 Using Prices in Active Markets for Identical Assets (Level 1)	
	2017	2016
Mutual funds	**$ 19,198,693**	$ 15,356,974

Note 5 - Related Party Transactions

Investments, including notes receivable, are managed by affiliates of the custodian and, therefore, these transactions qualify as party-in-interest transactions under ERISA. All investment expenses and certain administrative expenses were paid to the custodian or its affiliates.

These transactions are exempt from the prohibited transaction rules of ERISA.

Note 6 - Income Tax Status

The Plan is based on a prototype plan document offered by the custodian and/or an affiliate, which received an opinion letter from the Internal Revenue Service (IRS) which stated the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). While Management did not elect to obtain an individual determination letter from IRS, and has amended the plan since receipt of the opinion letter, it believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan has determined all benefits associated with positions taken for tax purposes would more likely than not, be sustained upon review by the taxing authorities and therefore has not recognized a liability for unrecognized tax benefits. Tax returns (Form 5500) are filed in the U.S. Federal jurisdiction. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2014. There are currently no tax examinations in progress.

Note 7 - Investment Contract with Insurance Company

The Plan entered into a group annuity investment contract (Guaranteed Interest Account) with the custodian (or an affiliate thereof). Contributions are maintained in the custodian's (the issuer's) general investment account. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan.

The Plan earned yields, which also reflect the actual rates credited to plan participants, of 3% (2017) and 3% (2016) on the underlying investments. The interest rate is reset semiannually. The crediting interest rate, established without the use of a specific formula, was agreed upon with the issuer and the minimum rate under the contract is 3%. The average yield earned by the Plan and the average yield credited to participants was 2.93% (2017) and 3% (2016). The average yield earned by the Plan is equal to the average yield earned by the participants. When establishing crediting interest rates for the investment, the custodian considers many factors, including actual earnings experience of the contract, projected levels of cash flows, projected maturities of the underlying investments and the current interest rate environment.

The contract is included in the financial statements at contract value. Contract value reflects contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact with the issuer at contract value. Such events include but may not be limited to the following: (a) amendments to the Plan documents causing complete or partial plan termination or merger with another plan; b) plan disqualification; or (c) certain events (including reorganization, merger, layoffs or the sale or discontinuance of all or any part of the business). The Plan Administrator does not believe that any events are probable of occurring that would limit the Plan's ability to transact or allow the custodian to terminate the contract requiring the Plan to settle at an amount other than the contract value. The contract issuer and the Plan consider the contract to be fully benefit - responsive.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities which are exposed to risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is as least reasonably possible that the value of investments will fluctuate in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9 - Excess Contributions Payable

To comply with the relevant nondiscrimination provisions of the IRC, contributions received from participants during 2016 of $862 were returned to participants in 2017. That amount is reflected on the Plan's statements of net assets available for benefits as excess contributions payable as of December 31, 2016 (Note 10).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of October 10, 2018, the following representations made to you during your audits.
