## INDEPENDENT AUDITORS' REPORT

Advisory Committee  
Tri-Cities Community Health 403(b) Plan  
Pasco, Washington

### Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Tri-Cities Community Health 403(b) Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2017 and 2016, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

### Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by TD Ameritrade Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2017 and 2016, that the information provided to the plan administrator by the trustee is complete and accurate.

## Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

## Other Matter

The supplemental schedule of assets held for investment as of December 31, 2017, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements.

## Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

## Notes to Financial Statements

### Note 1 – Description of the Plan

The following description of Tri-Cities Community Health 403(b) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for more complete information.

- a. **General** – The Plan is a defined contribution plan covering substantially all of the employees of Tri-Cities Community Health (the Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). An employee becomes a participant in the elective deferral portion of the Plan on his/her first day of employment with the Employer. Bargaining unit employees of the Employer are eligible to receive an employer match.
- b. **Contributions** – Participants make voluntary tax-deferred contributions to the Plan through payroll deductions of up to the Internal Revenue Service (IRS) maximum allowable contribution. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Each plan year, employees of the Employer who have reached 18 years of age and completed one year (1,000 hours) of continuous service are eligible to participate in the Plan. The Employer may elect to contribute an amount determined annually. An agreement was reached during union negotiations during 2011 that suspended employer contributions through October 31, 2013. Employer contributions were reinstated effective November 1, 2013, for union employees only. The Board of Trustees agreed upon an employer match of up to 3% of participant deferrals for all employees effective March 1, 2015. Participants may direct contributions to any of the available options offered by the Plan.
- c. **Participant accounts** – Each participant's account is credited with the participant's contributions and allocations of (a) the Employer's contribution, and (b) Plan earnings and losses and is charged with an allocation of administrative expenses. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- d. **Vesting** – Participants are 100% vested for all contribution types.
- e. **Payment of benefits** – Normal retirement under the Plan occurs at age 65. The Plan also provides for retirement distributions to persons under age 65 if certain conditions are met as specified in the plan document. Participants, or their beneficiaries, are eligible to receive payment of benefits in the event of the participant's retirement, death, disability or termination, or the termination of the Plan. Benefits are distributed according to provisions set forth in the plan document. Participants' nonforfeitable account balances less than \$5,000 shall be distributed in a lump-sum payment. If the vested amount exceeds \$5,000, participants may elect the benefits to be distributed in a lump-sum payment or annual installments.

## Notes to Financial Statements

### Note 1 – Description of the Plan (Continued)

- f. **Administration of the Plan** – The Plan is administered by Tri-Cities Community Health in the form of an advisory committee. Plan assets are invested in accordance with the employee's instructions. Records of participant account activity are processed and maintained by TPP Retirement Plan Specialists, LLC, and TD Ameritrade Trust Company, which also perform other administrative support services for the Plan. Certain administrative functions are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan. Administrative expenses are paid by either the Plan or the Plan's sponsor as provided by the plan document.
- g. **Forfeited accounts** – Forfeitures are used first to pay reasonable administrative expenses and then to reduce nonelective employer contributions. Forfeitures of \$0 and \$7,775 were used to pay plan expenses during 2017 and 2016, respectively.
- h. **Notes receivable from participants** – At the discretion of the Trustees, participants may be allowed to borrow a portion of their vested account balance for hardship purposes. Such loans will bear interest and are secured by the balance in the participant's account. Up to 50% of the participant's account, not to exceed \$50,000, may be withdrawn as a loan. Principal and interest are paid ratably through payroll deductions.

### Note 2 – Summary of Significant Accounting Policies

- a. **Basis of accounting** – The accounting records of the Plan are maintained on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.
- b. **Use of estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.
- c. **Investment valuation and income recognition** – Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of shares are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

- d. **Payment of benefits** – Benefits are recorded when paid.

### Note 2 – Summary of Significant Accounting Policies (Continued)

- e. **Use of estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.
- f. **Administrative expenses** – Administrative expenses are paid by either the Plan, or the Plan's sponsor as provided by the plan document. Investment related expenses are included in net appreciation in fair value of investments.
- g. **Notes receivable from participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.
- h. **Subsequent events** – Subsequent events have been evaluated through September 19, 2018, which is the date the financial statements were available to be issued.

### Note 3 – Fair Value Measurements

The Financial Accounting Standards Board's (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

### Note 3 – Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016:

*Level 1* – Mutual funds are valued at the net asset value of shares held by the Plan at year end.

*Level 2* – The Plan had no investments that are classified as Level 2 for either year ended December 31, 2017 or 2016.

*Level 3* – The Plan had no investments that are classified as Level 3 for either year ended December 31, 2017 or 2016.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	Assets at Fair Value as of December 31, 2017			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,182,005	\$ -	\$ -	\$ 6,182,005

	Assets at Fair Value as of December 31, 2016			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,848,808	\$ -	\$ -	\$ 4,848,808

### Note 4 – Plan Termination

Although it has not expressed any intent to do so, the Employer has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

## **Notes to Financial Statements**

### **Note 5 – Tax Status**

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code (IRC) and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable determination letter from the IRS but has since been amended. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified and the related trust is tax-exempt as of the financial-statement dates. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2017, there are no uncertain positions taken or expected to be taken that would require recognition of the liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, and the Plan could be subject to income tax if certain issues were found by the IRS that could result in the disqualification of the Plan's tax-exempt status; however, there are currently no audits for any tax periods in progress.

### **Note 6 – Related-party Transactions**

The plan administrator is an employee of the plan sponsor. There are no transactions between the parties other than contributions to the Plan. Certain plan investments are shares of mutual funds managed by TD Ameritrade Trust Company. TPP Retirement Plan Specialists, LLC, performed record keeping and administrative services for the Plan. Peterson Hastings is the Plan's investment advisor. Therefore, these transactions qualify as party-in-interest transactions. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

### **Note 7 – Risks and Uncertainties**

The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate, market, political, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

## Notes to Financial Statements

### Note 8 – Information Certified by the Plan Trustee

As permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator has elected that information certified by TD Ameritrade Trust Company not be subject to any auditing procedures except for comparing such information to the related information contained in the accompanying financial statements and supplemental schedule. The following information has been certified by TD Ameritrade Trust Company as complete and accurate:

- (a) Investments as indicated on the statements of net assets available for benefits;
- (b) Net appreciation in fair value of investments as indicated on the statements of changes in net assets available for benefits; and
- (c) Supplemental schedule – assets held for investment.

### Note 9 – Benefits Payable

There were no benefits payable to persons who have withdrawn from participation in the earnings and operations of the Plan at December 31, 2017 and 2016.

### Note 10 – Reconciliation of Financial Statements to Form 5500

Participant loans are reported as notes receivable from participants in the accompanying financial statements as required by current authoritative guidance; however, for Form 5500 purposes and reporting on the supplemental schedule of assets held for investment, they are shown as investments, as required.
