COKEVA INC.
401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2017 and 2016

NOTE 1: DESCRIPTION OF PLAN

The following description of the Cokeva Inc. (Plan Sponsor) 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established January 1, 1997 to provide benefits for employees of the Plan Sponsor and the employees' beneficiaries. The Plan is a defined contribution plan covering all employees who have attained the age of eighteen (18) years. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Principal Trust Company, a member of the Principal Financial Group acts as the trustee of the Plan.

The Plan was amended effective December 1, 2017 to exclude bonuses paid from the definition of eligible Plan compensation.

Plan Year

The plan year begins January 1 and ends December 31.

Contributions

The Plan allows for the following types of contributions:

- **Employee Salary Deferral 401(k) Contributions**
The Plan includes an elective salary deferral arrangement pursuant to Section 401(k) of the Internal Revenue Code (the "Code"). Employees may voluntarily contribute a percentage of their regular wages subject to various nondiscrimination tests and limitations prescribed by the Code.
- **Employee Roth Elective Deferral Contributions**
Participants may make after-tax Roth elective deferral contributions.
- **Employer Qualified Non-elective Contributions**
The Plan Sponsor may make qualified non-elective contributions to the Plan equal to a discretionary amount as determined by the Plan Sponsor. Qualified non-elective contributions are allocated to participants based on eligible compensation. The Plan Sponsor elected not to make a qualified non-elective contribution to the Plan in 2017 or 2016.
- **Employer Discretionary Contributions**
The Plan Sponsor may make discretionary contributions to the Plan. Discretionary contributions are allocated to participants based on eligible compensation. The Plan Sponsor elected not to make a discretionary contribution to the Plan in 2017 or 2016.
- **Employee Rollover Contributions from Another Qualified Plan**
Participants may make rollover contributions from another qualified plan.

Participant Accounts and Allocations

The Plan provides various investment fund options and allows participants to direct their investments. Investment earnings and losses are allocated to participants' accounts based on the actual earnings or losses of the investments selected.

NOTE 1: DESCRIPTION OF PLAN (Continued)

Vesting

Participants are always 100% vested in their salary deferral and employer qualified non-elective contributions.

Discretionary employer contributions vest over a five-year period as follows:

1 year credited service	0%
2 years credited service	25%
3 years credited service	50%
4 years credited service	75%
5 years credited service	100%

Forfeitures

Forfeitures from employer contributions may be used to reduce the amount of future discretionary employer contributions. The forfeiture balance was \$134 and \$107 at December 31, 2017 and 2016, respectively. During the years ended December 31, 2017 and 2016, there were no forfeitures used to reduce employer discretionary contributions.

Retirement

Normal retirement under the Plan is the later of the date the participant attains age sixty-five (65) or the fifth anniversary of the first day of the Plan year in which the participant commenced participation in the Plan.

Payment of Benefits

Payment of benefits may be made at the following times under the Plan: 1) normal retirement; 2) termination of employment of the participant; 3) death or permanent disability of the participant; or 4) in-service withdrawals after attaining the age of 59 ½. The form of benefit payments may be in a single lump sum or in periodic installments over time.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 5.25%.

Administrative Expenses

Administrative costs of the Plan are shared by the Plan and the Plan Sponsor. Expenses related to specific participant transactions are charged to the respective participant's account.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are maintained on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment Valuation and Income Recognition

Investments in mutual funds and pooled separate accounts are stated at fair market value using quoted market prices when available. The investment in the guaranteed investment account is valued at contract value. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded when earned. Dividend income is recorded on the ex-dividend date. Increases in the unit values of investments are reflected in each participant's self-directed account. Investments are valued daily.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants

Notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 and 2016. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Income Taxes

The Plan adopted a non-standardized prototype plan which received an opinion letter on March 31, 2014 from the Internal Revenue Service as to the prototype plan's tax exempt status. The Plan has not applied for its own determination letter. Although the Plan has been amended since the adoption of the prototype plan, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operating, in compliance with the applicable requirements of the IRC and, therefore, believe that the plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has determined that as of December 31, 2017 there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however there are currently no audits for any tax periods in progress.

Estimates and Assumptions

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3: INFORMATION CERTIFIED BY THE TRUSTEE

The December 31, 2017 and 2016 financial statements and supplemental schedule were taken directly from statements provided and certified as complete and accurate by the Trustee, Principal Trust Company, as follows:

	2017	2016

NOTE 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) ASC 820 provides a framework for measuring fair value. That framework provides a three-tier hierarchy that prioritizes the inputs to valuation techniques used for measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

Level 1 - Inputs are unadjusted quoted prices for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, model-based valuation techniques for which all significant assumptions are observable in the market, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs that are unobservable and significant to the fair value measurement.

The asset fair value measurement level within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017.

Mutual Funds: Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts: Pooled separate accounts invest in mutual funds. The majority of the underlying assets have Level 1 quoted pricing inputs and observable Level 2 pricing inputs, including quoted prices for similar assets in active or non-active markets.

The following table sets forth by level within the fair value hierarchy, the Plan's financial assets that were accounted for at fair value on a recurring basis at December 31, 2017.

<i>Assets at Fair Value as of December 31, 2017</i>				
	Level 1	Level 2	Level 3	Total

NOTE 5: GUARANTEED INVESTMENT CONTRACT

The guaranteed investment contract (GIC) is a benefit-responsive group annuity contract issued by Principal Life Insurance Company (the “Issuer”). Principal Life maintains participant contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Principal Life, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a semiannual basis for resetting.

Certain events limit the ability of the plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the plan’s prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator believes there are no probable events which would limit the plan’s ability to transact at contract value.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their accounts.

NOTE 7: PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts and a guaranteed investment contract managed by Principal Trust Company. Fees paid by the Plan for the investment management services are recorded in net appreciation in fair value of investments. Fees for certain administrative expenses are paid to Principal Financial Group, the record keeper and third party administrator of the Plan. Notes receivable from participants are considered party-in-interest transactions. These investments and transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 8: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant’s account balances and the amounts reported in the statement of net assets available for Plan benefits.

NOTE 9: FORM 5500 RECONCILIATION

The Plan financial statements include differences from the Form 5500 as of December 31, 2017 and 2016 as follows:

	<u>2017</u>	<u>2016</u>
Net assets in Form 5500	\$ 13,142,838	\$ 10,858,304

NOTE 10: SUBSEQUENT EVENTS

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 11, 2018 the date the financial statements were available to be issued, and management has determined that no subsequent events have occurred that should be disclosed other than as disclosed below:

The Plan was amended effective April 1, 2018 to comply with the regulations under ERISA section 503.
