INDEPENDENT AUDITOR'S REPORT

Plan Administrator
JH Associate Management, LLC 401(k) Plan and Trust

Report on the Financial Statements
We were engaged to audit the accompanying financial statements of JH Associate Management, LLC 401(k) Plan and Trust (the "Plan"), which comprise the statements of net assets available for benefit - modified cash basis as of December 31, 2017, and the related statement of changes in net assets available for benefits - modified cash basis for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility
Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion
As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Mid Atlantic Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and notes receivable from participants and executes related transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2017, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion
Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2017 financial statements. Accordingly, we do not express an opinion on the 2017 financial statements referred to in the first paragraph.

Basis of Accounting
We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matter
The supplemental schedules, Schedule of Assets Held at End of Year and Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2017, are required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on these supplemental schedules.

Other Matter—2016 Financial Statements

The financial statement of the Plan as of December 31, 2016, was audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed the predecessor auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by the trustee. Their report, dated October 9, 2017, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements, and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations - 2017

The form and content of the information included in the 2017 financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

JH ASSOCIATE MANAGEMENT, LLC 401(K) PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of the JH Associate Management, LLC 401(k) Plan and Trust, (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan with a 401(k) provision covering all employees of JH Associate Management, LLC previously known as Bricton 191 Associates, LLC (the "Employer" and "Company"). Employees become eligible to participate upon attaining the age of 21, as defined in the Plan. Employees become eligible for matching contributions upon attaining the age of 21 and completing 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. Effective June 1, 2017, the Plan was renamed and was previously known as the Bricton 191 Associates, LLC 401(k) Plan and Trust.

Contributions. An eligible employee may elect to contribute a percentage of their pretax earnings and/or a percentage of their post-tax net earnings to the Plan, which are limited and subject to amounts established by the Internal Revenue Code. Participant contribution elections may be changed upon notice to the plan administrator. A participant's pretax earnings consist of total compensation including bonuses during the Plan year. A participant's post-tax earnings are comprised of earnings less all taxes and other deductions from gross earnings. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

At its discretion, the Company contributes a matching Employer contribution each payroll period to those plan participants who are active employees, as defined; however, participant contributions designated as catch-up contributions are not matched. The Company matches 100% of the first 3% of eligible compensation, as defined by the Plan, which a participant contributes to the Plan. The percentage of eligible compensation the Company will match is determined at the discretion of the Company. Additional discretionary Employer nonmatching contributions, if any, may be contributed annually at the discretion of the Company to eligible participants who are employed as of the last day of the plan year. The Company did not elect any additional discretionary contributions for the year ended December 31, 2017. Contributions are subject to certain limitations.

Participants' Accounts. Each participant's account is credited with the participant's contributions and Employer matching contributions, as well as allocations of Employer nonmatching contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options. Participants may direct their contributions among one or more funds subject to the allocation limitations set forth in the Plan. Changes in allocation of future contributions and transfers among funds of presently invested contributions are permitted pursuant to Plan provisions.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Employer contribution portion of their accounts plus actual earnings thereon is based on years of credited service. A participant becomes 33% vested after one year of service, increasing by 33% for each additional year of service until year 3 when the participant is 100% vested. However, if an active participant dies or becomes disabled prior to attaining the normal retirement age, the participant's account becomes 100% vested.

Notes Receivable from Participants. Participants may borrow from their accounts a minimum of $1,000 and up to 50% of their vested account balance, provided that such loan does not exceed $50,000. The loans are secured by the balance in the participant's account and bear interest at the local prevailing rates as determined periodically by the plan administrator. Principal and interest is paid ratably through payroll deductions.

(Continued)

JH ASSOCIATE MANAGEMENT, LLC 401(K) PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN (Concluded)

Forfeited Accounts. Forfeited balances of terminated participants' non-vested accounts are used to reduce Plan administrative expenses or future Employer contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. As of December 31, 2017, forfeited non-vested accounts were not significant to the accompanying financial statements.

Party-In-Interest Transactions. Substantially all expenses pertaining to the operation are paid out of Plan assets which are allocated among the accounts of all participants in the Plan, unless paid by the Employer. Additionally, various administrative, legal, and accounting services are performed by Employer personnel on behalf of the Plan for which no charges are made to the Plan, and for which the Employer does not intend to obtain reimbursement. Investment expenses are charged against the Plan's investment income. Certain Plan investments are shares of mutual funds managed by a related party to Mid Atlantic Trust Company, the trustee of the Plan ("Mid Atlantic" or the "Trustee"), and therefore these transactions qualify as party-in-interest transactions.

Payment of Benefits. Benefit payments are generally made in a lump-sum upon termination, disability, or normal retirement, as defined in the Plan agreement. Early voluntary withdrawals are paid based on financial hardship with approval of the plan administrator.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The accompanying financial statements are presented on the modified cash basis of accounting, which is other comprehensive basis of accounting ("OCBOA") other than accounting principles generally accepted in the United States of America. Under this method, contributions and interest and dividend income are recorded when cash is received by the Plan and benefits and administrative expenses are recorded when cash is disbursed by the Plan.

Estimates and Assumptions. The preparation of financial statements presented on the modified cash basis of accounting requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates. Future events and their effects cannot be predicted with certainty; accordingly, accounting estimates require the exercise of judgment. Accounting estimates used in the preparation of these financial statements change as new events occur, as more experience is acquired, as additional information is obtained, and as the operating environment changes.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits. Benefits are recorded when paid.

Administrative Expenses. Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

JH ASSOCIATE MANAGEMENT, LLC 401(K) PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedules that were prepared by the trustee of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from the trustee that such information is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2017 and 2016.
- Investment income and interest on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2017.
- Note 4: All investment balances.
- The schedule of assets held at end of year as of December 31, 2017, as shown on Form 5500, Schedule H, Part IV, Line 4i.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification* ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2. Inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2017 and 2016.

Mutual Funds. Valued at quoted market price. Mutual funds held by the Plan are open-ended funds that are registered with Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

(Continued)

NOTE 4 – FAIR VALUE MEASUREMENTS (Concluded)

Common Collective Trust ("CCT"). Valued using the NAV provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund minus its liabilities and then divided by the number of shares outstanding. The NAV's unit price is quoted on a private market and is not active; however, the unit price is based on underlying investments which are traded on an active market.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017 and 2016. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2017				
	Level 1	Level 2	Level 3	NAV (as a practical expedient)	Total
Mutual funds	$ 1,015,428	$ -	$ -	$ -	$ 1,015,428
Common collective trust	-	-	-	6,316	6,316
Total investment assets at fair value	$ 1,015,428	$ -	$ -	$ 6,316	$ 1,021,744

	Assets at Fair Value as of December 31, 2016				
	Level 1	Level 2	Level 3	NAV (as a practical expedient)	Total
Mutual funds	$ 878,473	$ -	$ -	$ -	$ 878,473
Common collective trust	-	-	-	4,603	4,603
Total investment assets at fair value	$ 878,473	$ -	$ -	$ 4,603	$ 883,076

Fair Value of Investments in Entities that Use NAV. The following tables summarize investments measured at fair value based on NAV per share as of December 31, 2017 and 2016, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2017	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common Collective Trust	$ 6,316	N/A	Daily	90 Days

December 31, 2016	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common Collective Trust	$ 4,603	N/A	Daily	90 Days

JH ASSOCIATE MANAGEMENT, LLC 401(K) PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 6 – TAX STATUS

The Plan uses a prototype plan document sponsored by the Mid Atlantic. The Mid Atlantic received a favorable determination letter from the Internal Revenue Service ("IRS") dated July 7, 2012, which states that the prototype document satisfies the applicable provisions of the Code. The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

NOTE 8 – DELINQUENT PARTICIPANT CONTRIBUTIONS

During the year ended December 31, 2017, the Company failed to deposit $24,450 of participant deferrals and loan repayments within the required timeframe as stated by the Department of Labor ("DOL"). The DOL considers late deposits to be prohibited transactions. The Company has remitted $24,450 of the delinquent participant contributions for the 2017 Plan year. The Company remitted lost earnings and the related excise taxes for the 2017 late contributions during 2018.

NOTE 9 – SUBSEQUENT EVENTS
