Auditors' Responsibility

Our responsibility is to express an opinion on the 2017 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. ROTTINGHAUS COMPANY 401(K) SAVINGS PLAN

Notes to the Financial Statements

December 31, 2017 and 2016

(1) Description of plan

The following description of the Rottinghaus Company 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan which was adopted to provide retirement benefits for employees of Rottinghaus Company, Inc. (the "Employer"). The Plan covers substantially all full-time employees who are age twenty-one or older and have completed one year of service ("participants"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

(b) Contributions

Participants may voluntarily make qualified retirement contributions to the Plan which are deductible by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC") or can be made after-tax in the form of a Roth contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Participant contributions are permitted up to 100% of compensation subject to certain IRC limitations.

The Plan provides that the Employer may make a discretionary matching contributions each year in accordance with an amount authorized by the Employer's Board of Directors. Employer and participant contributions may not exceed the maximum amount deductible for federal income tax purposes. Discretionary Employer matching contributions totaled \$477,209 for the year ended December 31, 2017.

The Plan also provides that the Employer may make a profit-sharing contribution each year an amount authorized by the Employer's Board of Directors; however, an annual contribution by the Employer is not required. No discretionary Employer profit sharing contributions were made for the year ended December 31, 2017.

(c) Participant accounts

Each participant's account is credited or charged with the participant's contributions, Employer contributions, investment earnings (losses) of the investment options selected by the participants, and an allocation of administrative expenses. Allocations are based on participant's compensation, account balances, or specific participant transactions as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

ROTTINGHAUS COMPANY 401(K) SAVINGS PLAN

Notes to the Financial Statements

December 31, 2017 and 2016

(d) Vesting

Participants are immediately vested in their elective salary deferral and Roth contributions plus actual earnings (losses) thereon. Vesting in the Employer's discretionary matching and discretionary profit sharing contributions are based on years of continuous service. Participants vest after six years of credited service according to the following schedule.

<u>Years of Service</u>	<u>Vesting</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participants may also become 100% vested upon full or partial termination of the Plan, or in one of the following ways, if incurred while employed: (1) death, (2) disability, or (3) reaching normal retirement age of 65.

Prior to January 1, 2017, the Employer made safe harbor matching contributions. A participant is 100% vested in the Employer safe harbor matching contributions after two years of credited service.

(e) Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes receivable from participants are secured by the balance in the participant's account and bear interest at fixed rates ranging from 4.25% to 5.50%, which are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are paid ratably through payroll deductions.

(f) Payment of benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum payment equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant will be entitled to receive only the vested interest in his or her account as a lump-sum distribution. However, if the value of a participant's balance does not exceed \$5,000, the lump sum payment will be made to the participant in the form of an IRA rollover regardless of whether he or she consents to receive it. For termination of service due to other reasons, a participant will be entitled to receive the value of the vested interest in his or her account as a lump sum distribution.

ROTTINGHAUS COMPANY 401(K) SAVINGS PLAN

Notes to the Financial Statements

December 31, 2017 and 2016

(g) Forfeited accounts

Forfeitures are created when participants terminate employment prior to becoming fully vested in the Employer contribution portion of their accounts. Such forfeitures reduce the Employer's contributions to the Plan. At December 31, 2017 and 2016, forfeited nonvested accounts totaled \$6,009 and \$115,475, respectively. These accounts may be used to reduce future Employer contributions. In 2017, Employer contributions were reduced by \$109,523 from forfeited nonvested accounts.

(h) Hardship withdrawals

The Plan permits distributions in the event of a hardship, as defined in the plan agreement. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59½. Hardship withdrawals are limited to the participant's elective account balance. If a participant receives a hardship withdrawal from the Plan, the participant will be unable to make contributions to the Plan for a period of six months.

(i) Administrative expenses

Certain administrative expenses are paid by the Employer; while certain administrative expenses are paid by the Plan. Fees related to the processing and administration of notes receivable from participants and the processing of distributions are charged directly to the participant's account. Certain fees incurred for investment management services are also paid by the Plan and included in net appreciation in fair value of investments.

(j) Plan termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

ROTTINGHAUS COMPANY 401(K) SAVINGS PLAN

Notes to the Financial Statements

December 31, 2017 and 2016

(b) Investment valuation and income recognition

Investments are stated at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value (see Note 5). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers. See Note (4) for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan agreement.

(d) Payment of benefits

Benefits are recorded when paid.

(e) Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(f) Events occurring after reporting date

The Employer has evaluated events and transactions that occurred between December 31, 2017 and October 9, 2018, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

ROTTINGHAUS COMPANY 401(K) SAVINGS PLAN

Notes to the Financial Statements

December 31, 2017 and 2016

(3) Certified information

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including the fair and contract value of investments and notes receivable from participants held at December 31, 2017 and 2016, and net appreciation in fair value of investments, interest on notes receivable from participants for the year ended December 31, 2017, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Lincoln National Life Insurance Company ("Lincoln").

(4) Investments measured at net asset value using the practical expedient

The Plan's pooled separate accounts are measured at net asset value ("NAV") per share as a practical expedient as of December 31, 2017 and 2016 to estimate fair value and, therefore, have not been classified in the fair value hierarchy.

The following table summarizes investments for which fair value is measured using the NAV practical expedient per share as of December 31, 2017 and 2016. There are no participant redemption restrictions for these investments.

<u>Description</u>	<u>Fair Value</u> <u>12/31/2017</u>	<u>Fair Value</u> <u>12/31/2016</u>	<u>Unfunded</u> <u>Commitments</u>	<u>Redemption</u> <u>Frequency (if</u> <u>currently eligible)</u>	<u>Redemption</u> <u>Notice Period</u>
Pooled separate accounts	\$17,056,663	\$14,203,648	n/a	Daily	n/a

The Plan holds pooled separate accounts that are not direct filing entities. A majority of these pooled separate accounts seek to mirror the investment objectives and strategies of the underlying mutual fund for which the pooled separate account is names. Certain other pooled separate accounts are target date funds that seek capital appreciation and current income consistent with asset allocation that become more conservative over time to the specified retirement date.

(5) Investment contract with insurance company

The Plan entered into a guaranteed investment contract with Lincoln with a contract value of \$4,210 and \$4,485 as of December 31, 2017 and 2016. Lincoln maintains the Plan's contributions in a general account which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

ROTTINGHAUS COMPANY 401(K) SAVINGS PLAN

Notes to the Financial Statements

December 31, 2017 and 2016

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Employer or other Employer events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

The investment account does not permit Lincoln to terminate the agreement prior to the scheduled maturity date.

(6) Excess contributions

Contributions received from participants for 2017 are net of payments of \$53,290 made in 2018 to certain active participants to return to them excess deferral and matching contributions, as required to satisfy the relevant nondiscrimination provisions of the Plan.

(7) Income tax status

The Employer adopted a prototype plan that received a favorable determination letter on March 31, 2014, in which the Internal Revenue Service ("IRS") stated that the prototype plan was designed in accordance with the applicable sections of the IRC. The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan itself has not received a determination letter from the IRS stating that the Plan is qualified under Section 401(a) of the IRC. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the adopted prototype plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and is therefore, qualified and exempt from taxation.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2017 or 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

ROTTINGHAUS COMPANY 401(K) SAVINGS PLAN

Notes to the Financial Statements

December 31, 2017 and 2016

(8) Related party and party-in-interest transactions

Plan investments are units of pooled separate accounts or a guaranteed investment contract managed by Lincoln and, therefore, these transactions qualify as party-in-interest transactions under ERISA. As described in Note (1), the Plan paid expenses to various service providers which also qualify as party-in-interest transactions. The Plan also holds notes receivable from participants which qualify as party-in-interest transactions.

(9) Risks and uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
