NOTE 1. DESCRIPTION OF PLAN

The following description of the R. P. Lumber & Plummer Companies 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all full-time employees of the R.P. Lumber & Plummer Companies (The Company). The Plummer Companies consist of a number of other entities under common ownership. Before October 1, 2016, employees of the Company who have one year of service, are age twenty-one or older, and worked a minimum of 1,000 hours during the Plan year could participate. As of October 1, 2016 the Plan was amended to allow employees of the Company who have six months of service and are age twenty-one or older to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Each year, participants may contribute up to 50 percent of pretax annual compensation, as defined in the Plan. Effective October 1, 2016, the Plan was amended to also allow participants to contribute up to 50 percent of post-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. All company contributions are at the discretion of the company's board of directors. In 2017 and 2016 the company contributed 12 percent of the first 15 percent of compensation that a participant contributed to the Plan. Additional profit sharing contributions were 3 percent and 2.5 percent of eligible compensation in 2016 and 2017 respectively. These contributions are invested as directed by the participants. Contributions are subject to certain limitations.

Participant Accounts:

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution and (b) Plan earnings (losses), and is charged with an allocation of administrative expenses unless paid from forfeitures. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1. DESCRIPTION OF PLAN (CONT'D)

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company contributions portion of their accounts plus earnings is based on years of credited service. To receive credit for one year of vesting, a participant must have completed at least 1,000 hours of service in a calendar year. A participant is 100 percent vested after six years of credited service.

Payment of Benefits:

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In addition, hardship distributions are permitted if certain criteria are met.

Forfeited Accounts:

At December 31, 2017 and 2016, forfeited nonvested accounts totaled $60,830 and $4,160, respectively. These accounts will be used to reduce future employer contributions, pay plan administration fees, or be reallocated to participant accounts. Also, in 2017 and 2016, previously forfeited amounts used to reduce employer contributions were $0 and $40,919 respectively.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

Basis of Accounting:

The Plan's policy is to maintain its accounting records on the accrual basis of accounting.

Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Plan assets invested in mutual funds are stated at aggregate fair value based upon quoted market prices.

The investments include a stable value fund. The fair values of participation units held in the stable value fund are based on NAV to reflect all fund investments at fair value, including direct and indirect interests in fully benefit-responsive contracts. The stable value fund generally permits redemptions daily. If the fund experiences periods of insufficient liquidity then the stable value fund may defer honoring any payment request until liquidity is sufficient. The Plan is permitted to redeem investment units at NAV on the measurement date.

See Note 3 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits:

Benefits are recorded when paid.

Administrative Costs:

Certain expenses incurred in connection with the general administration of the Plan and advisory services are paid by the Plan and are recorded in the accompanying statements of changes in net assets available for benefits as administrative expenses. Administrative expenses include recordkeeping, investment management, administrative, and audit fees.

NOTE 3. FAIR VALUE MEASUREMENT

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan classifies its investments into Level 1, which refers to securities valued using quoted prices in active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refer to securities valued based on significant unobservable inputs. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The following table sets forth, by level within the fair value hierarchy, a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2017 and 2016:

December 31, 2017	FAIR VALUE	LEVEL 1 INPUTS	LEVEL 2 INPUTS	LEVEL 3 INPUTS

*Common/collective trust fund investments are measured at fair value using the net asset value (or its equivalent) and have not been categorized in the fair value hierarchy.

NOTE 3. FAIR VALUE MEASUREMENT (CONT'D)

NOTE 4. INVESTMENTS

Unaudited Information Certified by the Plan Trustee

The December 31, 2017 and 2016 Statements of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the years then ended, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments at December 31, 2017 and 2016 of $21,386,507 and $17,521,359, respectively, and related income of $2,754,452 and $532,665, respectively.

NOTE 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

NOTE 6. PLAN MERGERS

Effective January 1, 2016, the U.S. Truss Company, Inc. 401(k) Profit Sharing Plan (the "Truss Plan") was merged with the Plan. The Truss Plan was a defined contribution savings plan, which provided for pretax contributions by employees of U.S. Truss Company. On January 1, 2016, the assets of the Truss Plan, totaling $286,852, including $17,341 of profit sharing contribution receivable, were liquidated and transferred into the plan.

Effective January 1, 2016, the Realty Centre of Edwardsville, Inc 401(k) Profit Sharing Plan (the "Realty Plan") was merged with the Plan. The Realty Plan was a defined contribution savings plan, which provided for pretax contributions by employees of Realty Centre of Edwardsville, Inc. On January 1, 2016, the assets of the Realty Plan, totaling $319,093, including $9,564 of profit sharing contribution receivable, were liquidated and transferred into the plan.

NOTE 7. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2014.

NOTE 8. PARTY-IN-INTEREST TRANSACTIONS

The plan invests in a mutual fund offered by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10. SUBSEQUENT EVENTS

The effect of subsequent events on the financial statements has been evaluated through the report date, which is the date the financial statements were available to be issued.
