Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note D, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certification from the trustee as of and for the years ended December 31, 2017 and 2016, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2017 and 2016 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, has been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Basis of Accounting

We draw attention to Note B to the financial statements, which describes the basis of accounting. GANLEY MANAGEMENT COMPANY, INC.
RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 AND 2016

NOTE A – DESCRIPTION OF THE PLAN

The following description of the Ganley Management Company, Inc. (the “Company”) Retirement Savings Plan (the “Plan”) provides only general information. The Plan covers various dealerships managed by Ganley Management Company, Inc. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the companies who have completed one year of service and have attained the age of twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan became effective January 1, 1999. Amended and restated provisions of the plan became effective July 1, 2014, including the change of the trustee to Reliance Trust Company.

Contributions

Participants may elect to contribute a portion of their pay each period to the Plan. Participants may contribute the lesser of \$18,000 for 2017 and 2016, or 75% of their compensation. If a participant reached age 50 in 2017 or 2016, the participant could contribute an additional \$6,000 to the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. These deferred contributions (salary deferrals) are not subject to federal or state income tax when the contribution is made to the Plan, instead they are taxed when paid from the Plan. Employees may revoke their election at any time during the year.

The Company makes matching contributions equal to 5% of amounts contributed by a participant during each plan year. In addition, the Company has the right to make additional discretionary contributions to the Plan. There were no discretionary contributions made in 2017 or 2016. These contributions shall be unrelated to any employee contributions made during the Plan year and shall be distributed to employees on a pro rata basis as of the end of the Plan year.

Participant Accounts

Each participant’s account is credited with (a) the participant’s contribution, (b) the Company’s contributions, and (c) Plan earnings. Each participant’s account is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company’s contributions portion of their accounts is based on years of continuous service.

NOTES TO FINANCIAL STATEMENTS

NOTE A– DESCRIPTION OF THE PLAN (CONTINUED)

Vesting (continued)

Participants are vested in Company contributions according to the following schedule:

<u>Years of Service</u>	<u>Vesting</u>
1	0%
2	0%
3	100%

Net assets available for benefits include the accounts of active participants, as well as certain separated, vested and retired participants who have elected to receive their benefits in installment payments. These participants share in the earnings of the investments.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reason, a participant receives a lump-sum amount equal to the value of the participant's vested interest in his or her account. Additionally, the Plan has provisions for an active participant to receive hardship withdrawals from his or her account, subject to limitations and restrictions.

In certain hardship situations, as described in the Plan agreement, participants may withdraw part of their account balances while actively employed, but such withdrawals are limited to the amount dictated by the hardship. Participant's withdrawals are limited to deferred account balances and may not include any interest accrued thereon.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at prime rate plus 1% (ranging from 4.25% to 5.50% for 2017 and 2016). Principal and interest is paid ratably through monthly payroll deductions.

Forfeited Accounts

Forfeitures occur when participants terminate employment before becoming fully vested in employer contributions to the Plan. At December 31, 2017 and 2016, forfeited non-vested accounts totaled \$6,841 and \$6,162, respectively. Forfeited amounts may be used to reduce administrative expenses and then future employer contributions to the Plan. For the years ended December 31, 2016 and 2015 there were \$554 and \$993 of forfeitures utilized to offset administrative expenses, respectively, and \$-0- of forfeitures utilized to offset employer contributions..

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting

The financial statements of the Plan have been prepared using the modified cash basis of accounting.

Estimates

The preparation of financial statements in conformity with modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note E for further investment disclosures.

Payment of Benefits

Benefits are recognized when paid.

Contributions

Contributions are recognized when received by the Plan. Participant contributions under accounting principles generally accepted in the United States of America are recognized when they are withheld. Employer contributions under accounting principles generally accepted in the United States of America are recognized in accordance with the requirements of the plan document.

Operating Expenses

All expenses of maintaining the Plan are paid by the Company. Plan expenses are recognized when they are paid. Plan expenses under accounting principles generally accepted in the United States of America are recognized when they are incurred.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (CONTINUED)

Reclassifications

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

Accounting Standards Update

In May 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2015-07, *Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent)*, which among other things, amends Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, to remove the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient. The standards update is to be applied retrospectively.

In July 2015, the FASB issued ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962); Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient*. Part I is not applicable to the Plan. Part II eliminates the requirement to disclose individual investments that represent 5% or more of net assets available for benefits and the net appreciation or depreciation in fair value of investments by general type. Part II also simplifies the level of disaggregation of investments that are measured using fair value. Plans will continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics and risks. Further disclosure of information about fair value measurements shall be provided by general type of plan asset. Part III is not applicable to the Plan. Part II is to be applied retrospectively.

NOTE C – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company, has the right under the Plan to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, the respective participant interest, net of any termination fees, will be distributed to each participant, in accordance with the trust agreement.

NOTE D – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to be complete and accurate by the Reliance Trust Co.

	<u>2017</u>	<u>2016</u>
Investments, at fair value	\$ 20,840,230	\$ 15,534,131

Other Income	3,998	4,004
Net Unrealized Gain (Loss) in fair value of investments	2,005,607	443,886

NOTE E – FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

- Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.
- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
- a. Quoted prices for similar asserts or liabilities in active markets
 - b. Quoted prices for identical or similar assets or liabilities in inactive markets
 - c. Inputs other than quoted prices that are observable for the asset or liability
 - d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs that are unobservable inputs for the asset or liability.

The following table set forth by level, within the fair value hierarchy, the Plans; assets at fair value as of December 31, 2017 and 2016. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 AND 2016

NOTE E – FAIR VALUE MEASUREMENTS (Continued)

Mutual Funds

Mutual funds are valued at the daily closing price as reported by the fund to the custodian. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the custodian will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

Stable Value Collective Trust

A stable value fund that is composed primarily of synthetic and traditional guaranteed investment contracts that are valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE F – TAX STATUS

The Internal Revenue Service has determined by letter dated March 31, 2008, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE G – SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 9, 2018, the date on which the financial statements were available to be issued. No events occurred that would require adjustments to, or disclosures in the financial statements
