CHICAGO BRIDGE & IRON SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2017 AND 2016

NOTE 1 – PLAN DESCRIPTION

The following description of the Chicago Bridge & Iron Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan in which certain employees of Chicago Bridge & Iron Company (“CB&I”) and certain related companies (collectively, the “Company”) are eligible to participate immediately upon hire.

Effective January 1, 2016, the Plan was amended and restated to merge The Shaw Group Inc. 401(k) Plan into the Plan, and to allow those employees to participate in the Plan. Effective May 1, 2017, the Coastal Planning & Engineering, Inc. 401(k) Profit Sharing Plan (the “CPE Plan”) was merged into the Plan. As a result of this merger, the net assets of the CPE Plan were transferred to the Plan on May 1, 2017. Participants of the CPE Plan were eligible to participate in the Plan as of the merger date.

On June 30, 2017 (the closing date), CSVAC Acquisition Corp. purchased all of the outstanding stock of certain related companies of CB&I identified in the purchase agreement as the Capital Services Group. The Plan was amended, effective as of the day prior to the closing date, to exclude those employees in the Capital Services Group from the definition of eligible employee, and to provide for full vesting of the Plan accounts of each participant who was terminated from the Capital Services Group on the closing date as a result of the acquisition.

Plan Trustee and Record-Keeper – The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Bank of America N.A. (“BoFA”) and Merrill Lynch, Pierce, Fenner & Smith, Inc. (“MLPF&S”) served as Trustee and Record-Keeper of the Plan, respectively.

Contributions – Contributions to the Plan are comprised of employee 401(k) voluntary pre-tax salary deferrals, employee voluntary after-tax Roth contributions, Company 401(k) Safe Harbor matching contributions, and annual Company contributions. Company contributions are discretionary, and participant eligibility can be constrained by union agreement, Company subsidiary, or service. Participants may contribute amounts on a pre-tax deferred basis or an after-tax Roth basis up to a maximum of 75% of eligible compensation subject to the lower of dollar limits set by the Internal Revenue Service (the “IRS”) or percentage limits set by the Company in advance of a given Plan year. Participants may elect to change their contribution percentages at any time. Participants may contribute on a pre-tax basis up to the maximum dollar amount allowed by law which is \$18,000 for 2017. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to \$6,000 for 2017. Participants may also transfer amounts representing distributions from other qualified defined benefit or defined contribution plans, subject to approval by the Company.

The Company contributes Safe Harbor matching contributions totaling 100% of the first 3% and 50% of the next 2% of employee voluntary contributions. New employees must complete one year of service to be eligible to participate in the Plan with respect to matching contributions. The Company may elect, at its sole discretion, to make a Company contribution for eligible participants (as defined below) each Plan year. To be eligible to receive a Company contribution, a participant must: (i) be employed with the Company as of the last day of the Plan year, and (ii) must complete one year of service. The amount of the Company contribution is determined as a uniform percentage of compensation and is allocated to each eligible participant following the end of the Plan year for which the contribution was made. For 2017 and 2016, the Company elected not to make a Company contribution.

Participant Accounts – Individual accounts are maintained for each Plan participant. Participant and Company contributions are allocated to investments within each participant account based upon participant-directed percentages. Investment earnings of funds are allocated to participant accounts based upon the participant’s relative percentage ownership of the total applicable fund.

CHICAGO BRIDGE & IRON SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2017 AND 2016

NOTE 1 – PLAN DESCRIPTION – continued

The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of a participant's account (see "Vesting" section below).

Investment Options – Participants may direct the investment of their account balances into any or all of a number of investment options offered by the Plan, which include: (i) mutual funds investing in equities and bonds, including certain mutual funds beyond the Trustee's family of funds, (ii) prior to May 1, 2017 a stock fund, which invests in the common stock of Chicago Bridge & Iron Company N.V. ("CB&I N.V."), CB&I's parent, and (iii) common collective trust funds. Participants may transfer account balances among investment options; however, transfers cannot cause the participant's account balance held in the CB&I N.V. stock fund to exceed 20% of the participant's entire account balance. Effective January 1, 2016 and through April 30, 2017, the limitation on the amount of CB&I stock a participant can hold shall not apply to the extent that such limit was exceeded as a result of a participant's election made before July 16, 2016 to participate in the investment advisory service called "Advice Access" provided by MLPF&S, if such limit was exceeded by the participant overriding an Advice Access asset allocation recommendation by adding Company stock to the asset allocation and holding some Company stock outside such program. Effective May 1, 2017, the Plan was amended to prohibit new investments in the CB&I stock fund. Existing investments were not liquidated, but no future contributions may be invested, and dividends are reinvested in line with the participants' investment direction election in other funds.

Unallocated Assets – Investment-related income may represent all revenue from processing fees, service fees, distribution fees, and all other fees the third-party record-keeper receives from mutual funds or collective trust providers attributable to the Plan's assets invested in such investments. Investment-related income is remitted quarterly to the Plan's trust by the third-party record-keeper to be held in an unallocated account. This account may be used to pay administrative expenses or reduce Employer contributions at the discretion of the Plan Administrator. Investment-related income remitted to the Plan's trust totaling \$9,347 in 2017 is included in other income on the statement of changes in net assets available for benefits. The balance of the unallocated account at December 31, 2017 and 2016 totaled \$296,126 and \$237,941, respectively. Administrative fees of \$3,434 were paid from the unallocated account in 2017.

Vesting – Participant contributions and all earnings on those contributions vest immediately. Company matching contributions made to the Plan prior to January 1, 2014 vest after three years of service with the Company. Company matching contributions made on or after January 1, 2014 vest immediately. If the Company elects to make an annual Company Contribution, those contributions will vest after three years of service with the Company. Participants who reach age 65 or who terminate their participation in the Plan due to death, disability, retirement, or a reduction-in-force termination, are granted full vesting in Company matching and annual Company contributions.

Notes Receivable from Participants – Participants may borrow up to a maximum amount equal to the lesser of \$50,000 less the highest outstanding loan balance during the prior twelve months or 50% of their vested account balance. The minimum loan amount is \$1,000. Participants may have two loans outstanding at any given time. Notes receivable from participants are secured by the balance in the participant's account, bear interest at a fixed rate of Prime plus 1%, and are repayable over a period not to exceed five years (with the exception of principal residence loans, which are repayable over a period not to exceed fifteen years for loans entered into prior to January 1, 2014, and ten years for loans entered into on or after January 1, 2014). Repayments of principal and interest are credited pro rata to the funds in which the participant's deferrals and Company contributions are invested. At December 31, 2017 and 2016, interest rates on outstanding loans ranged from 3.25% to 10.5%.

Due to/from Brokers – Due to/from brokers for investment securities purchased/sold include amounts payable or receivable to/from clearing organizations relating to investment security transactions to be settled.

CHICAGO BRIDGE & IRON SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2017 AND 2016

NOTE 1 – PLAN DESCRIPTION – continued

Payment of Benefits – Upon death, disability, retirement, or termination of employment, participants may receive a lump sum payment of their account balance, subject to the vesting provisions described above. The Plan also allows in-service and financial hardship withdrawals. Other payment forms are available to certain participants for accounts existing prior to January 1, 1997. A participant may withdraw all or a portion of their account in the event of financial hardship, as defined by the Plan. Additionally, certain in-service withdrawals are permitted upon attainment of age 59 ½. Upon separation, vested account balances less than \$5,000 are immediately distributable in a lump sum under the terms of the Plan without the participant's consent. If there is no direction from the participant and the vested balance is greater than \$1,000 but less than \$5,000, the vested balance will be distributed as a direct rollover into an individual retirement account selected by the Plan Administrator. If the vested balance is \$1,000 or less, it will be distributed.

Forfeitures – Forfeitures of terminated participants' nonvested account balances may be used to restore participant account balances required to be reinstated, to pay administrative expenses, or effective January 1, 2017, the Plan was amended to allow for forfeitures to reduce Safe Harbor matching contributions. Forfeited nonvested balances at December 31, 2017 and 2016 totaled \$557,162 and \$529,183, respectively. Forfeited amounts of \$1,421,199 were used to reduce Safe Harbor matching contributions in 2017.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying Plan financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). Benefit payments to participants are recorded upon distribution, purchases and sales of securities are recorded on a trade-date basis, interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments held, bought, and sold during the year.

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – The categorization of the Plan's financial instruments within the valuation hierarchy (see Note 3) is based upon the lowest level of input that is significant to the fair value measurement. Investments valued using quoted market prices in active markets are classified within level 1 of the valuation hierarchy, and investments valued using internally-developed models based upon readily observable market parameters (quoted market prices for similar assets and liabilities in active markets) are classified within level 2 of the valuation hierarchy. Investments valued using internally-developed models based upon significant unobservable market parameters would be classified within level 3 of the valuation hierarchy. The Plan did not have any level 2 or level 3 classifications as of December 31, 2017 and 2016.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 and 2016. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

CHICAGO BRIDGE & IRON SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2017 AND 2016

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in value of investments.

Recent Accounting Pronouncements – Recent accounting pronouncements issued by the Financial Accounting Standards Board ("FASB") or other authoritative standards groups with future effective dates are either not applicable or not expected to be significant to the Plan's financial statements.

Subsequent Events – On May 10, 2018 McDermott International, Inc. ("McDermott") completed its business combination with Chicago Bridge & Iron Company N.V., and the employer changed its name to McDermott. The common stock held by the Plan changed from CB&I stock to McDermott stock. The Plan has evaluated subsequent events through October 9, 2018, the date that the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Fair Value Measurements and Disclosures topic of the FASB codification provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under the framework are described as follows:

- **Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- **Level 2** – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- **Level 3** – Inputs to the valuation methodology are unobservable and significant to the fair value measurement determined using model-based techniques that include option pricing models, discounted cash flow models, and similar techniques.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

CHICAGO BRIDGE & IRON SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2017 AND 2016

NOTE 3 – FAIR VALUE MEASUREMENTS – continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

- Mutual funds: Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Common stock: Valued at the closing price reported on the active market on which the individual security is traded.
- Common collective trust funds:
 - *Stable value common trust fund* – The fund is primarily comprised of fully benefit responsive investment contracts that are valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value; however, the practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily and there are no unfunded commitments. There are no significant restrictions on participant redemptions; however, if the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly manner.
 - *Other common collective trust funds* – The fair values of the New Horizons Trust Fund and the Retirement Active Trust Funds are determined by the NAV provided by the fund administrator. Although the NAV's unit prices are quoted on a private market that is not active, the unit prices are based on underlying investments which are traded on an active market (market approach). There are also no restrictions on the NAV price or its equivalent. Participant transactions (purchases and sales) may occur daily and there are no unfunded commitments. There are no significant restrictions on participant redemptions; however, if the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require up to 60 days notification in order to ensure that securities liquidations will be carried out in an orderly manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017 and 2016:

NOTE 4 – INFORMATION PREPARED AND CERTIFIED BY THE PLAN’S TRUSTEE

The Company has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

December 31,	2017
Mutual funds	\$ 731,586,092
Common collective trust funds	976,706,488
Common stock	8,682,601
Non-interest bearing cash	9,353
Interest bearing cash	505,822
Notes receivable from participants	21,342,167
Year Ended December 31,	
Net appreciation in fair value of investments	\$ 228,724,362
Dividend income	29,050,041
Other loss	(1,365,531)
Interest income on notes receivable from participants	1,018,942

The Plan’s independent auditors did not perform auditing procedures with respect to this information except for comparing such information with the related information included in the financial statements and supplemental schedule.

NOTE 5 – EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Transactions of the Plan involving Trustee-managed investments, investments in shares of common stock of CB&I N.V., and notes receivable from participants qualify as party-in-interest transactions under the provisions of ERISA. These transactions are each exempt from ERISA’s prohibited transaction rules.

CHICAGO BRIDGE & IRON SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2017 AND 2016

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 – INCOME TAX STATUS

The Plan received a determination letter from the IRS dated April 16, 2014, stating the Plan, as amended effective January 1, 2013, is qualified under the applicable sections of the Internal Revenue Code (the “IRC”) and, therefore, the related trust is exempt from taxation. The Plan has been amended subsequent to January 1, 2013; however, the Plan Administrator and the Plan’s tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2017, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan management believes it is no longer subject to income tax examinations for years prior to 2014.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.
