**FINANCIAL STATEMENTS  
AND SUPPLEMENTARY INFORMATION WITH  
REPORT OF INDEPENDENT AUDITORS FOR**

**THE YEAR ENDED DECEMBER 31, 2017**

## INDEPENDENT AUDITOR'S REPORT

Trustees and Plan Participants of the  
Boat America Corporation Employees' Pension and Savings Plan

### **Report on the Financial Statements**

We have audited the accompanying financial statements of the Boat America Corporation Employees' Pension and Savings Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2017, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2017, and the changes in net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

**Report on Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) at December 31, 2017 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

**Other Matter—2016 Financial Statements**

The financial statements of the plan as of December 31, 2016, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by the trustee. Their report, dated June 9, 2017 indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**BOAT AMERICA CORPORATION EMPLOYEES'  
PENSION AND SAVINGS PLAN  
Notes to Financial Statements  
December 31, 2017 and 2016**

**NOTE 1 - DESCRIPTION OF PLAN**

The following description of Boat America Corporation Employees' Pension and Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General**

Boat America Corporation Employees' Pension and Savings Plan was established on January 1, 1979, as a defined contribution savings plan as described in Section 401(k) of the Internal Revenue Code (IRC). The Plan covers all full time and part-time employees of Boat America Corporation who are age twenty one or older. Employees are immediately eligible to make elective deferrals upon entry to the plan. To be eligible for employer contributions full time employees are required to work more than six months in a plan year. To be eligible for employer contributions part-time employees are required to work more than one thousand hours in a given plan year. The plan excludes temporary or seasonal employees who work only up to six months in a plan year. The plan also provides automatic employee enrollment upon eligibility. Effective July 1, 2016 the Plan terminated its IRC Safe Harbor election. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions**

Eligible participants can elect to contribute a percentage of their annual compensation, as defined in the Plan, up to the maximum allowed under the applicable provision of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Effective January 1, 2017 participants may elect to make Roth deferrals to the plan. Participants may also contribute amounts representing distributions from other qualified plans and certain IRAs. Effective July 1, 2016 the plan includes an automatic deferral provision, which provides employees with an automatic deferral of 4% of compensation, the automatic deferral percentage will increase annually by 1% of compensation up to a maximum of 15% of compensation. However, participants can elect exclusion from the automatic deferral provision. Participants may direct contributions and related earnings to a guaranteed investment contract or mutual fund accounts selected by the 401(k) Plan Trustees. At December 31, 2017 the Plan maintains 33 investment fund options that are classified by the Plan as stable, conservative, moderate, dynamic, or aggressive in nature.

**NOTE 1 - DESCRIPTION OF PLAN (Continued)**

**Contributions (Continued)**

The Voya fixed accounts are guaranteed interest accounts which are supported by investments in public bonds, private placement bonds and commercial mortgages. Participants may elect to revise investment allocations at any time using on-line access. The plan provides for annual profit sharing contributions.

**Participant Accounts**

Each participant's account is credited with the participant's contribution and allocations of (a) Boat America Corporation's contribution and, (b) Plan earnings or losses, and charged with an allocation of administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately vested in their contributions and related earnings. Through June 30, 2016, participants vested in Boat America Corporation's safe harbor contributions and profit sharing contributions immediately. Effective July 1 2016, participants vest in employer profit sharing contributions based on the years of service as follows:

| <u>Years of Service</u> | <u>Percentage Vesting</u> |
|-------------------------|---------------------------|
| Less than 2             | 0%                        |

**NOTE 1 - DESCRIPTION OF PLAN** (Continued)

**Notes Receivable from Participants**

The Plan also includes a loan provision allowing participants to borrow money from their individual accounts at amounts between \$1,000 and the lesser of \$50,000 or 50% of the participant's vested balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 7.25%, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid through payroll deductions each pay period.

**Payment of Benefits**

Upon separation of service, participants whose vested accounts that are below \$5,000 will receive an immediate lump sum distribution, while all others may elect to withdraw balances in lump sum or installments or may let the balances remain in the Plan until the participant has reached age 70½. The Plan also offers hardship withdrawals for those in need who qualify.

**Forfeited Accounts**

When termination occurs before the matching contribution is fully vested, the forfeited amount is re-distributed to remaining participants. The balance of the forfeiture account at December 31, 2017 was allocated to participant accounts in 2018.

Upon complete or partial termination of the Plan, or in the event of complete discontinuance of contributions, the rights of all affected participants to benefits accrued through the date of termination or discontinuance shall become non-forfeitable.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements of the Plan are prepared using the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, which are measured at contract value. Contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

**Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account. As of December 31, 2017 and 2016, no allowance for credit losses has been recorded. The plan administrator will consider a participant note receivable to be in default if any scheduled note repayment is not made by the end of the calendar quarter in which the missed payment was due. If a participant note receivable is considered to be in default, the note balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment.

**Investment Valuation and Income Recognition**

Investments in mutual funds of the Plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for further details of fair value measurements.

The Plan invests in a guaranteed interest contract through Voya Retirement Insurance and Annuity Company (VRIAC) annuities, which are considered fully benefit responsive fixed annuity contracts and are valued at contract value. The contract value of the VRIAC annuities equals the accumulated cash contributed and interest credited to the Plan's contracts less any withdrawals and administrative expenses. The VRIAC annuities guarantee principal and a specified interest rate.

**Investment Valuation and Income Recognition** (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year and certain investment expenses.

**Payment of Benefits**

Benefits are recorded when paid.

**Operating Expenses**

All expenses of maintaining the Plan are paid by Boat America Corporation and are excluded from these statements.

**Federal Income Tax Status**

The Internal Revenue Service (IRS) provided the Plan with a favorable determination letter dated September 1, 2014, which stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter; however, the Plan administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. Additionally, the Plan administrator has concluded there are no uncertain tax positions as of December 31, 2017 in accordance with GAAP.

**Evaluation of Subsequent Events**

Subsequent events were evaluated through September xx, 2018, the date the financial statements were available to be issued and has considered any relevant matters in the preparation of the financial statements and notes.

**NOTE 3 - FAIR VALUE MEASUREMENTS**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets that the Plan has the ability to access for identical assets or liabilities and have the highest priority. Level 2 inputs consist of quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows. Level 3 inputs are unobservable and significant to the fair value measurement and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets measured at fair value requiring the use of Level 2 or 3 inputs for the periods presented.

*Level 1 Fair Value Measurements*

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2017 and 2016:

Gains and losses included in changes in net assets available for benefits are reported in net appreciation in fair value of investments.

**NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)**

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2017 and 2016, there were no transfers between levels.

**NOTE 4 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY**

In 1999, the Plan entered into a fully benefit-responsive guaranteed investment contract with Voya Retirement Insurance and Annuity Company (VRIAC). VRIAC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by VRIAC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2017 and 2016, was \$24,444,029 and \$22,710,469, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 3% for balances held in the Voya Fixed Account ("existing fixed account") as of November 16, 2017. Effective November 17, 2017 all new investments made in the Voya Fixed Account A ("new fixed account") were credited interest at a rate of 2%. The credited interest rate on the new fixed account is reviewed and reset on a quarterly basis but is guaranteed not to drop below 1%.

**NOTE 4 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY**(Continued)

Certain events limit the Plan's ability to transact at contract value with Voya. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

**NOTE 5 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are investment funds and the guaranteed investment contracts are managed by Voya Institutional Trust Company. Voya Institutional Trust Company is the trustee as defined by the Plan and recordkeeper, therefore, these transactions qualify as party-in-interest transactions.

Participant loans also qualify as party-in-interest transactions.

**NOTE 5 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS (Continued)**

Boat America Corporation incurs certain administrative fees on behalf of the Plan and its' personnel and facilities have been used to perform administrative functions for the Plan at no charge to the Plan.

**NOTE 6 - PLAN TERMINATION**

Although it has not expressed any intent to do so, Boat America Corporation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**NOTE 7 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Boat America Corporation Employees' Pension and Savings Plan

### **Report on the Financial Statements**

We have audited the accompanying financial statements of the Boat America Corporation Employees' Pension and Savings Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2017, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2017, and the changes in net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

**Report on Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) at December 31, 2017 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

**Other Matter—2016 Financial Statements**

The financial statements of the plan as of December 31, 2016, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by the trustee. Their report, dated June 9, 2017 indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**BOAT AMERICA CORPORATION EMPLOYEES'  
PENSION AND SAVINGS PLAN  
Notes to Financial Statements  
December 31, 2017 and 2016**

**NOTE 1 - DESCRIPTION OF PLAN**

The following description of Boat America Corporation Employees' Pension and Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General**

Boat America Corporation Employees' Pension and Savings Plan was established on January 1, 1979, as a defined contribution savings plan as described in Section 401(k) of the Internal Revenue Code (IRC). The Plan covers all full time and part-time employees of Boat America Corporation who are age twenty one or older. Employees are immediately eligible to make elective deferrals upon entry to the plan. To be eligible for employer contributions full time employees are required to work more than six months in a plan year. To be eligible for employer contributions part-time employees are required to work more than one thousand hours in a given plan year. The plan excludes temporary or seasonal employees who work only up to six months in a plan year. The plan also provides automatic employee enrollment upon eligibility. Effective July 1, 2016 the Plan terminated its IRC Safe Harbor election. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions**

Eligible participants can elect to contribute a percentage of their annual compensation, as defined in the Plan, up to the maximum allowed under the applicable provision of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Effective January 1, 2017 participants may elect to make Roth deferrals to the plan. Participants may also contribute amounts representing distributions from other qualified plans and certain IRAs. Effective July 1, 2016 the plan includes an automatic deferral provision, which provides employees with an automatic deferral of 4% of compensation, the automatic deferral percentage will increase annually by 1% of compensation up to a maximum of 15% of compensation. However, participants can elect exclusion from the automatic deferral provision. Participants may direct contributions and related earnings to a guaranteed investment contract or mutual fund accounts selected by the 401(k) Plan Trustees. At December 31, 2017 the Plan maintains 33 investment fund options that are classified by the Plan as stable, conservative, moderate, dynamic, or aggressive in nature.

**NOTE 1 - DESCRIPTION OF PLAN (Continued)**

**Contributions (Continued)**

The Voya fixed accounts are guaranteed interest accounts which are supported by investments in public bonds, private placement bonds and commercial mortgages. Participants may elect to revise investment allocations at any time using on-line access. The plan provides for annual profit sharing contributions.

**Participant Accounts**

Each participant's account is credited with the participant's contribution and allocations of (a) Boat America Corporation's contribution and, (b) Plan earnings or losses, and charged with an allocation of administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately vested in their contributions and related earnings. Through June 30, 2016, participants vested in Boat America Corporation's safe harbor contributions and profit sharing contributions immediately. Effective July 1 2016, participants vest in employer profit sharing contributions based on the years of service as follows:

| <u>Years of Service</u> | <u>Percentage Vesting</u> |
|-------------------------|---------------------------|
| Less than 2             | 0%                        |

**NOTE 1 - DESCRIPTION OF PLAN** (Continued)

**Notes Receivable from Participants**

The Plan also includes a loan provision allowing participants to borrow money from their individual accounts at amounts between \$1,000 and the lesser of \$50,000 or 50% of the participant's vested balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 7.25%, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid through payroll deductions each pay period.

**Payment of Benefits**

Upon separation of service, participants whose vested accounts that are below \$5,000 will receive an immediate lump sum distribution, while all others may elect to withdraw balances in lump sum or installments or may let the balances remain in the Plan until the participant has reached age 70½. The Plan also offers hardship withdrawals for those in need who qualify.

**Forfeited Accounts**

When termination occurs before the matching contribution is fully vested, the forfeited amount is re-distributed to remaining participants. The balance of the forfeiture account at December 31, 2017 was allocated to participant accounts in 2018.

Upon complete or partial termination of the Plan, or in the event of complete discontinuance of contributions, the rights of all affected participants to benefits accrued through the date of termination or discontinuance shall become non-forfeitable.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements of the Plan are prepared using the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, which are measured at contract value. Contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

**Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account. As of December 31, 2017 and 2016, no allowance for credit losses has been recorded. The plan administrator will consider a participant note receivable to be in default if any scheduled note repayment is not made by the end of the calendar quarter in which the missed payment was due. If a participant note receivable is considered to be in default, the note balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment.

**Investment Valuation and Income Recognition**

Investments in mutual funds of the Plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for further details of fair value measurements.

The Plan invests in a guaranteed interest contract through Voya Retirement Insurance and Annuity Company (VRIAC) annuities, which are considered fully benefit responsive fixed annuity contracts and are valued at contract value. The contract value of the VRIAC annuities equals the accumulated cash contributed and interest credited to the Plan's contracts less any withdrawals and administrative expenses. The VRIAC annuities guarantee principal and a specified interest rate.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Investment Valuation and Income Recognition** (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year and certain investment expenses.

**Payment of Benefits**

Benefits are recorded when paid.

**Operating Expenses**

All expenses of maintaining the Plan are paid by Boat America Corporation and are excluded from these statements.

**Federal Income Tax Status**

The Internal Revenue Service (IRS) provided the Plan with a favorable determination letter dated September 1, 2014, which stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter; however, the Plan administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements. Additionally, the Plan administrator has concluded there are no uncertain tax positions as of December 31, 2017 in accordance with GAAP.

**Evaluation of Subsequent Events**

Subsequent events were evaluated through September xx, 2018, the date the financial statements were available to be issued and has considered any relevant matters in the preparation of the financial statements and notes.

**BOAT AMERICA CORPORATION EMPLOYEES' PENSION AND SAVINGS PLAN**  
**Notes to Financial Statements (Continued)**

**NOTE 3 - FAIR VALUE MEASUREMENTS**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets that the Plan has the ability to access for identical assets or liabilities and have the highest priority. Level 2 inputs consist of quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows. Level 3 inputs are unobservable and significant to the fair value measurement and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets measured at fair value requiring the use of Level 2 or 3 inputs for the periods presented.

*Level 1 Fair Value Measurements*

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2017 and 2016:

|                                 | <b>Quoted Prices in<br/>Active Markets<br/>for Identical<br/>Assets (Level 1)</b> |

| Mutual funds                    | <u>\$ 49,319,042</u>                                                              |
| <b><u>December 31, 2016</u></b> |                                                                                   |
| Mutual funds                    | <u>\$ 40,459,888</u>                                                              |

Gains and losses included in changes in net assets available for benefits are reported in net appreciation in fair value of investments.

**BOAT AMERICA CORPORATION EMPLOYEES' PENSION AND SAVINGS PLAN**  
**Notes to Financial Statements (Continued)**  
**December 31, 2017**

**NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)**

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2017 and 2016, there were no transfers between levels.

**NOTE 4 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY**

In 1999, the Plan entered into a fully benefit-responsive guaranteed investment contract with Voya Retirement Insurance and Annuity Company (VRIAC). VRIAC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by VRIAC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2017 and 2016, was \$24,444,029 and \$22,710,469, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 3% for balances held in the Voya Fixed Account ("existing fixed account") as of November 16, 2017. Effective November 17, 2017 all new investments made in the Voya Fixed Account A ("new fixed account") were credited interest at a rate of 2%. The credited interest rate on the new fixed account is reviewed and reset on a quarterly basis but is guaranteed not to drop below 1%.

**BOAT AMERICA CORPORATION EMPLOYEES' PENSION AND SAVINGS PLAN**  
**Notes to Financial Statements (Continued)**  
**December 31, 2017**

**NOTE 4 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY**(Continued)

Certain events limit the Plan's ability to transact at contract value with Voya. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

**NOTE 5 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are investment funds and the guaranteed investment contracts are managed by Voya Institutional Trust Company. Voya Institutional Trust Company is the trustee as defined by the Plan and recordkeeper, therefore, these transactions qualify as party-in-interest transactions.

Participant loans also qualify as party-in-interest transactions.

**BOAT AMERICA CORPORATION EMPLOYEES' PENSION AND SAVINGS PLAN**  
**Notes to Financial Statements (Continued)**  
**December 31, 2017**

**NOTE 5 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS (Continued)**

Boat America Corporation incurs certain administrative fees on behalf of the Plan and its' personnel and facilities have been used to perform administrative functions for the Plan at no charge to the Plan.

**NOTE 6 - PLAN TERMINATION**

Although it has not expressed any intent to do so, Boat America Corporation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**NOTE 7 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
