Report on the Financial Statements

We were engaged to audit the accompanying financial statements of McCreary, Veselka, Bragg & Allen, P.C. 401(k) Profit Sharing Plan & Trust, which comprise the statement of net assets available for benefits as of December 31, 2017, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in *Note 4*, which was certified by LT Trust Company and Charles Schwab Bank, the trustees of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that Charles Schwab Bank held the Plan's investment assets and executed investment transactions from July 1, 2017 to December 31, 2017 and that LT Trust Company held the Plan's investment assets and executed investment transactions as of December 31, 2016 and for the period January 1, 2017 to June 30, 2017. The plan administrator has obtained a certification from the trustees as of and for the year ended December 31, 2017, that the information provided to the plan administrator by the trustees is complete and accurate.

To the Plan Administrator of
McCreary, Veselka, Bragg & Allen, P.C. 401(k) Profit Sharing Plan & Trust
Re: Independent Auditors' Report

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2017 financial statements. Accordingly, we do not express an opinion on the 2017 financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedule

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2017, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Other Matter – 2016 Financial Statements

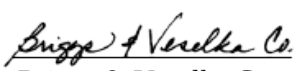

The financial statements of the Plan as of December 31, 2016, were audited by predecessor auditors. As permitted by 29 CFR 2520.103.8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by LT Trust Company, the trustee of the Plan. Their report, dated July 15, 2017, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Emphasis of Matter

As discussed in *Note 9*, a prior period adjustment has been made to the statement of net assets available for benefits as of December 31, 2016 to correct certain errors.

Report on Form and Content in Compliance With DOL Rules and Regulations 2017

The form and content of the information included in the 2017 financial statements and supplemental schedule, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The summary of significant provisions of the Plan presented below provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

Eligibility – All non-excluded employees of the Company who are at least 18 years of age are eligible to participate in the Plan. An eligible employee may enter the Plan on the same date they satisfy the age requirement. Participants are eligible for discretionary matching contributions if they are employed on the last day of the Plan year, and have completed 1,000 hours of service.

Contributions – Participants may elect to defer up to 100% of their eligible compensation into the Plan as a pre-tax or Roth 401(k) contribution, not to exceed the dollar limit set by law. The Plan provides for automatic enrollment. The Plan sponsor will automatically withhold 5% of a participant's compensation as a pre-tax 401(k) contribution unless they elect to withhold a different percentage or not to withhold at all. Participants who are age 50 or older may also make additional catch-up contributions to the Plan. Participants may elect to start, increase or reduce elections to contribute to the Plan effective as of each pay period. Participants may suspend their elections at any time.

The Company may make a discretionary matching contribution to the Plan on behalf of each participant in an amount equal to a percentage of eligible contributions made by each participant during the contribution period. For 2017, the Company made discretionary matching contributions equal to 25% of each participant's contributions.

Participants can roll over part or all of an eligible rollover distribution they receive from an eligible retirement plan into this Plan.

Participant Accounts – Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options – Participants are responsible for their investment decisions under the Plan and any resulting investment activity. The Plan currently offers various mutual funds, a money market fund, collective trust fund, and a self-directed brokerage account as investment options for participants. The value of participant accounts is updated each business day to reflect any contributions, exchanges between investment options, investment earnings or losses for each investment option and withdrawals.

Vesting – Participants are always 100% vested in their deferral contributions, including catch-up contributions and rollover contributions, plus any earnings thereon. Vesting in employer matching contributions is based on years of vesting service. Participants will become 100% vested in employer matching contributions after one year of service.

Notes Receivable From Participants – Participants may borrow from their accounts a minimum of $1,000 up to a maximum amount equal to the lesser of one-half of their vested account balance or $50,000, reduced by the highest outstanding loan balance in their account during the prior 12-month period. Loans are secured by the balance in a participant's account. All loans bear a reasonable rate of interest. Principal and interest are paid ratably through after-tax payroll deductions from each regular paycheck over a five-year period, unless it is for the purchase of a participant's principal residence in which case the loan repayment period may not exceed beyond 15 years from the date of the loan.

Payment of Benefits – Participants may receive a distribution of the vested portion of some or all of the accounts in the Plan if they request one due to their disability, retirement or termination of employment from the Company. If a participant's vested account balance does not exceed $1,000, the participant's account balance will be distributed in a lump sum. If a participant's vested account balance exceeds $1,000 but is less than $5,000, participants may either elect to receive the distribution in cash or to roll over the distribution to an IRA or other qualified plan of a new employer. If a participant's vested account balance exceeds $5,000, the participant must consent to any distribution.

Participants who have attained age 59½ may receive an in-service distribution from their vested accounts. Hardship distributions may also be made to satisfy certain immediate and heavy financial needs that a participant may have.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Company to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See *Note 3* for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and other income are recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 or 2016.

Payment of Benefits – Benefits are recorded when paid.

Administration Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events – The Plan has evaluated subsequent events through October 12, 2018, the date the financial statements were available to be issued (*see Note 11*).

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- **Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- **Level 2** – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- **Level 3** – Inputs in the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Money Market Fund – Valued at the daily closing price reported on the active market on which the individual fund is traded.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Fund – Valued at NAV based on the aggregate current fair values of the underlying assets, which is determined and published and is the basis for current transactions, in relation to the total number of units outstanding. Generally, the issuer of collective investment trusts is the underlying trust of investment vehicle which issues the units. Daily return information, including YTD (Daily) returns are calculated by Charles Schwab Bank, using NAV and distribution information provided by third-party providers.

Self-Directed Brokerage Account – The underlying investments, which consist primarily of interest-bearing cash accounts and individual corporate common stocks, are valued at the closing price reported on the open market and are classified within level 1 of the valuation hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2017			
	Level 1	Level 2	Level 3	Total

NOTE 4 – INFORMATION CERTIFIED BY TRUSTEES

The Company has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, LT Trust Company and Charles Schwab Bank, the trustees of the Plan, have certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2017 and 2016, the supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2017, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2017. Accordingly, as permitted under such election, the Company instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by the trustees, except for comparing such information certified by the trustees with information included in the Plan's financial statements and supplemental schedule.

NOTE 5 – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed by the trustees. These transactions qualify as party in interest transactions. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibited transactions rules under ERISA.

NOTE 6 – PLAN TERMINATION

Although the Company intends for the Plan to be permanent, the Company can amend or terminate it at any time. If the Company does terminate the Plan, all participants will have a 100% vested interest in their accounts as of the Plan termination date, and all accounts will be available for distribution at the same time and in the same manner as would have been permissible had the Plan not been terminated.

NOTE 7 – TAX STATUS

The Company adopted a prototype non-standardized profit sharing plan with CODA sponsored by Schwab Retirement Plan Services Inc. The prototype plan obtained its latest opinion letter on June 19, 2014, in which the Internal Revenue Service (IRS) stated that the plan, as then designed, was acceptable under section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan has not requested its own determination letter from the IRS. Although the Plan has been amended since receiving the opinion letter, the Company believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires the Company to evaluate the tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market values of investments may decline for a number of reasons, including changes in prevailing market and interest rates, increases in defaults and credit rating downgrades. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 – PRIOR PERIOD ADJUSTMENT

The statement of net assets available for benefits as of December 31, 2016 has been adjusted to correct certain errors to accurately reflect the employer contribution receivable. A summary of the prior period adjustment and its effect on line items in the statement of net assets available for benefits as of December 31, 2016 is as follows:

	Reported	Adjustments	As Adjusted
Net assets available for benefits per the financial statements	$ 15,064,493	$ 202,813	$ 15,267,306
Employer contribution receivable	9,570	202,813	212,383

NOTE 10 – RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2017 and 2016, to Form 5500:

	2017	2016

Total contributions per Form 5500	$ 1,335,280

NOTE 11 – SUBSEQUENT EVENTS

Effective March 1, 2018, the Plan was amended to remove the automatic enrollment feature.
