To the Plan Administrator and Those Charged with Governance
Agency 401(k) Solutions

Report on Financial Statements

We were engaged to audit the accompanying financial statements of Agency 401(k) Solutions (the Plan), which comprise the statements of net assets available for benefits as of December 6, 2017 (date of liquidation) and December 31, 2016 (ongoing) and the related statements of changes in net assets available for benefits for the period January 1, 2017 through December 6, 2017 (date of liquidation) and the year ended December 31, 2016 (ongoing), and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Massachusetts Mutual Life Insurance Company, the Custodian, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained certification from the Custodian as of December 6, 2017 and December 31, 2016, and for the period January 1, 2017 through December 6, 2017 (in liquidation) and for the year ended December 31, 2016 (ongoing), that the information provided to the Plan Administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

As described in Note 1 to the financial statements, the Board of Directors of Agency Benefits Corp. (the Sponsor), on December 6, 2017, approved the merger of the Plan into a multiple employer plan. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2016 financial statements to the liquidation basis used in presenting the 2017 financial statements. Our opinion is not modified with respect to that matter.

Other Matter

The supplemental schedule of Schedule H, line 4i – schedule of assets (held at end of year) as of December 6, 2017, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. The supplemental schedule is the responsibility of Plan management. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified or provided by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan

The following description of the Agency 401(k) Solutions (the Plan) provides only general information. Participants should refer to the Plan Document or a summary of plan description, both of which are available from the Plan Administrator, for a more complete description of the Plan's provisions.

General and eligibility

The Plan was established on January 1, 2015 as a defined contribution plan covering eligible employees of the Company and Participating Employers. The Plan qualifies as a multiple employer plan. With the consent of the Company, a Participating Employer may adopt the Plan and become part of the Plan by executing an adoption agreement. Participating Employers in a multiple employer plan may have different benefit formulas for their participating employees. Accordingly, each adopting employer executes an adoption agreement with the terms and conditions specific to such employer. The Plan covers all employees of Agency Benefits Corp. who have met the eligibility requirements pursuant to their respective participation agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligible employees of the Company and its adopting affiliated companies and Participating Employers may enter the Plan on various entry dates coinciding with or following the date on which the employees meet the eligibility requirements as outlined within their respective employer adoption agreement. The Plan covers employees of Participating Employers, except union employees, leased employees and non-resident aliens who receive no earned income constituting U.S. source income. Entry dates can be immediately upon employment, monthly, quarterly or semi-annually.

Effective December 6, 2017, the Board of Directors of Agency Benefits Corp. merged the Plan into the Members Advantage 401(k) Plan which is another multiple employer plan.

Contributions

Each year, participants may contribute any amount of pre-tax and after tax annual compensation, as defined by the Plan Document, up to the maximum allowable under the Internal Revenue Code (IRC). Participants may also roll over amounts representing distributions from other qualified defined benefit or contribution plans. For the years ended December 31, 2017 and 2016, individual participants' contributions were limited to \$18,000. Participants who are age 50 and older may also contribute an additional \$6,000 for each of the years ended December 31, 2017 and 2016. Participant contributions are recorded in the year in which the employer makes payroll deductions from the participants' earnings.

Participating Employers may choose to match all or a portion of participants' contributions, depending upon options selected in each Participating Employer's adoption agreement. All Participating Employer contributions are invested as directed by each participant within allowable investment options. Participating Employers' safe harbor and other matching contributions amounted to \$526,778 and \$336,709 for the periods ended December 6, 2017 and December 31, 2016.

All contributions are subject to IRC limitations.

Administrative expenses

The Plan allows certain administrative expenses to be paid from Plan assets.

Note 1 – Description of Plan, Continued

Participant accounts

Each participant account is credited with the participant's contribution and allocation of (a) the respective employer's discretionary matching contribution and discretionary contribution (if any) and (b) Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations of earnings and losses are based on the proportion of the participant's account balance to the total account balances of all participants, as defined in the Plan Document. All participant contributions are participant-directed and may be invested in one fund or allocated among different funds. Participants may change the allocation of contributions among funds pursuant to Plan provisions.

Allocation and vesting of benefits

Participants are immediately vested in their voluntary contributions plus actual earnings or losses thereon. Vesting in any employer's discretionary contributions on behalf of participants, plus any earnings or losses thereon, vest in accordance with the schedule specified in each employer's adoption agreement. Participant accounts become fully vested upon death, disability, or upon termination of the Plan.

Forfeitures

Forfeitures are used to reduce the Participating Employer's elective contribution and/or used to pay Plan administration expenses. Forfeitures are allocated to participants' accounts in the same manner as Participating Employer safe harbor matching contributions. At December 6, 2017, there were no unallocated forfeitures included in net assets available for benefits.

Payment of benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a distribution from the Plan in an amount equal to the value of the participant's vested interest in his or her account in a lump-sum distribution, or in regular installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Funds may also be accessed prior to the date they become distributable by way of a financial hardship withdrawal. Hardship withdrawals are allowable in accordance with Internal Revenue Service (IRS) guidelines.

Participant notes receivable

Plan participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans, which are collateralized by the balance in the participant's account, bear interest at prime, determined as of the date of the loan request. Principal and interest are paid ratably through monthly payroll deductions. All loans are required to be repaid within a period of five years, except loans to acquire the participant's principal residence which must be repaid in a reasonable period of time, not to exceed fifteen years.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts which are at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisor and the Custodian.

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the period.

Participant notes receivable

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 6, 2017. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan Document.

Administrative expenses

Administrative expenses for the periods ended December 6, 2017 and December 31, 2016 were \$98,914 and \$56,831, respectively. Certain administrative expenses such as accounting and legal fees are paid by the Employer rather than the participants.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and changes in net assets and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and such differences may be material.

Risks and uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the high level of risk associated with certain investment securities and the level of uncertainty related to changes in the values of investment securities, it is at least reasonably possible that changes in risks in the near-term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Plan merger

By action of the Trustees, the Company merged the Plan effective December 6, 2017, participants became fully vested in their accounts, and all assets were subsequently distributed to participants or rolled over to new plans.

Note 2 – Summary of Significant Accounting Policies, continued

Payment of benefits

The Plan records benefits when paid.

Note 3 – Information Certified by the Plan's Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Massachusetts Mutual Life Insurance Company has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown on the statements of net assets available for benefits as of December 6, 2017 and December 31, 2016;
- Net investment activity and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the period ended December 6, 2017 and the year ended December 31, 2016;
- Investment information included in the footnotes and supplemental schedule of assets (held at end of year) as of December 6, 2017.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4 – Fair Value Measurements

Accounting guidance provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1	Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.
Level 2	Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities.
Level 3	Significant unobservable inputs.

AGENCY 401(k) SOLUTIONS
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 4 – Fair Value Measurements, Continued

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the applicable methodologies used at December 6, 2017 and 2016. During the periods ended December 6, 2017 and 2016, there were no transfers of financial instruments into or out of Level 3.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds and exchange traded funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Guaranteed investment contracts - Valued at NAV based on contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2016:

	Fair Value Measurements as of December 31, 2016			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 12,364,500	\$ -	\$ -	\$ 12,364,500
Guaranteed fund *	-	-	-	1,339,409
Investments, at fair value	<u>\$ 12,364,500</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 13,703,909</u>

* In accordance with subtopic 820-10, certain investments that were measured at contract value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to present the reconciliation of the fair value hierarchy to line items presented on the statements of net assets available for benefits.

Note 5 – Fair Value of Investments in Entities that use Contract Value

The following table summarizes the investments measured at fair value based on contract value as of December 31, 2016:

Guaranteed Fixed Interest Account	<u>\$ 1,339,409</u>
-----------------------------------	---------------------

The Guaranteed Fixed Interest Account is a fully benefit-responsive investment contract and is reported at contract value in accompanying financial statements. The guaranteed fund has no unfunded commitments and can be redeemed daily.

Note 6 – Party-In-Interest Transactions

The Plan's investments include shares of mutual and guaranteed funds administered by the Custodian. Therefore, transactions in these investments qualify as party-in-interest transactions. Such transactions are permitted under provisions of the Plan and are exempt from the prohibition of related party transactions under ERISA and applicable exemptions promulgated thereunder.

AGENCY 401(k) SOLUTIONS
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 7 – Plan Transfers

In the normal course of business, the Company adds employers and assets from the individual qualified plans that the added employers previously sponsored are transferred into the Plan, when administratively feasible to do so, after the new employers adopt the Plan. Likewise, as employers leave the Company and adopt different qualified plans, assets attributable to these outgoing employers are transferred out of the Plan.

Note 8 – Tax Status

On March 31, 2014, the IRS stated that the volume submitter profit sharing plan adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself; however, the Plan's management and Plan Administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 9 – Subsequent Events

The Plan evaluated events occurring subsequent to December 6, 2017 through October 12, 2018, the date on which the financial statements were available to be issued, for matters that should be recorded in the financial statements or disclosed in the notes thereto.
