To the Board of Directors of
AIM Services, Inc. 403(b) Plan:

REQUIRED COMMUNICATIONS

Dear Board of Directors:

We have conducted a DOL limited-scope audit of the financial statements of AIM Services, Inc. 403(b) Plan for the year ended December 31, 2017 and have issued our report thereon dated October 10, 2018. As permitted by 29 CR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedule taken as a whole. We did, however, audit the form statements and supplemental schedule, other than that derived from the information certified by the custodians, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated July 23, 2018. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2017. We noted no transactions entered into by the plan during the year for which there is a lack of authoritative in the financial statements in the proper period.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was the estimate of the fair value of Plan investments. We evaluated the key factors and assumptions used to develop the fair value of Plan investments in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. We noted no particularly sensitive disclosures. The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. We did not note any corrected or uncorrected misstatements in performing and completing our audit.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting or auditing matter, whether or not resolved to our satisfaction that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter which is dated concurrent with the date of this letter.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Board of Directors and management of the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Bonadio & Co., LLP

Report on the Financial Statements
We were engaged to audit the accompanying financial statements of AIM Services, Inc. 403(b) Plan (the Plan), which comprise the statements of assets available for benefits as of December 31, 2017 and 2016, and the related statements of changes in assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements
Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility
Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion
As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by AXA Equitable Life Insurance Company and Capital Bank and Trust Company, the custodians of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that Capital Bank and Trust Company held the Plan's investment assets as of December 31, 2017 and 2016 and executed investment transactions for the period August 22, 2016 to December 31, 2017, and that AXA Equitable Life Insurance Company held the Plan's investment assets and executed investment transactions as of and for the years ended December 31, 2017 and 2016. The plan administrator has obtained certifications from the custodians as of and for the years ended December 31, 2017 and 2016, that the information provided to the plan administrator by the custodians is complete and accurate.

1. THE PLAN

The following description of the AIM Services, Inc. 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 403(b) plan established for employees of AIM Services, Inc. (the Company). The Plan is administered by management of the Company and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration

The Company is responsible for the general administration of the Plan. Capital Bank and Trust Company held the Plan's investment assets as of December 31, 2017 and 2016, and executed investment transactions from August 22, 2016 to December 31, 2017, and AXA Equitable Life Insurance Company held the Plan's investment assets and executed investment transactions from January 1, 2016 to December 31, 2017.

Eligibility

Upon employment, employees who normally work more than 20 hours per week can elect to make voluntary contributions to the plan. Employees become eligible for the Company's contribution after attaining the age of 21 and two years of service in which employment was maintained and at least 1,000 hours were worked in each year. Upon satisfying the eligibility requirements for the Company's contribution, the entry date into the plan is the first day of the Plan year.

Plan Benefits

Plan benefits begin at the normal retirement age of 59 1/2. Participants who have attained their normal retirement age shall have a 100% nonforfeitable right in the value of their account. Timing and amount of distributions are determined by the participants. The Plan does not permit early retirement. Employees are 100% vested in the Company's contribution when they become eligible for the contribution. A terminated participant or beneficiary will receive an amount equal to the vested value of the participant's account in a lump sum.

Death and Disability Benefits

Upon death or disability, a participant will have a 100% nonforfeitable right in the value of their account which will be distributed to the participant or participant's designated beneficiary.

Contributions

Contributions are subject to certain limitations. The plan permits participants to contribute up to the maximum limits on employee contributions set forth by the Internal Revenue Code (IRC). The Company has the ability to make discretionary contributions as determined by its board of directors. The discretionary contributions are allocated to eligible participants on a pro rata basis as a uniform percentage of compensation. In 2017 and 2016, the Company made discretionary contributions of approximately $300,000 and $281,119, respectively.

1. THE PLAN (Continued)

Vesting
Participants are 100% vested in their own voluntary contributions and the Employer's contribution allocated to their account plus actual earnings and losses thereon immediately upon receipt.

Participant Accounts
The Plan allows each participant to select the investments in their individual account. Each participant's account is credited with the participant's contribution, the Employer's contribution, and Plan earnings or losses, if applicable. Plan earnings or losses are based upon the participant's holdings in each of the Plan's investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Payment of Benefits
Upon termination of service, death, or disability, participants may receive the vested portion of their account in a lump sum distribution subject to certain tax withholding considerations. Benefits are recorded when paid.

Hardship Withdrawals
Participant contributions made from pre-tax compensation are subject to certain withdrawal restrictions, as specified by the Plan and the Internal Revenue Code. Hardship withdrawals may be made due to immediate financial need, as defined by the Plan. This hardship withdrawal may not exceed any immediate financial need, and all distributions and available non-taxable loans must have been obtained before the participant qualifies for a hardship withdrawal**.**

Notes Receivable from Participants
Participants are allowed to borrow from their accounts provided they borrow a minimum amount of at least $500 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan transactions are treated as transfers between the investment funds and the participant loan fund. Loans are secured by the balance in the participant's account. All loans must bear a reasonable rate of interest, one that a bank or other professional lender would charge for making a loan in a similar circumstance. Loans are required to be repaid in level payments of principal and interest. Principal and interest are paid over a term ranging from one to five years. However, loans used to acquire a principal residence may be paid over a term that exceeds five years. Principal and interest payments are made by participants on a quarterly basis. Notes receivable from participants outstanding are $52,500 and $60,700 as of December 31, 2017 and 2016, respectively. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the plan document.

Administrative Expenses
Substantially all administrative expenses associated with the Plan are paid by Plan participants as a pro-rata reduction of investment income.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan are prepared in conformity with accounting principles generally accepted in the United States of America.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options in any combination of funds offered by the Plan. These funds are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Investment Income Recognition

The Plan's investments in mutual funds are stated at fair value. Fully benefit responsive fixed investment contracts are stated at contract value, as this is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Changes in the current value of investments, including realized gains and losses on assets sold during the year, are reflected in the statement of changes in assets available for benefits as net appreciation in the fair value of investments. Dividends are recorded on the ex-dividend date and purchases and sales of securities are recorded on a trade-date basis (the date the order to buy or sell is executed). Interest income is recognized on the accrual basis.

Fair Value Measurement

Accounting Standards Codification (ASC) Section 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC Section 820 are described below:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.

- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.

- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement (continued)
The assets' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. A description of where the Plan's investments fall within the hierarchy is provided in Note 4.

The following is a description of the valuation methodology used for assets measured at fair value.

Mutual funds - Valued based on quoted prices in active markets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Guaranteed investment Contracts
The Plan has a guaranteed investment contract with AXA, which is fully benefit responsive. Contract value is the relevant measurement for that portion of the assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract is fully benefit responsive, which means withdrawals from the contract may be made for qualifying benefit payments, including participant-directed transfers. The accounts are credited with contributions and actual earnings/losses on the underlying investments and are charged for Plan withdrawals. Every year, AXA sets minimum guaranteed interest rate. AXA sets current interest rates on a monthly basis. Current interest rates may be equal to or higher than the annual minimum guaranteed interest rate, but will never be lower. Generally, there are no events that could limit the ability of the Plan to transact at contract value. There are no events that allow the issuer to terminate the contract and which require the Plan to settle at an amount different than contract value paid over time.

3. CERTIFIED INVESTMENT INFORMATION

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodians have certified the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of December 31, 2017 and 2016, and the years then ended:

	2017	2016
Total investments	$ 3,724,905	$ 3,178,204
Total investment income	$ 456,154	$ 101,629
Notes receivable from participants	$ 52,543	$ 60,713
Interest on notes receivable from participants	$ 2,804	$ 3,157
Schedule of Assets (Held at End of Year) - Schedule I		

4. FAIR VALUE MEASUREMENTS

At December 31, 2017, the Plan's investments are measured at fair value on a recurring basis and are valued as follows:

	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs	Total
Mutual funds	$ 3,190,613	$ -	$ -	$ 3,190,613

At December 31, 2016, the Plan's investments are measured at fair value on a recurring basis and are valued as follows:

	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs	Total
Mutual funds	$ 2,538,052	$ -	$ -	$ 2,538,052

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all amounts credited to the affected participants' accounts shall not thereafter be subject to forfeiture, and all unallocated amounts, including forfeitures, shall be allocated to the accounts of all participants in accordance with the provisions thereof.

6. TAX STATUS

The Plan is exempt from federal income tax under Section 403(b) of the Code. The Plan is required to operate in conformity with the Internal Revenue Code to maintain its tax exempt status for Plan participants. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

7. PARTY-IN-INTEREST TRANSACTIONS
