Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Vanguard Fiduciary Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2017, that the information provided to the plan administrator by the trustee is complete and accurate.

As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Vanguard Fiduciary Trust Company, the trustee of the Plan assets. Their report, dated October 11, 2017, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements, other than that derived from the information certified by State Street Bank and Trust Company, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, we do not express an opinion on the 2017 financial statements.

Other Matter – Supplemental Schedules

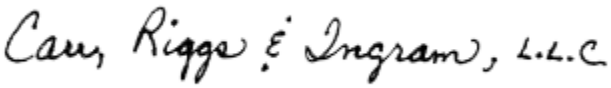

Supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2017 and Supplemental Schedule H, Line 4(a) – Delinquent Participant Contributions for the year ended December 31, 2017, are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis, and are not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on the supplemental schedules referred to above.

Other Matter – 2016 Financial Statements

The financial statements of the Plan as of and for the year ended December 31, 2016, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Vanguard Fiduciary Trust Company, the trustee of the Plan assets. Their report, dated October 11, 2017, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements, other than that derived from the information certified by State Street Bank and Trust Company, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2017 financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1: DESCRIPTION OF PLAN

The following description of the First Co. 401(k) Retirement Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a safe harbor defined contribution plan covering all employees of First Co. ("Company") who have at least six months of service and have attained the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and subsequent amendments.

Contributions

Each year participants may contribute up to the maximum amount prescribed by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The employer safe harbor matching contribution is equal to 100% of each participant's contribution to the extent that the participant's contribution does not exceed 3% of defined compensation, and 50% of each participant's contribution to the extent that it is greater than 3% but less than or equal to 5% of defined compensation. In addition, the Company can make discretionary profit sharing contributions, but no such contributions were made in 2017 or 2016. Participants direct the investment of the employer safe harbor matching and discretionary profit sharing contributions into various investment options offered by the Plan.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses not paid by the Company, if any. Allocations are based on participants' earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and in the employer safe harbor matching contributions, plus actual earnings thereon. Vesting in the discretionary profit sharing contribution portion of their accounts is based on years of service at a rate of 20% per year for five years. A participant is 100% vested after six years of credited service.

Notes receivable from participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The interest rate on the loans is the prime rate, as published by the Wall Street Journal. The loans provide for periodic repayment over a reasonable period of time. Loan repayments are made monthly by payroll deductions.

NOTE 1: DESCRIPTION OF PLAN (continued)

Payment of benefits

On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited accounts

Participants who are not 100% vested, and who receive a distribution of profit sharing contributions, are deemed to have forfeited their non-vested benefit. If participants return to work for the Company before five consecutive one year breaks in service, they may recapture the forfeited benefit, provided they repay the distribution received. At December 31, 2017 and 2016, forfeited nonvested accounts were approximately $6,000 and $19,000, respectively. These accounts may be used to reduce future employer contributions and Plan administrative expenses. During calendar years 2017 and 2016, no amounts from forfeited nonvested accounts were used to reduce employer contributions and Plan expenses.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at net asset value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. . Contract value is the relevant measurement for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts, because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change includes the Plan's gains and losses on investments bought and sold as well as held during the year. Income from fully benefit-responsive investment contracts, recorded at the contract rate, is included in interest and dividends on the statements of changes in net assets available for benefits.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2017 and 2016, no allowance for credit losses was recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

The Company pays certain Plan-related fees and expenses. However, to offset recordkeeping expenses incurred by the Company, individual participant accounts are charged $10 per quarter. Participants are also charged fees for loan initiation and maintenance.

Reclassification

Certain amounts in the 2016 financial statements have been reclassified to conform to the 2017 financial statement presentation.

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED)

At December 31, 2017 and 2016, the Plan's investments were held by Vanguard Fiduciary Trust Company ("VFTC"), the trustee of the Plan. The following is a summary of the Plan's financial information that is included in the accompanying financial statements and supplemental schedule of assets (held at end of year) based on information that was certified by VFTC as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA):

As of and for the years ended December 31,	**2017**	2016
Investments at fair value		
Mutual funds	**$ 16,041,181**	$ 12,619,443
Common/collective trusts	**5,809,114**	5,956,711
Total investments	**$ 21,850,295**	$ 18,576,154
Notes receivable from participants	**$ 521,975**	$ 503,358
Investment income	**$ 2,840,949**	$ 1,154,383
Interest income on notes receivable from participants	**$ 17,236**	$ 17,182

NOTE 4: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted, quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs are either observable prices for identical assets or liabilities in inactive markets, observable prices for similar assets and liabilities, or other inputs derived principally from, or corroborated by, observable market data at the measurement date.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the quoted market price available on an active market.

Common/Collective Trusts (CCT): Valued at the net asset value (NAV) of units held by the Plan at year-end. The NAV, as determined by the trustee of the fund based on the fair market value of the underlying assets of the fund, is used as a practical expedient to estimate fair value. As of December 31, 2017 and 2016, there are no unfunded commitments or redemption restrictions on this investment.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value of reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4: FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2017 and 2016:

		Fair value measurement at reporting date using			
	Fair value	Quoted prices in active markets for identical assets (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)	Total
December 31, 2017					
Mutual funds	**$ 16,041,181**	**$ 16,041,181**	**$ -**	**$ -**	**$16,041,181**
Common/collective trust					**5,809,114**
Total investments at fair value	**$ 16,041,181**	**$ 16,041,181**	**$ -**	**$ -**	**$21,850,295**
December 31, 2016					
Mutual funds	$ 12,619,443	$ 12,619,443	$ -	$ -	$12,619,443
Common/collective trust					5,809,114
Total investments at fair value	$ 12,619,443	$ 12,619,443	$ -	$ -	$21,850,295

For the years ended December 31, 2017 and 2016, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE 5: PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in shares of mutual funds and the collective trust fund Vanguard Retirement Savings Trust managed by an affiliate of Vanguard Fiduciary Trust Company (VFTC). VFTC acts as a trustee for only those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 7: TAX STATUS

The underlying volume submitter plan has received an opinion letter from the IRS dated May 28, 2014, stating that the written form of the underlying prototype document is qualified under the pplicable sections of the Internal Revenue Code ("IRC") and therefore the related trust is tax exempt. Any employer adopting this form of the plan will be considered to have a plan qualified under the application section of the IRC. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt and no provision for income taxes has been included in the Plan's financial statements.

Notwithstanding the foregoing, the Company identified certain operational failures occurring from 2011 through 2017. The Company is in the process of correcting these failures through the Internal Revenue Service's Voluntary Correction Program ("VCP"). In November 2017, the Internal Revenue Service provided a letter acknowledging receipt of the Company's VCP submission, but it has not yet issued a Compliance Statement. The Company believes that the plan continues to maintain its tax qualified status and the related trust will continue to be tax exempt.

NOTE 8: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9: DELINQUENT PARTICIPANT CONTRIBUTIONS

Pursuant to DOL regulations, an employer is required to segregate participant contributions from its general assets and remit to the Plan as soon as practical, but in no event later than the 15th business day following the end of the month in which amounts are contributed by participants or withheld from their wages. During the year ended December 31, 2017, the Plan sponsor determined that although within the general DOL guidelines above, it had not segregated and remitted certain participant contributions within the Plan sponsor's most practical time frame during the years 2014 through 2017 totaling $1,674,345. During 2017, the Plan sponsor filed Form 5330 with the Internal Revenue Service and paid the required excise tax on the transactions from January 2014 through June 2017. In addition, during 2017, participant accounts were credited with lost earnings and interest on earnings totaling $1,728, in accordance with the procedures described in the DOL's Voluntary Fiduciary Correction Program.
