INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
CCW Management Corp. 401(k) Plan

Report on the Financial Statements

We have audited the accompanying financial statements of the CCW Management Corp. 401(k) Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2017, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of CCW Management Corp. 401(k) Plan as of December 31, 2017, and the changes in net assets available for benefits for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

The financial statements of CCW Management Corp. 401(k) Plan as of December 31, 2016, were audited by another auditor who expressed an unmodified opinion on those statements on October 11, 2017.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) is presented for the purpose of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2017 AND 2016

NOTE 1 - DESCRIPTION OF PLAN

The following description of CCW Management Corp. 401(k) Plan (the "Plan") (formerly Cardiology Consultants or Westchester, P.C. 401(k) Profit Sharing Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions. Effective June 1, 2017, the Plan changed the custodian, record keeper and third party administrator of the Plan.

General: The Plan is a defined contribution plan and covers all employees of CCW Management Corp. (the "Plan Sponsor"), and Medical Reimbursements Associates who have one year of service, are age twenty-one or older and complete 1,000 hours of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees (the "Plan Management") is responsible for oversight of the Plan, and determines the appropriateness of the Plan's investment options and monitors investment performance.

Employer Contributions: The employers make annual safe harbor contributions to the Plan equal to at least 3% of participant's compensation. All matching contributions to the Plan are at the discretion of the employers. The participants direct the investment of their allocated amount of employer contributions into the various investment options offered by the Plan.

Employee Contributions: Participants may elect to contribute $18,000 of their pre-tax annual compensation for the years ended December 31, 2017 and 2016 as defined in the Plan, subject to certain Internal Revenue Service compliance tests. Participants who have attained age 50 before the year end of the Plan year are eligible to make catch-up contributions of $6,000 for the years ended December 31, 2017 and 2016. Participants have the election to allocate 401(k) deferrals to either a pre-tax 401(k) or an after tax Roth 401(k). The combined deferrals may not exceed the allowed 401(k) contribution limits. Participants direct the investment of their contributions into the various investment options offered by the Plan.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocation of the Employers' contribution, as well as the Plan earnings. Allocations are based on participant earnings and account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options: Upon enrollment in the Plan, participants may direct employee contributions and their allocation of the employer's contribution in any of the investment options. Participants may change their investment options daily. The Plan provides for participant directed investments.

Vesting: Participants are immediately vested in their voluntary and rollover contributions as well as the employer's safe harbor contribution plus actual earnings thereon and are 100 percent vested after two years of credited service in the allocated employer's matching contribution and earnings thereon. Employees that become totally and permanently disabled prior to their retirement date are automatically considered 100 percent vested.

Notes Receivable from Participants: Participants may borrow from their fund accounts up to the lesser of 50% of their vested account balance or $50,000. The loans are secured by the balance in the participants account and bear interest at a rate similar to those available for similar loans from commercial lending institutions. The loans currently outstanding bear interest ranging from 4.25% to 5.50%. Principal and interest is paid ratably through weekly payroll deductions.

NOTE 1 - DESCRIPTION OF PLAN (CONT'D)

Payment of Benefits: On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts: At December 31, 2017 and 2016 there were no forfeited non-vested accounts. Amounts in these accounts would be used to reduce the employers' matching contribution in future years. In 2017, employers' monthly contributions were not reduced from forfeited non-vested accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: Mutual fund and Pooled Separate Account investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 4 for a discussion of fair value measurements.

Guaranteed Investment Contracts: The Plan has a deposit administration contract with Principal Life Insurance Company. Principal Life Insurance Company maintains the Plan's deposits in an unallocated fund of various guaranteed certificates to which it adds interest, currently 1.70%, at various contractual rates. Contract value is the relevant measure attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount that would be received if permitted transactions were initiated under the terms of the plan. The Statement of Net Assets Available for Benefits presents the Participant's investments as the contract value for the guaranteed investment contracts as the contract value. The Statement of Changes in Net Assets Available for Benefits is prepared on a contract value basis for the fully benefit-responsive investment contract.

Income recognition: Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains (losses) on investments brought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Except for direct investment expenses charged directly to the Plan, all other expenses are paid by the Plan Sponsor, and are excluded from these financial statements. Fees related to a periodic or one time distribution from the participant's account are charged directly to the participant's account and are included in fees.

Subsequent Events: The Plan has evaluated subsequent events through October 11, 2018, the date the financial statements were available to be issued.

NOTE 3 - INVESTMENTS

As of December 31, 2017 and 2016 and for the year ended December 31, 2017, the investment and investment income information included in the Plan's financial statements is summarized as follows:

Investments, at Fair Value:	2017	2016
Mutual Funds	15,934,224	22,495,110
Pooled Separate Accounts	783,661	0
Total Investments, at Fair Value	16,717,885	22,495,110
Investments, at Contract Value:		
Guranteed Investment Contracts	4,854,153	0
Total Investments	21,572,038	22,495,110

Investment income consists of the following:	For the year ended December 31, 2017	For the year ended December 31, 2016
Dividend Income	$ 288,831	$ 729,004
Investment Gain	2,685,660	806,305
	$ 2,974,491	$ 1,535,309
Interest Income from Notes Receivable from Participants	$ 3,102	$ -
Other Interest Income	45,918	-
Total Interest Income	$ 49,020	$ -

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONT'D)

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts: Valued at the net asset value (NAV) or equivalent based on units of the pooled separate accounts. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is generally based on the fair value of the underlying investments held by the pooled separate account less its liabilities. This practical expedient is not used when it is determined to be probable that the pooled separate account will sell the investment for an amount different than the reported NAV. In accordance with fair value measurement guidance, these investments in pooled separate accounts have not been classified in the fair value hierarchy. At December 31, 2017 and 2016, the fair value of pooled separate accounts whose fair value is estimated using net asset value per share (or its equivalent) was $783,661 and $0, respectively.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	December 31, 2017

NOTE 5 - RELATED PARTY TRANSACTIONS

Certain Plan assets are invested in mutual funds which are managed by the Plan's trustee. These transactions, as well as notes receivable from participants, qualify as party-in-interest transactions. In 2017, the Plan paid $38,062 for administrative services. These fees are charged directly to individual participant accounts.

The Plan is administered by the Company. The expenses of administering the Plan are paid by the Company except for investment related expenses which are included in net appreciation in fair value of investments and loan maintenance fees, which are charged to the individual participant accounts.

NOTE 6 - FEDERAL INCOME TAX STATUS

On March 31, 2014, the Internal Revenue Service stated that the prototype plan used by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code ("IRC"). The Plan has been amended since the receipt of the prototype letter and has not received a determination letter specific to the Plan itself; however, the Plan administrator believes the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market values of investments may decline for a number of reasons, including changes in prevailing market and interest rates, increases in default, and credit rating downgrades. Due to the level of risk associated with such investment securities, it is at least reasonably possible that changes in risks or investment values in the near term could materially affect a participant's account balance and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 8 - PLAN TERMINATION

The Company intends to continue the Plan indefinitely but reserves the right to amend or terminate it at any time. In the event the Plan is terminated, each participant shall become fully vested in his or her account balance. Disbursements to participants shall be made in accordance with the Plan document and applicable ERISA regulations.
