WING INFLATABLES, INC. 401(k) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2017

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Wing Inflatables, Inc. 401(k) Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan was established on January 1, 2014 to provide retirement benefits for employees of Wing Inflatables, Inc. (the "Company"). The Plan is a defined contribution plan covering all employees of the Company who have attained age 21, have completed three months of service and are not members of a collective bargaining agreement and are not nonresident aliens with no U.S. source income. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and certain provisions of the Internal Revenue Code ("IRC"). Effective January 1, 2017, the Plan was amended to exclude bonuses from the definition of compensation eligible for employer discretionary matching and the entry date was amended to commence on the first day of the following quarter once eligibility requirements are met.

The Plan provides for a plan administrator who is responsible for keeping accurate and complete records with regard to the Plan's operations, informing participants of changes or amendments to the Plan's provisions, ensuring that the Plan conforms to the law and government regulations, and providing participants with any reports and documents required by law. The Plan Committee is responsible for oversight of the Plan which includes determining the appropriateness of the Plan's investment offerings and monitoring investment performance and reasonableness of fees.

Participant Contributions – Participants in the Plan may elect to contribute, on a pre-tax basis or post-tax basis ("Roth"), either a percentage or set dollar amount of annual eligible compensation, as defined by the Plan document. Participants may elect to contribute up to 100% of their annual eligible compensation, subject to annual limits specified by the IRC. For the year ended December 31, 2017, the annual limitation was $18,000. Participants who reached at least 50 years of age by the end of the Plan year are permitted to make additional catch-up contributions limited to $6,000 for the year ended December 31, 2017. Participants are also allowed to roll over contributions from other qualified retirement plans, subject to approval by the plan administrator.

Employer Contributions – The Company may make discretionary matching or other non-elective contributions, subject to certain limitations imposed by the IRC. Effective January 1, 2017, the Plan was amended so that participants would be eligible for matching contributions regardless of hours, months or days of services. For non-elective employer contributions, however, the amendment specifies that participants must complete 1,000 hours of service and be employed on the last day of the plan year to be eligible.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Accounts – Each participant's account is credited with the participant's contributions, rollover contributions and the Company's discretionary matching contributions, as well as allocations of the Company's other non-elective contributions, if any, and Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions. The benefit to which a participant is entitled is the benefit that may be provided from the participant's vested account.

Vesting – Participants are vested immediately in their voluntary contributions, rollover contributions, the Company's discretionary matching and other non-elective contributions plus actual earnings thereon.

Investment Options – Upon enrollment in the Plan, participants may direct the investment of their account balance into various investment options available under the Plan.

Notes Receivable from Participants – Participants may borrow from their vested account balance and are permitted a maximum of three loans. Permitted loan amounts range from a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of the participant's vested account balance. The term of the loan is not to exceed five years, except for loans used to finance the purchase of a primary residence. The loans are secured by the balance in the participant's vested account and bear fixed interest at the prime rate published by any Federal Reserve Bank plus 1% at the date of loan. Principal and interest are paid ratably through bi-weekly payroll deductions and notes are due and payable immediately upon termination of employment.

Payment of Benefits – Participants are eligible to receive distributions from the Plan upon reaching normal or early retirement age, termination of service, disability, or death. Distributions may be made either as a lump-sum distribution or through partial payments. Normal retirement age is 62 years and 5 years of participation in the Plan. Early retirement age is 55 years and 5 years of participation in the Plan. A participant may also be eligible for a withdrawal due to financial hardship in certain circumstances. A terminated participant, who has a vested account balance of less than $5,000 and has not provided distribution instructions to the Plan, will automatically be paid a single lump-sum distribution.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Forfeited Accounts – Forfeitures resulting from excess employer contributions may be applied to reduce future employer contributions at the discretion of the Company. At both December 31, 2017 and 2016, forfeited non-vested accounts amounted to $8. During the year ended December 31, 2017, forfeitures in the amount of $3,586 were used to pay for employer contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan's financial statements are prepared on the accrual basis of accounting, in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 or 2016. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Excess Contributions Payable – The Plan failed an Internal Revenue Service ("IRS") non-discrimination test for the years ended December 31, 2017 and 2016, and as a result, is required to refund excess contributions. Excess employee contributions amounting to $18,646 and $11,089 are recorded as a liability in the Statement of Net Assets Available for Benefits as of December 31, 2017 and 2016, respectively, and as a reduction of participant contributions in the applicable years. The Plan refunded these excess contributions to the affected participants in February 2018 and September 2017, respectively.

Payments of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain expenses paid by the Plan are proportionately allocated to the accounts of all participants in the Plan. Such expenses include fees for administrative and recordkeeping services. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment management related expenses are included in net appreciation of fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level l) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the *Fair Value Measurements and Disclosures* topic of the Financial Accounting Standards Board Accounting Standards Codification are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used by the Plan for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As of December 31, 2017 and 2016, investments in four of the Plan's options accounted for approximately 73% and 80%, respectively, of total investments.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2017			
	Level 1	Level 2	Level 3	Total
Total Assets in the Fair Value Hierarchy:				
Mutual Funds	$ 522,900	$ -	$ -	$ 522,900

	Level 1	Level 2	Level 3	Total
Total Assets in the Fair Value Hierarchy:

NOTE 4 – INFORMATION CERTIFIED BY THE CUSTODIAN OF THE PLAN

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Capital Bank and Trust Company, the custodian of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the Statements of Net Assets Available for Benefits and in Note 3 as of December 31, 2017 and 2016, and the supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2017, and the related investment income and interest income earned on the notes receivable from participants reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2017.

NOTE 5 – TAX STATUS

The Plan has adopted a volume submitter plan that has received an opinion letter dated March 31, 2014, in which the IRS stated that the volume submitter plan, as then designed, was in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal and state taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

All of the Plan's investments are mutual funds managed by American Funds, an affiliate of Capital Bank and Trust Company which is the Plan's custodian, and therefore, these transactions qualify as party-in-interest transactions.

An affiliate of Capital Bank and Trust Company provides certain administrative services to the Plan pursuant to a Recordkeeping Services Agreement. This affiliate receives revenue from investment fund service providers for services they provide to the funds. This revenue is used to offset certain amounts owed to Capital Bank and Trust Company for its administrative services to the Plan. Fees paid by the Plan for these administrative expenses are included in net appreciation in the value of investments, as they are paid through revenue sharing, rather than a direct payment.

NOTE 7 – PLAN TERMINATION

The Company has established the Plan with the expressed intention and expectation that it will continue the Plan. However, if circumstances make it impossible or inadvisable to continue the Plan, the Company reserves the right to terminate it at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Benefits will be held in the trust fund which will remain in existence until the Company requests the discontinuance of the trust agreement.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination from among the funds sponsored by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuation and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in investment value in the near term would materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

NOTE 9 – SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through October 12, 2018, the date the financial statements were available to be issued.
