NOTE 1 - PLAN DESCRIPTION

The following description of the USA Properties Fund 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description or Plan Document for a more complete description of the Plan's provisions.

General: USA Properties Fund, Inc. established the Plan effective September 1, 1995. The Plan is a defined contribution plan covering all eligible employees of USA Properties Fund, Inc. and its wholly owned subsidiaries, USA Multifamily Management, Inc., USA Construction Management, Inc. as well as its affiliates USA Multifamily Development, Inc. and USA Multifamily Housing, Inc. (collectively the "Company"). The Benefits Advisory Committee of the Company is responsible for administration and management of the Plan. All investments in the Plan are participant directed. Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company ("Principal"), a member of Principal Financial Group serves as the custodian for the Plan. The Plan is a 401(k) Plan established for the benefit of the employees of the Company. The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: Under the Plan, all employees of the Company who are at least 18 years of age, have completed one year and at least 1,000 hours of service, are eligible to participate in the Plan on the first pay period of the month that includes pay only for dates that fall after or on the first day of that month after they complete the eligibility requirements. Newly eligible employees are automatically enrolled in the Plan at a deferral rate of 3% of compensation following an election period during which the employee may either opt out of the Plan or choose a different salary deferral percentage in the manner prescribed by the plan administrator. If a different percentage is not elected, then the percentage will also be automatically increased each January 1 by 1% up to a maximum percentage of 7%.

Vesting: Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants vest in employer qualified matching and discretionary contributions at the rate of 100% after completion of two years of service.

Contributions: Each year, participants may make salary deferral contributions in any percentage of their pretax annual compensation, as defined in the Plan, subject to certain IRC limitations. The Plan has a Qualified Automatic Contribution Arrangement (QACA). The Plan Sponsor match is made at a rate of 100% of the first 1% of the employee's eligible salary deferred, plus 50% of the next 5% deferred. The total available match is 3.5%. Additional amounts may be contributed at the discretion of the Company's Board of Directors. During 2017, the Company made no additional discretionary contributions. Participants may also contribute amounts representing distributions from other qualified plans.

Participant Accounts: Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions, the Company's matching contribution, Company discretionary contributions, and Plan earnings, and charged with withdrawals, allocations of Plan losses and administrative expenses. Allocations are based on participant earnings, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Retirement, Death and Disability: A participant is entitled to 100% of his or her account balance upon retirement, death or disability.

Participant's Investment Options: Participants direct the investment of their contributions and Company contributions to various investment options offered by the Plan. Participants may change their investment options at any time directly through Principal.

(Continued)

NOTE 1 - PLAN DESCRIPTION (Continued)

Notes Receivable from Participants: Participants may borrow up to 50% of their vested accounts in the form of a loan with a minimum amount of $1,000 and maximum amount of $50,000. The loans are secured by the balance in the participant's account and bear interest at prevailing market rates at the time the funds are borrowed. Loan terms range from 1 to 5 years. Principal and interest is paid ratably through bi-weekly payroll deductions.

Payment of Benefits: Upon termination of service, due to death, disability, or retirement, a participant shall receive a distribution equal to the value of the participant's vested interest in his or her account in a lump sum or another form of payment permitted under the Plan. Upon termination of employment, participants with vested account balances of less than $1,000 will automatically receive a lump-sum distribution. Terminated participants with account balances greater than $1,000 who do not specify what they want done with their accounts will have their accounts rolled into a money market account held with Principal. Participants may defer benefit payments when they reach age 70-1/2 if they are still actively employed. A participant may also request a distribution in the event of hardship, per the provisions of the Plan. As of December 31, 2017 and 2016 there were no benefits payable to participants that have elected to withdraw from the Plan, but have not yet been paid.

Forfeitures: Matching and discretionary forfeitures from the nonvested portion of terminated employees' account balances are used to offset the first employer contribution made after the forfeiture is determined. Forfeitures totaling $7,644 were used to reduce employer contributions during 2017.

Plan Termination: Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

Administrative and Investment Management Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Plan recordkeeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan.

Subsequent Events: Plan management has evaluated subsequent events for recognition and disclosure through October 10, 2018, which is the date the financial statements were available to be issued. Effective January 1, 2018, the Plan was amended to allow for a Roth 401(k) deferral option.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value as further described in Note 5. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes net unrealized market appreciation and depreciation of investments and net realized gain and losses on the sale of investments during the period.

(Continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Risks and Uncertainties: The Plan utilizes various investment instruments. Investments, in general, are exposed to various risks such as interest rate, credit, liquidity, and overall market volatility. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Payment of Benefits: Benefits are recorded when paid.

NOTE 3 - UNAUDITED INFORMATION – CERTIFIED INVESTMENTS

Substantially all information pertaining to the Plan's investments included in the financial statements, including the associated investment income, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Principal and Principal Life Insurance Company ("PLIC"). This information has not been audited by independent accountants.

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into an investment contract with PLIC, member of Principal. The accounts are credited with actual earnings on the underlying investments and charged for withdrawals and administration expenses. The reported value includes contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Withdrawals are subject to a charge; therefore, the contracts are not considered to be fully benefit responsive. There are no reserves against contract value for credit risk of the issuer or otherwise. As of December 31, 2017, the Plan no longer holds an investment contract.

NOTE 5 - FAIR VALUE MEASUREMENTS

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1 - Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2 - Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

(Continued)

NOTE 5 - FAIR VALUE MEASUREMENTS (Continued)

Level 3 - Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments.

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Investment Contract: As investment contracts are not transferable, observable prices for identical or similar investments do not exist. Accordingly, the Plan's investment contract is valued using unobservable inputs (Level 3). Fair value of the investment contract is based on the amount the Plan Sponsor would receive currently if they were to withdraw or transfer funds within the Plan prior to their maturity for an event other than death, disability, termination or retirement. This fair value represents contract value adjusted to reflect current market interest rates only to the extent such market rates exceed crediting rates.

Stable Value Fund: The fair values of participation units in the stable value fund are based upon the net asset values of such fund, as reported in the audited financial statements of the fund. The stable value fund provides for daily redemption by the Plan, at reported net asset values per share, with no advance notice requirement.

(Continued)

NOTE 5 - FAIR VALUE MEASUREMENTS (Continued)

Investments measured at fair value on a recurring basis are summarized below:

		Fair Value Measurements at December 31, 2017, Using		
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

Stable value fund *	586,324	-	-	-

		Fair Value Measurements at December 31, 2016, Using		
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$ 15,640,643	$ 15,640,643	$ -	$ -

Stable value fund *	632,538	-	-	-
Total	$ 16,280,991	$ 15,640,643	$ -	$ 7,810

*Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

(Continued)

NOTE 5 - FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 assets for the year ended December 31, 2017.

	Guaranteed Investment Contract
Balance, December 31, 2016	$ 7,810
Contract redemptions and administrative expenses	(7,810)
Balance, December 31, 2017	$ -

NOTE 6 - FEDERAL INCOME TAX STATUS

The Internal Revenue Service issued an opinion letter dated March 31, 2014, indicating that the prototype adopted by the Plan as then designed, was in compliance with applicable provisions of the Internal Revenue Code. Although the Plan has been amended from the original prototype document, Plan management believes that the Plan is currently being operated in accordance with the Internal Revenue Code and continues to be exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2017 and 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2014.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. The Plan hold a guaranteed investment contract with PLIC. PLIC is a service provider to the Plan and therefore these transactions and the Plan's payment of fees to PLIC and Principal qualify as party-in-interest transactions.

The Plan issues loans to participants, which are secured by the balances on the participant’s accounts. These transactions, shown on the financial statements as notes receivable from participants qualify as party-in-interest transactions.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company.
