INDEPENDENT AUDITORS' REPORT

October 11, 2018

To the Trustees of
Javitch Block, LLC
401(k) Profit Sharing Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Javitch Block, LLC 401(k) Plan, which comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2017, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Plan management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Wells Fargo Bank, N.A., the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2017 and for the year then ended, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Our opinion is not modified with respect to that matter.

Other Matters

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

The financial statements of the Plan as of and for the year ended December 31, 2016, were audited by other auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by Wells Fargo Bank, N.A. Their report, dated September 1, 2017, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements; and (b) the form and content of the information included in the financial statements other than that derived from the information certified by Wells Fargo Bank, N.A., were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2017 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The financial statements of the Plan as of and for the year ended December 31, 2016, were audited by other auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by Wells Fargo Bank, N.A. Their report, dated September 1, 2017, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements; and (b) the form and content of the information included in the financial statements other than that derived from the information certified by Wells Fargo Bank, N.A., were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2017 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

JAVITCH BLOCK LLC 401(K) PLAN PROFIT SHARING PLAN

Notes to the Financial Statements

December 31, 2017 and 2016

Note 1 - Plan Description

The following description of the Javitch Block, LLC 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established on January 1, 1985. The Plan covers all full-time employees of Javitch Block, LLC who have one month of service and are age 21 or older. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year, participants may contribute a percentage of pretax annual compensation, not to exceed the limits of Internal Revenue Code Sections 401(k), 402, 404, and 415. Participants who have attained age fifty (50) before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company may also make discretionary contributions, if elected. No Company contributions were made for years 2017 and 2016. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and an insurance investment contract as options.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of Plan earnings and charged with an allocation of administrative fees. Allocations are based on participant earnings or account balances, as defined. Forfeitures are maintained by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balances in the participants' account and bear interest ranging from 5.25% to 6.25%. Principal and interest is paid through payroll deductions. During the year ended December 31, 2017 and 2016, interest income of \$7,587 and \$7,684 was received on participant loans, respectively.

Note 1 - Plan Description (Continued)

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant will generally receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Upon termination of service, other than due to death, disability, or retirement, a participant with an account balance under \$1,000 will automatically receive a payout equal to the value of the participant's vested interest.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting and include recognition of net unrealized appreciation and depreciation of investments and gains and losses on sales of investments. Certain revenues and the related assets are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred.

Investment Valuation and Income Recognition

The Plan investments are reported at fair value, except for its pooled investment fund, which is valued at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Operating Expenses

Certain administrative expenses of the plan are paid by the Plan Sponsor and are excluded from these financial statements.

Payment of Benefits

Benefits are recorded when paid.

Note 3 - Information Prepared and Certified by Wells Fargo, N.A.

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2017 and 2016, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2017, was obtained or derived from information supplied to the Plan Administrator and certified as complete by Wells Fargo Bank, N.A., the trustee of the Plan.

Note 4 - Tax Status

The Internal Revenue Service has determined that the volume submitter profit sharing plan with CODA and the related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC), and therefore, are not subject to tax under present income tax law by letter dated March 31, 2014. The Plan's administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2014.

Note 5 - Fair Value Measurement

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are significant observables other than quoted prices in active markets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. There were no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements: The fair value of investments is based on quoted net asset values of the shares held by the Plan at year-end. The mutual funds held by the Plan are open-end funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Level 2 Fair Value Measurements: The fair value of investments is based on quoted prices for similar assets in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; other observable inputs; inputs that are derived by observable market data by correlation or other means.

Level 3 Fair Value Measurements: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Common / collective trusts: Valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2017:

Description	Asset at Fair Value as of December 31, 2017			
	(Level 1)	(Level 2)	(Level 3)	Total
Mutual funds	\$ 1,058,464	\$ -	\$ -	\$ 1,058,464

Total assets	<u>\$ 1,058,464</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,344,813</u>

Note 5 - Fair Value Measurement (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2016:

Description	Assets at Fair Value as of December 31, 2016			
	(Level 1)	(Level 2)	(Level 3)	Total

Total assets at fair value	<u>\$ 1,725,817</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,123,584</u>

The following tables summarize investments measured at fair value using the net asset value per share as the practical expedient as of December 31, 2017 and 2016, respectively.

December 31, 2017				
Investment	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period

Investment	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common / collective trust	\$ 6,397,767	n/a	Daily	None

Note 6 - Various Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan's assets include investments in mutual funds, which are subject to potential volatility in the underlying investment markets. This volatility has the potential to have a severe impact on the values of such investments, and it is at least reasonably possible that this could occur in the near term.

As of December 31, 2017, the Plan held \$4,237,300 in the Wilmington Trust fund family, which is approximately 67% of total investments. Therefore, net assets available for benefits are particularly sensitive to changes related to these investments.

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Note 8 - Party-in-Interest Transactions

Wells Fargo Bank, N.A. has physical and administrative control of certain plan assets, and is responsible for the safekeeping of the Plan's assets, investments of funds, and other transactions as directed by the plan administrator or participants. The plan assets are invested in investment options offered by Wells Fargo Bank, N.A. as directed by the plan participants. Administrative expenses paid by the Plan to Wells Fargo Bank, N.A. amounted to \$35,203 and \$16,848 for the years ended December 31, 2017 and 2016, respectively.
