INDEPENDENT AUDITORS' REPORT

**To the Board of Trustees
Cardone Industries, Inc.
401(k) Safe Harbor Plan**

Report on the Financial Statements

We have audited the accompanying financial statements of Cardone Industries, Inc. 401(k) Safe Harbor Plan ("the Plan"), which comprises the statements of net assets available for benefits as of December 31, 2017 and 2016, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2017 and 2016, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2017, referred to as “supplemental information,” is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan’s management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

The Plan's investments are held by the trustee of the Plan, BMO Harris Bank N.A. ("BMO") for the 2017 and 2016 Plan years.

EMPLOYEE CONTRIBUTIONS

The Plan provides employees with an option to enter into a salary reduction agreement with the Company, whereby a portion of the employee's compensation may be deferred by having the Company contribute such amount on the employee's behalf to the Plan. The maximum amount which an employee may elect to defer with respect to any plan year is subject to limitations as provided by the Internal Revenue Code. Employees can direct their elected deferral into multiple investment options offered by the Plan.

EMPLOYER CONTRIBUTIONS

The Company contributed a matching percentage of 40% of the participant's eligible contributions for the 2017 and 2016 plan years. In addition, the Company may elect to make an additional matching contribution equal to a discretionary percentage of the participant's salary deferral.

The Company has made a non-elective contribution for all eligible non-union employees equal to 3% of compensation for the years ended December 31, 2017 and 2016, as required to maintain the Plan's status as a safe harbor plan.

The Company has made an annual discretionary contribution in the amount of 2% of an eligible non-union employee's compensation in lieu of contributions to the Company's terminated Employee Stock Ownership Plan ("ESOP") and a 2% discretionary contribution of an eligible non-union employee's compensation for profit sharing, for the years ended December 31, 2017 and 2016.

FOR THE YEARS ENDED DECEMBER 31, 2017 AND 2016

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

EMPLOYER CONTRIBUTIONS (CONTINUED)

The Company has made an annual discretionary contribution in the amount of 3% of an eligible union employee's compensation for the years ended December 31, 2017 and 2016, in lieu of contributions to the Company's frozen Union Employees' Pension Plan and 2% of an eligible union employee's compensation for the terminated Employee Stock Ownership Plan ("ESOP").

Total employer contributions for 2017 and 2016 totaled approximately \$4,504,000 and \$6,324,000, respectively. Included within the 2017 and 2016 employer contributions was approximately \$652,000 and \$701,000, respectively, in contributions for eligible employees in lieu of contributions not made to the ESOP due to its termination.

Included within the 2017 and 2016 employer contributions were approximately \$1,092,000 and \$1,581,000, respectively, in contributions for eligible employees in lieu of contributions not made to the Cardone Industries, Inc. Union Employees' Pension Plan due to the Plan being frozen to new participants and benefit accruals.

FORFEITURES

Forfeitures by terminated employees of amounts not vested are used to reduce employer contributions. Employee forfeited, nonvested amounts were approximately \$182,000 and \$124,000 at December 31, 2017 and 2016, respectively. Employer contributions were reduced by approximately \$124,000 and \$117,000, from forfeited nonvested accounts, in 2017 and 2016, respectively.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's deferral contribution, employer contributions, if any, and an allocation of net investment income and charged with an allocation of administrative expenses. Benefit payments, if any, are specifically charged to the participant's account. Allocations are based on the participant's earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Participants may change their investment options at any time.

Amounts allocated to persons who terminated from the Plan, but have not been paid, totaled approximately \$21,173,000 and \$12,353,000 at December 31, 2017 and 2016, respectively.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 5.50% for the years ended December 31, 2017 and 2016, respectively, which are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest is paid ratably through weekly payroll deductions over a one to five year period, except for loans for the purchase of a principal residence, which may be repaid over a reasonable period of time that may be longer than five years.

If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. Defaulted loans totaled approximately \$194,000 and \$206,000 for 2017 and 2016, respectively, and are included in benefits paid to participants and terminated employees on the accompanying statements of changes in net assets available for benefits.

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon, as well as the companies non-elective safe harbor contribution. Vesting in the Company's discretionary matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	--%
2	20%
3	40%
4	60%
5	80%
6	100%

PAYMENT OF BENEFITS

On termination of service due to death, disability, hardship distributions, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. If the participant's vested account balance exceeds \$5,000, they may elect to delay distribution until required by law to receive minimum required distributions. In-service and hardship withdrawals are available in certain limited circumstances, as defined by the Plan.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PLAN TERMINATION

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions and earnings thereon.

During 2017 and 2016, employee terminations related to the restructuring of certain Company divisions resulted in a partial plan termination. At the time of the partial plan termination, in accordance with the provisions of ERISA, all affected participants became 100 percent vested in their account balances upon termination.

RECLASSIFICATIONS

Certain prior year balances have been reclassified to conform to the current year financial statement presentation. The reclassifications had no effect on the increase in net assets available for benefits.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

USE OF ESTIMATES

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

PAYMENTS OF BENEFITS

Benefits are recorded when paid.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION (CONTINUED)

The Plan's investment committee determines the Plan's valuation policies utilizing information provided by its investment advisors and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses (realized and unrealized) on investments bought and sold, as well as held during the year.

CONCENTRATIONS OF CREDIT RISK

At December 31, 2017 and 2016, the Plan maintained 100% of its investments through BMO.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 or 2016. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

ADMINISTRATIVE EXPENSES

Certain recordkeeping and administrative expenses of the Plan are borne by the Company. Expenses that are paid directly by the Company are excluded from these financial statements. Third party administrator fees and custodian fees are paid by the Plan and are recorded as deductions in the accompanying Statements of Changes in Net Assets Available for Benefits. Various transaction charges including new loan set-up, loan maintenance, distribution, and investment fees, are charged directly to the respective participants' accounts and represent substantially all of the Plan's administrative expenses. In addition, certain investment related expenses are included in net (depreciation) appreciation of fair value of investments presented in the accompanying Statements of Changes in Net Assets Available for Benefits.

NOTE 3 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements

Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The Plan does not maintain Level 3 assets.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Valuation at this level is based on judgement and could differ from the findings of others.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Mutual Funds: Valued at the daily closing price as reported by the fund. Funds held by the Plan are open-ended funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2017 and 2016. During 2017 and 2016, there were no transfers of financial assets or liabilities between levels within the fair value hierarchy.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

- (a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT

The following table summarizes investments for which fair value is measured using the net asset value per share, a practical expedient as of December 31, 2017 and 2016, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2017	Fair Value	Unfunded Commitments Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common and Collective Trust:

NOTE 4 - TAX STATUS

The Plan obtained its latest determination letter on December 12, 2002, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - ADMINISTRATION OF PLAN ASSETS

The Plan's assets, which consist principally of investments, are held by BMO, the trustee of the Plan for the 2017 and 2016 Plan years. Certain administrative functions are performed by employees of the Company. No employees received compensation from the Plan.

NOTE 6 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Fees paid by the Plan for the investment management services to BMO amounted to approximately \$243,000 and \$246,000 for the years ended December 31, 2017 and 2016, respectively, and are included in administrative expenses on the accompanying Statements of Changes in Net Assets Available for Benefits.

Fees paid by the Plan for the investment management services to UBS Investment Advisors, amounted to approximately \$125,000 and \$110,000 for each of the years ended December 31, 2017 and 2016, respectively, and are included in administrative expenses on the accompanying Statements of Changes in Net Assets Available for Benefits.

The Plan extends loans to participants, who are considered parties-in-interest, therefore, these transactions qualify as party-in-interest transactions.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 8 - SUBSEQUENT EVENTS

In May 2018, all of the plan assets were transferred from the former trustee, BMO, to Prudential Retirement.

The Plan's management has evaluated subsequent events occurring through October 12, 2018, the date the financial statements were available for issuance.
