INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator
DeSoto Sales, Inc. 401(k) Profit Sharing Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the DeSoto Sales, Inc. 401(k) Profit Sharing Plan, which comprise the statement of net assets available for benefits as of December 31, 2017 and 2016 and the related statement of changes in net assets available for benefits for the year ended December 31, 2017 and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Transamerica Financial Life Insurance Company ("Transamerica"), the custodian of the Plan for 2017 and Reliance Trust Company ("Reliance"), the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that Transamerica and Reliance through their service providers, hold the Plan's investment assets and execute investment transactions. The Plan administrator has obtained a certification from Transamerica and Reliance as of and for the year

ended December 31, 2017 and 2016, that the information provided to the plan administrator by Transamerica and Reliance is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matters – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the Basis of Accounting. The enclosed financial statements for 2017 and 2016 are prepared on the accrual basis of accounting. The 2016 financial statements were originally prepared on the modified cash basis of accounting in the prior year, which is a basis of accounting other than accounting principles generally accepted in the United States of America. However, the 2016 financial statement included herein has been restated to the accrual basis of accounting. Our opinion is not modified with respect to this matter. Note 2 describes the effects of the change in the basis of accounting from 2016 to 2017 and Note 9 provides a reconciliation of the financial statements at December 31, 2017 and 2016 to the Schedule H in Form 5500 for each applicable period.

Other Matters

The supplemental schedule of the Schedule of Assets Held at December 31, 2017, which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by Transamerica and Reliance, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

To be eligible for employer matching contributions, employees must be at least 21 years old and completed one period of service. Period of service is defined as "twelve months have passed since the date of hire".

To be eligible for profit sharing contribution, employees must meet all the eligibility requirements as employer matching contributions, and, in addition, employees must be employed on the last day of the Plan year.

Plan Administration: The Company is the Plan sponsor and Transamerica Retirement Solutions, LLC is the third-party Plan administrator. Together they are responsible for Plan compliance with the provisions of ERISA. Transamerica Financial Life Insurance Company ("Transamerica") is the Plan custodian. Reliance Trust Company ("Reliance") is the Plan trustee.

Contributions: Participants may elect to contribute to the Plan based on a percentage of their annual earnings within the limitations as defined in the Internal Revenue Code (IRC). In addition, in any calendar year in which a participant is age 50 or above, an additional "catch-up contribution" may be made.

The Plan allows participants to roll over balances from other retirement accounts.

The Plan provides for employer matching of participant contributions. The Plan sponsor's discretionary matching contributions were 50% of employees' deferral, up to 6% of eligible compensation for 2017. The total matching contribution for the Plan year 2017 was approximately $123,000.

The Company also makes discretionary profit sharing contributions to the Plan. The 2017 profit sharing contribution received in 2018 was approximately $245,000. The 2016 profit sharing contribution received in 2017 was approximately $235,000.

1. DESCRIPTION OF THE PLAN (Continued)

Participant Accounts: Each participant's account is credited with their voluntary contribution, the Company's matching contribution and an allocation of the Company's discretionary profit sharing contribution and plan earnings. Participants may direct their deferral contributions and the employer's matching and discretionary contributions, if any, to a selection of regulated investments. Allocations of the discretionary profit sharing contributions are allocated based on a percentage of the participant wages, as defined. Allocations of plan earnings are based on actual earnings on participant-directed investments. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their voluntary and rollover contributions, plus actual earnings thereon. Vesting by the participant in the employer's matching contributions and the discretionary profit sharing contributions, plus actual earnings thereon, is based on the number of years of continuous service. A participant is 100% vested after 6 years of credited service, or upon death or disability.

Benefits: Upon termination of service, benefit payments may be made as lump-sum, partial lump-sum, or installment payments. In-service and hardship distributions are permitted if certain criteria are met.

Participant Loans: The Plan does not allow for participants to borrow from their fund accounts.

Forfeitures: Forfeited balances of terminated participants' non-invested accounts can be applied to reduce the Company discretionary profit sharing contributions or the plan expense. For the year ending December 31, 2017 and 2016, net assets available for benefits include a forfeiture balance of $36,017 and $33,871, respectively, which are available to offset future employer contributions and plan expense. In 2017, $6,792.09 was used to pay plan administrative fees.

Plan Costs: The Company absorbs a significant amount of the Plan's administrative costs, which include trustee fees, maintenance fees, audit fees and other costs associated with the annual tax return filing.

Plan Termination: Although it has not expressed any intent to do so, the Company has the authority to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, participants will become 100% vested in their accounts.

2. SUMMARY OF SIGNFICIANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan have been prepared on the accrual basis of accounting. The security investments are stated at fair value. Note 9 is a reconciliation of the financial statements to Schedule H of Form 5500. The 2016 Form 5500 was prepared on the modified cash basis of accounting, which is a different basis of accounting than the 2016 financial statement included herein. The financial statements were originally prepared on the modified cash basis of accounting in the prior year. However, the 2016 financial statement included herein was revised to an accrual basis of accounting to be comparable with the 2017 financial statements.

2. SUMMARY OF SIGNFICIANT ACCOUNTING POLICIES (Continued)

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for further information regarding fair value measurement. The Plan presents, in the statement of changes in net assets available for Plan benefits, the net appreciation in the fair value of the investments, which consists of realized gains or losses and the unrealized appreciation or depreciation of those investments.

Delinquent Contributions: During 2016 plan year, management identified certain participant and employer matching contributions of approximately $4,500 that were not deposited within the required time period. Management has followed the procedures to correct the delinquent contributions in 2017 and reported the delinquent amounts to the appropriate governing agencies. In addition, $623 interest on lost of earnings was contributed by the employer and reported as other income in 2017 Plan year.

Plan Costs and Expense: The general administration and investment fees are paid by the plan participants proportionally based on the value of account balance. Participants may be assessed fees directly associated with administration of their individual accounts, including fees related to the processing of distributions. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

Benefit Payments: Benefits are recorded when paid.

Date of Management's Review of Subsequent Events: Subsequent events were evaluated through October 12, 2018, which is the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Statement No. 157, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements). The three levels of the fair value hierarchy under FASB Statement No. 157 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. All of the Plan's assets at December 31, 2017 are Level 1 assets.

Level 2: Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or

3. FAIR VALUE MEASUREMENTS (Continued)

liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. The Plan has no level 2 assets at December 31, 2017.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The Plan has no Level 3 assets at December 31, 2017.

An asset's or a liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs

The valuation method described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2017, are reported in net appreciation in fair value of investments.

4. INVESTMENTS AND CERTIFICATION BY CUSTODIAN (UNAUDITED)

As permitted by an election under CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the Plan's auditors not to perform any auditing procedures with respect to the information certified by Transamerica and Reliance, except for comparing the information with the related information included in the financial statements and supplemental schedule.

Total investments held and certified by Transamerica in the Plan's Statements of Net Assets Available for Benefits is $8,624,250 as of December 31, 2017. Total investments held and certified by Reliance in the Plan's Statements of Net Assets Available for Benefits is $7,243,595 as of December 31, 2016. Net investment income certified by Transamerica and Reliance in the Plan's Statement of Changes in Net Assets Available for Benefits was $999,620 for the year ended December 31, 2017.

The following is a summary of financial information reflected in the Plan financial statements as certified by Transamerica and Reliance, as of December 31, 2017 and 2016, and for the year ended December 31, 2017, in accordance with CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

5. TAX STATUS

The Plan is governed by a standardized plan document that received its most recent favorable opinion letter from the Internal Revenue Service (IRS) on March 31, 2008, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the March 2008 opinion letter; however, the Plan's administrator and advisors believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

The Plan is subject to routine audits by taxing jurisdictions; however, as of December 31, 2017, the Plan has not been advised that any of its tax filings will be audited. As of December 31, 2017 the Plan's tax returns generally remain open for the last three years.

6. PARTIES-IN-INTEREST

In addition to the Plan sponsor, the Plan custodian and the Plan trustee, parties-in-interest include Merrill Lynch, the Plan's financial advisor, and Transamerica Retirement Solutions, LLC, the Plan's third party administrator, who provides Plan administrative service, recordkeeping service and compliance consulting service. Transactions with all parties-in-interest for the years ended December 31, 2017 were exempt from the prohibited transaction rules under ERISA.

In 2017, the Plan incurred $33,247 for recordkeeping and administrative service by Transamerica Retirement Solutions, LLC. In 2017, the Company received a credit from Merrill Lynch in the amount of $26,158, which has been included in other income in 2017.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. SUBSEQUENT EVENTS

Subsequent to the end of the year, the Plan sponsor amended the plan document in the following areas:

a. The employer is permitted to contribute the current Plan year employer matching true-up contribution after the end of the Plan year.
b. The Plan participants must be employed on the last business day of the Plan year in order to be eligible for a profit sharing contribution.
