Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Seidner & Co., Inc. 401(k) Profit Sharing Plan & Trust (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2017 and 2016, and the related statement of changes in net assets available for benefits for the year ended December 31, 2017, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Mid Atlantic Trust Company (Mid Atlantic), except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that Mid Atlantic holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from Mid Atlantic for the years ended December 31, 2017 and 2016, that the information provided to the plan administrator by Mid Atlantic, is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2017 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by Mid Atlantic Trust Company have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

And For the Year ended December 31, 2017

1. Description of the Plan

The following description of the Seidner & Co, Inc 401(k) Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established effective January 1, 2008, for the benefit of the employees of Seidner & Co, Inc (the Company). The Plan, and related trust, are subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

The Plan is a defined contribution plan covering all employees of the Company, who have reached age eighteen and have six months of credited service, as defined by the Plan. The Plan provides for monthly dates of entry.

Contributions

Participant contributions:

Each year, participants may contribute up to 70% of their annual compensation as defined by the plan. Participants may not make annual contributions in excess of the government-imposed limit, which was $18,000 during the year ended December 31, 2017. The government-imposed limit is increased by $24,000 for participants who reach age 50 by year-end. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

Employer matching contributions:

Each year, the Company may make a matching contribution for Plan participants each year equal to 100% of the first 2% of participants' deferrals plus 50% of the next 2% of participants' deferrals that do not exceed 4% of their compensation. During the year ended December 31, 2017, the employer matching contributions to the Plan was $51,793.

Employer profit-sharing contributions:

Each plan year, the Company may make an additional discretionary profit sharing contribution on behalf of all participants employed by the Company on the last day of the plan year. During the year ended December 31, 2017, there was no employer profit sharing contributions made to the Plan.

Investment options

Participants must direct their salary deferral contributions and their share of the Company's contributions into various investments as made available and determined by the Plan Administrator, which are more fully illustrated in the Plan's literature.

LRM & CO Lawrence R. Mitchell & Company Certified Public Accountants A Professional Corporation

1. Description of the Plan (continued)

Participant accounts

Each participant account is credited with the participant's contribution and allocation of the Company's matching contribution, as well as allocation of the Company's profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the employer matching and discretionary profit-sharing contributions, plus actual earnings thereon, are based on years of continuous service. A participant vests 20% after two years of credited service, and by 20% for each year thereafter. Participants are 100% after six years of credited service. A participant is also fully vested upon death, total disability or normal retirement.

Notes receivable from participants

Participants may borrow from their fund accounts from a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of 95% of their vested account balance, or 95% of their total vested account balance excluding ROTH elective deferral balance. The loans are secured by the balance in the participant's account and bear interest which approximate with the prevailing rates as determined by the Plan administrator. Interest rate for all loans is 4.25% – 5.25% . Principal and interest are paid ratably through semi-monthly payroll deductions.

Payment of benefits

Upon termination of service due to death, disability, or retirement, a participant or the participant's beneficiary will receive a lump-sum amount of the vested account balance. The participant, or the participant's beneficiary, may also elect to either receive the vested account balance in installments over a period not more than the assumed life expectancy, or in partial withdrawals in increments of not less than $1,000. For termination other than death, disability, or retirement, the participant will receive a lump-sum distribution of his or her vested account balance within an administratively reasonable period of time after termination. There is an automatic cash-out provision for participants with balances not exceeding $5,000.

Forfeited accounts

Forfeitures of terminated participant's nonvested accounts are used to offset plan administrative expenses and/or employer contributions. There were no forfeitures used to offset employer contributions during the year ended December 31, 2017. There was no balance in the forfeiture account at December 31, 2017 and 2016, respectively.

LRM & CO Lawrence R. Mitchell & Company Certified Public Accountants A Professional Corporation

2. Summary of accounting policies

A summary of the significant accounting policies followed by the Plan in the preparation of the accompanying financial statements is as follows:

Basis of accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2017 and 2016, no allowance for credit losses has been recorded.

If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. There were no participant loans considered in default and recorded as benefit payments for the year ended December 31, 2017.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation off fair value of investments.

LRM & CO Lawrence R. Mitchell & Company Certified Public Accountants A Professional Corporation

2. Summary of accounting policies (continued)

Payment of benefits

Benefits are recorded when paid.

Risks and uncertainties

The Plan invests in a variety of investment funds. Investments, in general, are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Subsequent events

The Plan has evaluated subsequent events through October 5, 2018, the date which the financial statements were available to be issued. There were no subsequent events noted that would require adjustment to or disclosure in these financial statements.

3. Certified investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2017 and 2016, and net appreciation in fair value of investments, interest, dividends and administrative expenses for the year ended December 31, 2017, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Mid Atlantic Trust Company.

4. Fair value measurements

The framework for measuring fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level I – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level II – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in active markets;
- Inputs other than quoted prices that are observable for the asset or liability;

4. Fair value measurements (continued)

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level III – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

- *Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2017 and 2016:

	Level 1	Level 2	Level 3	Total
December 31, 2017				
Mutual funds	$ 1,535,706	$ -	$ -	$ 1,535,706
December 31, 2016				
Mutual funds	$ 1,324,190	$ -	$ -	$ 1,324,190

5. Plan termination

Although it has not expressed any intent to do so, the Company has the right under provisions of the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

6. Related party transactions

Certain plan investments are managed by Mid Atlantic Trust Company (Mid Atlantic). Mid Atlantic is the recordkeeper for the Plan, and therefore, these transactions qualify as party in interest transactions.

LRM & CO Lawrence R. Mitchell & Company Certified Public Accountants A Professional Corporation

6. Related party transactions (continued)

Mid Atlantic provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Company and the respective recordkeeper. The recordkeeper received revenue from mutual funds service providers for services that the recordkeeper provides to the funds. This revenue is used to offset certain amounts owed to the recordkeeper for its administrative services to the Plan.

If the revenue received by the recordkeeper from such mutual fund service providers exceeds the amounts owed under the MSA, the recordkeeper remit the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. The Plan or Plan Sponsor may make a payment to the recordkeeper for administrative expenses not covered by revenue sharing.

7. Tax status

The Plan document received a volume advisory letter dated April 10, 2014, in which the Internal Revenue Service stated that the Plan document was in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the advisory letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Other Matter

During 2017, payroll classified under certain payroll codes was inadvertently excluded from the gross wages utilized in the calculation of employee deferrals and employer matching contributions. Based on our review of supporting payroll data, we determined that the correcting contribution to the Plan would not be material to the financial statements at December 31, 2017. The Company plans to make the correcting contributions as soon as administratively possible.

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Seidner & Co., Inc. 401(k) Profit Sharing Plan & Trust (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2017 and 2016, and the related statement of changes in net assets available for benefits for the year ended December 31, 2017, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Mid Atlantic Trust Company (Mid Atlantic), except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that Mid Atlantic holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from Mid Atlantic for the years ended December 31, 2017 and 2016, that the information provided to the plan administrator by Mid Atlantic, is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2017 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by Mid Atlantic Trust Company have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. Description of the Plan

The following description of the Seidner & Co, Inc 401(k) Profit Sharing Plan & Trust (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established effective January 1, 2008, for the benefit of the employees of Seidner & Co, Inc (the Company). The Plan, and related trust, are subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

The Plan is a defined contribution plan covering all employees of the Company, who have reached age eighteen and have six months of credited service, as defined by the Plan. The Plan provides for monthly dates of entry.

Contributions

Participant contributions:

Each year, participants may contribute up to 70% of their annual compensation as defined by the plan. Participants may not make annual contributions in excess of the government-imposed limit, which was $18,000 during the year ended December 31, 2017. The government-imposed limit is increased by $24,000 for participants who reach age 50 by year-end. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

Employer matching contributions:

Each year, the Company may make a matching contribution for Plan participants each year equal to 100% of the first 2% of participants' deferrals plus 50% of the next 2% of participants' deferrals that do not exceed 4% of their compensation. During the year ended December 31, 2017, the employer matching contributions to the Plan was $51,793.

Employer profit-sharing contributions:

Each plan year, the Company may make an additional discretionary profit sharing contribution on behalf of all participants employed by the Company on the last day of the plan year. During the year ended December 31, 2017, there was no employer profit sharing contributions made to the Plan.

Investment options

Participants must direct their salary deferral contributions and their share of the Company's contributions into various investments as made available and determined by the Plan Administrator, which are more fully illustrated in the Plan's literature.

LRM & CO Lawrence R. Mitchell & Company Certified Public Accountants A Professional Corporation

1. Description of the Plan (continued)

Participant accounts

Each participant account is credited with the participant's contribution and allocation of the Company's matching contribution, as well as allocation of the Company's profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the employer matching and discretionary profit-sharing contributions, plus actual earnings thereon, are based on years of continuous service. A participant vests 20% after two years of credited service, and by 20% for each year thereafter. Participants are 100% after six years of credited service. A participant is also fully vested upon death, total disability or normal retirement.

Notes receivable from participants

Participants may borrow from their fund accounts from a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of 95% of their vested account balance, or 95% of their total vested account balance excluding ROTH elective deferral balance. The loans are secured by the balance in the participant's account and bear interest which approximate with the prevailing rates as determined by the Plan administrator. Interest rate for all loans is 4.25% – 5.25% . Principal and interest are paid ratably through semi-monthly payroll deductions.

Payment of benefits

Upon termination of service due to death, disability, or retirement, a participant or the participant's beneficiary will receive a lump-sum amount of the vested account balance. The participant, or the participant's beneficiary, may also elect to either receive the vested account balance in installments over a period not more than the assumed life expectancy, or in partial withdrawals in increments of not less than $1,000. For termination other than death, disability, or retirement, the participant will receive a lump-sum distribution of his or her vested account balance within an administratively reasonable period of time after termination. There is an automatic cash-out provision for participants with balances not exceeding $5,000.

Forfeited accounts

Forfeitures of terminated participant's nonvested accounts are used to offset plan administrative expenses and/or employer contributions. There were no forfeitures used to offset employer contributions during the year ended December 31, 2017. There was no balance in the forfeiture account at December 31, 2017 and 2016, respectively.

LRM & CO Lawrence R. Mitchell & Company Certified Public Accountants A Professional Corporation

2. Summary of accounting policies

A summary of the significant accounting policies followed by the Plan in the preparation of the accompanying financial statements is as follows:

Basis of accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2017 and 2016, no allowance for credit losses has been recorded.

If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. There were no participant loans considered in default and recorded as benefit payments for the year ended December 31, 2017.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation off fair value of investments.

LRM & CO Lawrence R. Mitchell & Company Certified Public Accountants A Professional Corporation

2. Summary of accounting policies (continued)

Payment of benefits

Benefits are recorded when paid.

Risks and uncertainties

The Plan invests in a variety of investment funds. Investments, in general, are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Subsequent events

The Plan has evaluated subsequent events through October 5, 2018, the date which the financial statements were available to be issued. There were no subsequent events noted that would require adjustment to or disclosure in these financial statements.

3. Certified investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2017 and 2016, and net appreciation in fair value of investments, interest, dividends and administrative expenses for the year ended December 31, 2017, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Mid Atlantic Trust Company.

4. Fair value measurements

The framework for measuring fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level I – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level II – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in active markets;
- Inputs other than quoted prices that are observable for the asset or liability;

4. Fair value measurements (continued)

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level III – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

- *Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2017 and 2016:

	Level 1	Level 2	Level 3	Total
December 31, 2017				
Mutual funds	$ 1,535,706	$ -	$ -	$ 1,535,706
December 31, 2016				
Mutual funds	$ 1,324,190	$ -	$ -	$ 1,324,190

5. Plan termination

Although it has not expressed any intent to do so, the Company has the right under provisions of the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

6. Related party transactions

Certain plan investments are managed by Mid Atlantic Trust Company (Mid Atlantic). Mid Atlantic is the recordkeeper for the Plan, and therefore, these transactions qualify as party in interest transactions.

LRM & CO Lawrence R. Mitchell & Company Certified Public Accountants A Professional Corporation

6. Related party transactions (continued)

Mid Atlantic provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Company and the respective recordkeeper. The recordkeeper received revenue from mutual funds service providers for services that the recordkeeper provides to the funds. This revenue is used to offset certain amounts owed to the recordkeeper for its administrative services to the Plan.

If the revenue received by the recordkeeper from such mutual fund service providers exceeds the amounts owed under the MSA, the recordkeeper remit the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. The Plan or Plan Sponsor may make a payment to the recordkeeper for administrative expenses not covered by revenue sharing.

7. Tax status

The Plan document received a volume advisory letter dated April 10, 2014, in which the Internal Revenue Service stated that the Plan document was in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the advisory letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Other Matter

During 2017, payroll classified under certain payroll codes was inadvertently excluded from the gross wages utilized in the calculation of employee deferrals and employer matching contributions. Based on our review of supporting payroll data, we determined that the correcting contribution to the Plan would not be material to the financial statements at December 31, 2017. The Company plans to make the correcting contributions as soon as administratively possible.
