Note 1 - Description of the Plan

The following description of the Broder Bros., Co. Employees' 401(k) Trust (the "Plan") is provided for general information purposes only. Reference should be made to the Plan agreement for more complete information.

General

The Plan was adopted effective January 1, 1987, and most recently restated on August 31, 2015 to reflect automatic enrollment and adoption of a Volume Submitter Defined Contribution Plan. The Plan qualifies under Section 401(k) of the Internal Revenue Code ("IRC") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is a defined contribution plan available to qualified employees of Broder Bros., Co. (the "Company" or "Plan Sponsor"), who have been employed by the Company for 90 days and have attained the age of 18. Participants may begin participating on the first day of the next calendar month subsequent to meeting the eligibility requirements. Fidelity Investments Institutional Operations Company, Inc. serves as the Plan record keeper.

Contributions

Each year, participants may contribute up to 80% of pre-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Company contributes 100% of the first 2% of base compensation that a participant contributes to the Plan and 25% of the next 4% of base compensation that a participant contributes. Contributions are subject to certain Internal Revenue Service ("IRS") limitations. The Company, as directed by the Board of Directors, may also make discretionary profit sharing contributions. During 2017, there were no discretionary profit sharing contributions.

Participant accounts

Each participant's account is credited with the participant's contribution, the Plan Sponsor's matching contribution and allocations of the Plan Sponsor's profit sharing contribution, if any, plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant compensation, account balances or transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the employer contributions is based on years of continuous service (as defined by the Plan) as follows:

<u>Years of service</u>	<u>Vesting percentage</u>
Less than 1	0%
1	20%
2	40%
3	80%
4	100%

Forfeited accounts

At December 31, 2017 and 2016, forfeited nonvested accounts totaled \$43,607 and \$42,259, respectively. These accounts will be used to pay administrative expenses and reduce future employer contributions. During 2017, employer contributions were reduced by \$139,481 from forfeited nonvested accounts.

Payment of benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a 10-year period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed \$93,567 and \$91,926 of 2017 and 2016 excess contributions to the applicable participants prior to March 15, 2017 and 2016, respectively.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. Interest rates on loans outstanding at both December 31, 2017 and 2016 ranged from 4.25% to 9.25%. Principal and interest is paid ratably through monthly payroll deductions.

Note 2 - Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

**Broder Bros., Co.
Employees' 401(k) Trust**

**Notes to Financial Statements
December 31, 2017**

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Valuation of investments and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustees. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 or 2016.

Payment of benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Subsequent events

Material subsequent events have been considered for disclosure and recognition in these financial statements through October 11, 2018, the date the financial statements were available to be issued.

Note 3 - Fair value

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;

**Broder Bros., Co.
Employees' 401(k) Trust**

**Notes to Financial Statements
December 31, 2017**

- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability;

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Collective trust fund: Valued at the NAV of units of a bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017 and 2016. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	2017		
	Level 1	Level 2	Level 3
Mutual funds	\$ 36,199,107	\$ -	\$ -
Total assets in the fair value hierarchy	36,199,107		36,199,107
Total assets measured at NAV (a)	-	-	-

**Notes to Financial Statements

	2016			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 31,087,040	\$ -	\$ -	\$ 31,087,040
Total assets in the fair value hierarchy	31,087,040			31,087,040
Total assets measured at NAV (a)	-	-	-	3,979,051
Total investments at fair value	\$ 31,087,040	\$ -	\$ -	\$ 35,066,091

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

For years ended December 31, 2017 and 2016, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

Fair value of investments in entities that use NAV

The following table summarizes investments for which fair value is measured using NAV per share practical expedient as of December 31, 2017 and 2016, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan:

December 31, 2017	Fair value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
Wells Fargo Stable Value Fund M	\$ 4,978,592	N/A	Daily	30 days
December 31, 2016	Fair value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period

Note 4 - Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participating employees will become 100% vested in their accounts. The Plan Administrator will facilitate the distribution of account balances in single lump sum payments to each participant in accordance with Plan Document until all assets have been distributed.

Note 5 - Tax status

The IRS has determined and informed the Company by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (the "IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 - Related party transactions and party-in-interest transactions

Certain Plan investments were invested in funds managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualifies as party-in-interest transactions.

Contributions are held and managed by the Trustee, which invests cash received, interest and dividend income as directed by participants. The Plan Administrator administers the payment of interest and principal on participant notes receivable, which are remitted to the Plan through the Plan Sponsor.

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. Administrative expenses and trustee fees are paid by participants.

Note 7 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**Broder Bros., Co.
Employees' 401(k) Trust**

**Notes to Financial Statements
December 31, 2017**

Note 8 - Certified investments (unaudited)

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments and notes receivable from participants held at December 31, 2017 and 2016, and investment income and interest income on notes receivable from participants for the year ended December 31, 2017, that is disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Trustee of the Plan.

Note 9 - Reconciliation of financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	<u>2017</u>	<u>2016</u>
Net assets available for benefits per the financial statements	\$ 42,311,634	\$ 36,060,620
Excess contributions refundable	<u>93,567</u>	<u>91,926</u>
Net assets available for benefits per Form 5500, Schedule H	<u>\$ 42,405,201</u>	<u>\$ 36,152,546</u>

The following is a reconciliation of corrective distributions per the financial statements to the Form 5500:

Total corrective distributions per the financial statements	\$ 101,514
2016 excess contributions refunded	91,926
2017 excess contributions refundable	<u>(93,567)</u>
Total corrective distributions per Form 5500, Schedule H	<u>\$ 99,873</u>

Note 10 - Non-discrimination testing

The Plan did not meet certain discrimination tests required by the IRC for 2017. As a result, the Plan was required to distribute excess contributions to certain participants for the Plan to be in compliance with the IRC. Subsequent to 2017, corrective distributions were completed by the Plan.

Note 1 - Description of the Plan

The following description of the Broder Bros., Co. Employees' 401(k) Trust (the "Plan") is provided for general information purposes only. Reference should be made to the Plan agreement for more complete information.

General

The Plan was adopted effective January 1, 1987, and most recently restated on August 31, 2015 to reflect automatic enrollment and adoption of a Volume Submitter Defined Contribution Plan. The Plan qualifies under Section 401(k) of the Internal Revenue Code ("IRC") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is a defined contribution plan available to qualified employees of Broder Bros., Co. (the "Company" or "Plan Sponsor"), who have been employed by the Company for 90 days and have attained the age of 18. Participants may begin participating on the first day of the next calendar month subsequent to meeting the eligibility requirements. Fidelity Investments Institutional Operations Company, Inc. serves as the Plan record keeper.

Contributions

Each year, participants may contribute up to 80% of pre-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Company contributes 100% of the first 2% of base compensation that a participant contributes to the Plan and 25% of the next 4% of base compensation that a participant contributes. Contributions are subject to certain Internal Revenue Service ("IRS") limitations. The Company, as directed by the Board of Directors, may also make discretionary profit sharing contributions. During 2017, there were no discretionary profit sharing contributions.

Participant accounts

Each participant's account is credited with the participant's contribution, the Plan Sponsor's matching contribution and allocations of the Plan Sponsor's profit sharing contribution, if any, plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant compensation, account balances or transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Broder Bros., Co.
Employees' 401(k) Trust**

**Notes to Financial Statements
December 31, 2017**

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the employer contributions is based on years of continuous service (as defined by the Plan) as follows:

<u>Years of service</u>	<u>Vesting percentage</u>
Less than 1	0%
1	20%
2	40%
3	80%
4	100%

Forfeited accounts

At December 31, 2017 and 2016, forfeited nonvested accounts totaled \$43,607 and \$42,259, respectively. These accounts will be used to pay administrative expenses and reduce future employer contributions. During 2017, employer contributions were reduced by \$139,481 from forfeited nonvested accounts.

Payment of benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a 10-year period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed \$93,567 and \$91,926 of 2017 and 2016 excess contributions to the applicable participants prior to March 15, 2017 and 2016, respectively.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account. Interest rates on loans outstanding at both December 31, 2017 and 2016 ranged from 4.25% to 9.25%. Principal and interest is paid ratably through monthly payroll deductions.

Note 2 - Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

**Broder Bros., Co.
Employees' 401(k) Trust**

**Notes to Financial Statements
December 31, 2017**

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Valuation of investments and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustees. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 or 2016.

Payment of benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Subsequent events

Material subsequent events have been considered for disclosure and recognition in these financial statements through October 11, 2018, the date the financial statements were available to be issued.

Note 3 - Fair value

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;

Employees' 401(k) Trust**

**Notes to Financial Statements

- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability;

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Collective trust fund: Valued at the NAV of units of a bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017 and 2016. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	2017		
	Level 1	Level 2	Level 3
Mutual funds	\$ 36,199,107	\$ -	\$ -
Total assets in the fair value hierarchy	36,199,107		36,199,107
Total assets measured at NAV (a)	-	-	-
Total investments at fair value	\$ 36,199,107	\$ -	\$ -

	2016			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 31,087,040	\$ -	\$ -	\$ 31,087,040
Total assets in the fair value hierarchy	31,087,040			31,087,040
Total assets measured at NAV (a)	-	-	-	3,979,051
Total investments at fair value	\$ 31,087,040	\$ -	\$ -	\$ 35,066,091

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

For years ended December 31, 2017 and 2016, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

Fair value of investments in entities that use NAV

The following table summarizes investments for which fair value is measured using NAV per share practical expedient as of December 31, 2017 and 2016, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan:

December 31, 2017	Fair value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
Wells Fargo Stable Value Fund M	\$ 4,978,592	N/A	Daily	30 days
December 31, 2016	Fair value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period

Note 4 - Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participating employees will become 100% vested in their accounts. The Plan Administrator will facilitate the distribution of account balances in single lump sum payments to each participant in accordance with Plan Document until all assets have been distributed.

Note 5 - Tax status

The IRS has determined and informed the Company by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (the "IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 - Related party transactions and party-in-interest transactions

Certain Plan investments were invested in funds managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualifies as party-in-interest transactions.

Contributions are held and managed by the Trustee, which invests cash received, interest and dividend income as directed by participants. The Plan Administrator administers the payment of interest and principal on participant notes receivable, which are remitted to the Plan through the Plan Sponsor.

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. Administrative expenses and trustee fees are paid by participants.

Note 7 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 8 - Certified investments (unaudited)

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments and notes receivable from participants held at December 31, 2017 and 2016, and investment income and interest income on notes receivable from participants for the year ended December 31, 2017, that is disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Trustee of the Plan.

Note 10 - Non-discrimination testing

The Plan did not meet certain discrimination tests required by the IRC for 2017. As a result, the Plan was required to distribute excess contributions to certain participants for the Plan to be in compliance with the IRC. Subsequent to 2017, corrective distributions were completed by the Plan.
