INDEPENDENT AUDITOR'S REPORT

Real Manage, LLC 401(k) Plan
Carrollton, Texas

I was engaged to audit the accompanying financial statements of Real Manage, LLC 401(k) Plan as of December 31, 2017 and 2016, which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2017 and 2016, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Plan management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on conducting my audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform any auditing procedures with respect to the information summarized in Note 4, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and the supplemental schedules. I have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2017 and 2016 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on these financial statements.

Basis of Accounting

I draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule were prepared on a modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. My opinion is not modified with respect to that matter.

Other Matter

I was engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) (Modified Cash Basis) as of December 31, 2017 is presented for purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and I do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Real Manage, LLC 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General
The Plan is a defined contribution plan covering all employees of Real Manage, LLC ("Company") who are at least age 21. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions
Each year, participants may elect to defer a percentage of pretax annual compensation, as defined in the Plan and subject to the provisions of Internal Revenue Code Section 401(k). The Plan also allows Roth contributions. Participants who have not completed a salary deferral agreement within 45 days after becoming eligible will have 1% of eligible earnings withheld as a pre-tax elective deferral. The automatic deferral amount will increase by 1 % each year up to a maximum of 10%. A participant can enter a salary deferral agreement at any time to select an alternative deferral amount or to elect not defer under the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan allows the Company to make non-elective and matching contributions in the amount determined by the Company at its discretion.

Participant Accounts
Each participant's account is credited with the participant's contribution and rollover amounts, if any, and an allocation of Plan earnings and the Company's contributions. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting
Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's non-elective and matching contribution portions of their accounts plus actual earnings is based on years of continuous service; a participant is 100% vested after four years of credited service.

Notes Receivable from Participants
Participants may borrow from their fund accounts a minimum of $500 to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms range from one to five years or up to thirty years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at prime plus 2%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits
The benefits to which participants are entitled are the vested portions of their accounts. The Plan's normal form of payment is a lump sum payment.

Forfeited Accounts
Forfeited non-vested accounts are used to reduce employer contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan are prepared using the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Contributions and distributions are recorded on a cash basis. Investments are recorded at fair value.

Use of Estimates
The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or are paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers and the trustee/custodian. Net appreciation in investments includes the plan's gains and losses on investments bought and sold as well as held during the year. The purchases and sales of securities are recorded on a trade-date basis. Common/collective trusts include investments in mutual funds that are based on quoted market prices (net asset values) of the shares. The accounts are credited with actual earnings on the underlying investments and charged for Plan withdrawals and administration expenses. The fair value of the common/collective trusts are reported to the Plan and are based on quoted market prices (net asset values) of the underlying investments.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance. Related fees are recorded as administrative expenses when they are incurred.

Payment of Benefits
Benefits are recorded when paid.

Excess Contributions Payable
Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded when paid. Corrective distributions in the amount of $8,194 were paid in 2018 for excess contributions in 2017, and are payable at December 31, 2017.

Expenses
Expenses of maintaining the Plan are paid by the Company.

Subsequent Events
For the year ended December 31, 2017, the Plan has evaluated subsequent events for potential recognition and disclosure through October 9, 2018, the date the financial statements were available for issuance.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2: Inputs to the valuation methodology include:
(1) quoted prices for similar assets or liabilities in active markets,
(2) quoted prices for identical assets or liabilities in inactive markets,
(3) inputs other than quoted prices that are observable for the asset or liability,
(4) inputs that are derived principally from or corroborated by observable market data by correlation or other means.
If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Registered investment companies (mutual funds): Valued at the quoted net asset value (NAV). Mutual funds held by the Plan are registered with the SEC and are actively traded.
Common/collective trusts: Valued at the net asset value as reported by the common/collective trust. The common/collective trust is required to transact at that price.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017:

	Level 1	Level 2	Level 3	Total
Total investments in fair value hierarchy	$ 790,759	$	$	$ 790,759
Investments measured at net asset value				1,081,816
Total assets at fair value				$ 1,872,575

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2016:

	Level 1	Level 2	Level 3	Total
Total investments in fair value hierarchy	$ 602,901	$	$	$ 602,901
Investments measured at net asset value				650,459
Total assets at fair value				$ 1,253,360

NOTE 4 – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the trustee, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

	12/31/2017	12/31/2016
Common/collective trusts	$ 1,081,816	$ 650,459
Registered investment companies	790,759	602,901
Participant loans	10,119	13,851
Total	$ 1,882,694	$ 1,267,211

	Year Ended 12/31/2017	Year Ended 12/31/2016
Investment income		
Net appreciation in common/collective trusts	$ 87,692	$ 53,368
Net appreciation in registered investment companies	71,284	12,303
Dividends and interest income	50,137	20,833
Interest income – notes receivable from participants	421	518
Total	$ 209,534	$ 87,022

NOTE 5 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Participant loans qualify as party-in-interest transactions, which are exempt from the prohibited transactions rules.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants are 100% vested in their accounts. Any unallocated assets of the plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

NOTE 8 – TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service dated July 8, 2014, stating that the Plan is qualified under the Internal Revenue Code (IRC) and therefore the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan was restated in 2016 to be in compliance with the Pension Protection Act of 2006. The Plan administrator believes that the Plan is currently designed, and being operated, in compliance with the applicable requirements of the IRC. Therefore, Plan management believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

Plan management has evaluated tax positions taken by the plan. The Plan is subject to routine audits by the Internal Revenue Service and the Department of Labor. There are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for the years prior to 2014.
