INDEPENDENT AUDITOR'S REPORT

To the Trustees of Westbrook
Employee Benefit Plan

**Report on the Financial Statements**

We have audited the accompanying financial statements of Westbrook Employee Benefit Plan, which comprise the statements of net assets available for benefits as of December 31, 2017 and 2016, and the related statements of changes in net assets available for benefits for the year ended December 31, 2017, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Westbrook Employee Benefit Plan as of December 31, 2017 and 2016, and the changes in its net assets available for benefits for the year ended December 31, 2017 in accordance with accounting principles generally accepted in the United States of America.

WESTBROOK
EMPLOYEE BENEFIT PLAN & TRUST
EIN 76-0559845
Plan #503

Notes to Financial Statements
December 31, 2017

*Note 1 -* ***Description of the Plan***

The Westbrook Employee Benefit Plan & Trust provides medical, dental and prescription drug benefits covering qualifying employees of the company. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The plan provides benefits (medical, hospital, surgical, major medical, prescription drugs and dental) that cover permanent, full-time employees (and their covered dependents) that fall within the eligibility classifications of the company and choose to participate following the employee waiting period. The plan also provides continuation coverage as required by the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) for qualified beneficiaries who would otherwise have lost coverage under the plan. The plan does not have any post retirement obligations for benefits offered to retired employees or beneficiaries of retired employees

The plan provides benefits through a funding arrangement that includes a trust, which is funded by the plan sponsor and/or the participating employees, and with insurance to protect the plan against unpredictable excess claims. Under the plan agreement, the company contributes in cash to the plan in a manner and at such time determined by a committee, which is a plan fiduciary. Employees may or may not be required to contribute to the plan in order to participate. The employee contribution is based on the coverage elected by the participants (i.e. single, family, etc.) and their participant class. Former members covered under COBRA make contributions to the plan for continuation of health coverage.

Medical benefits are provided on a partially self-insured basis. The plan has purchased insurance contracts to protect the plan against excessive or unpredictable claims. The insurance contracts include specific loss provisions that cover claims in excess of $100,000 for each individual covered under the medical plan. The insurance contracts also include aggregate loss provisions that cover the combined claims for all participants of the plan when the qualified claims for the plan year exceed a stated amount. The stated amount under the aggregate loss provisions was approximately $2,335,140 at December 31, 2017.

Although it has not expressed the intent to do so, the corporation has the right to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. Funds contributed to the plan are irrevocably restricted for the use and provision of benefits to company employees.

The foregoing description of the plan provides only general information. Employees should refer to the Summary Plan Description & Plan Document for a more complete description of the plan's provisions.

*Note 2 -* ***Summary of Significant Accounting Policies***

When applicable, quoted market prices are used to value investments. Certificates of Deposit are valued based on original cost plus accrual interest. Certificates of Deposit with a maturity of three months or less are treated as cash.

The obligation for claims incurred before the financial statement date, but not reported to the plan as of the end of year, is estimated on an overall basis based on review of claims paid subsequent to the plan year end and prior loss experience. The obligation is determined based on the present value of the ultimate cost to settle the claims.

*Note 3 -* ***Tax Status***

The trust established under the Plan to hold the Plan's net assets is qualified pursuant to Section 501(c) 9 of the Internal Revenue Code. The Sponsor has obtained a favorable tax determination letter from the Internal Revenue Service and the Sponsor believes that the trust, as amended, continues to qualify and to operate as designed. Taxable income to the trust is defined in such a way that yields no tax liability for the current year. Accordingly, no tax liability or expense is reflected in the financial statements. The plan is current with all tax filings and has three open years subject to examination from federal authorities.

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance, the Plan may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. There were no unrecognized tax benefits identified or recorded as liabilities for the year ended December 31, 2017.

*Note 4 -* ***Use of Estimates***

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

*Note 5 -* ***Reconciliation of Financial Statements to Form 5500***

The following is a reconciliation of net assets available for benefits per the accompanying December 31, 2017 and 2016 financial statements to the Form 5500:

| | 2017 | 2016 |
|---|---|---|
| Net assets available for benefits per the financial statements | $ 66,711 | $ 106,583 |
| Benefit obligations currently payable (health claims) | (32,173) | (106,583) |
| Net assets available for benefits per the Form 5500 | $ 34,538 | $ - |

The following is a reconciliation of benefits paid to participants per the financial statements to the Form 5500 for the year ended December 31, 2017:

| | 2017 |
|---|---|
| Benefits paid to participants per the financial statements | $ 1,554,544 |
| Add: Amounts payable at end of year | 32,173 |
| Less: Amounts payable at beginning of year | (106,583) |
| Benefits paid to participants per the Form 5500 | $ 1,480,134 |

Amounts currently payable to or for participants, dependents, and beneficiaries are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to December 31, 2017, but not yet paid as of that date.

*Note 6 -* ***Fair Value Measurements***

The Plan determined the fair value of its assets and liabilities through a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs to the valuation methodology are based on unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access. Level 2 inputs are based primarily on quoted prices for similar assets in active or inactive markets and/or based on inputs that are derived principally from or corroborated by observable market data. Level 3 inputs are unobservable and are based on assumptions that market participants would utilize in pricing the asset.

The fair value of financial instruments, including cash, approximate the carrying value, principally because of the short maturity of those items and are considered Level 1 or Level 2.

*Note 7 -* ***Subsequent Events***
