Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility for the 2017 Statement of Net Assets Available for Benefits

Our responsibility is to express an opinion on the 2017 statement of net assets available for benefits based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the 2017 statement of net assets available for benefits.

Auditors' Responsibility for the 2017 Statement of Changes in Net Assets Available for Benefits and the 2016 Financial Statement

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion on the 2017 Statement of Changes in Net Assets Available for Benefits and the 2016 Financial Statement

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company and State Street Bank & Trust Co., the trustees of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that State Street Bank & Trust Company held the Plan's investment assets and executed investment transactions from January 1, 2016 to June 30, 2016, and that Reliance Trust Company held the Plan's investment assets and executed investment transactions as of December 31, 2017 and 2016, and for the period July 1, 2016 to December 31, 2017. The plan administrator has obtained certifications from the trustees as of and for the years ended December 31, 2017 and 2016, that the information provided to the plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion on the 2017 Statement of Changes in Net Assets Available for Benefits and the 2016 Financial Statement

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2017 statement of changes in net assets available for benefits and the 2016 statement of net assets available for benefits.

Opinion on the 2017 Statement of Net Assets Available for Benefits

In our opinion, the financial statement referred to above, of Augusta Sportswear, Inc. Retirement Profit-Sharing Plan as of December 31, 2017, presents fairly in all material respects, the net assets available for benefits of the Plan as of December 31, 2017, in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit of the plan's statement of net assets available for benefits as of December 31, 2017 was conducted for the purpose of forming an opinion on the financial statement as a whole. The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (HELD AT END OF YEAR) as of December 31, 2017, is presented for the purpose of additional analysis and is not a required part of the financial statement but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statement. The information has been subjected to the auditing procedures applied in the audit of the 2017 statement of net assets available for benefits and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial

statement or to the financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statement as a whole.

Report on Form and Content of the 2017 Statement of Changes in Net Assets Available for Benefits and the 2016 Financial Statement in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2017 statement of changes in net assets available for benefits and the 2016 financial statement, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Augusta Sportswear, Inc. Retirement-Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- A. General - The Plan is a defined contribution plan covering substantially all employees of Augusta Sportswear, Inc., Bomark Acquisition Corporation, Holloway Sportswear, Inc., Augusta Active Inc., and High 5 Sportswear, Inc. (the Company), who are 21 years old or older and who have three months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was amended and restated effective January 1, 2017. The amendment reduced the months of service eligibility requirement from six months to three months.
- B. Contributions - Each year, participants may contribute up to the IRS maximum percentage of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common collective investment trust as investment options for participants. The Company contributes a safe harbor matching contribution of 3% of employee's compensation for the Plan year to all eligible employees. Safe harbor contributions are directed by the participants. Additional profit sharing amounts may be contributed at the option of the Company's board of directors and are invested in a portfolio of investments as directed by the participant.
- C. Participant Accounts - Each participant's account is credited with the participant's contributions, employer matching contributions and allocations of (a) the Company's profit sharing contributions and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant's eligible compensation, participant contributions, investment elections and/or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- D. Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Participants are immediately vested in the Company's 3% safe harbor matching contributions plus actual earnings thereon. All employees who were employed with Holloway Sportswear, Inc. on December 23, 2014 who had a portion of their account balance invested in Holloway Sportswear, Inc. 401(k) Plan as of December 22, 2014 and whose account balance merged into the Plan are 100% vested in their account balances as of January 1, 2015. Participants are vested in the portion of their account attributable to discretionary profit sharing contributions and any employer non-elective contributions that may have been contributed to the Plan before the Plan provided for safe harbor non-elective contributions based on years of continuous service. A participant is 100% vested after six years of credited (continuous) service. The participants vest as follows:

The term of the loans may not exceed five years except in the case of a loan for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate as published in the Wall Street Journal on the 14th day of each month plus one percentage point. Principal and interest are paid ratably through monthly payroll deductions.
- F. Payment of Benefits - On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installments over a period of not more than the assumed life expectancy of the participant or the participant's beneficiary.
- G. Forfeitures - The unvested portion of a terminated participant's account will be forfeited and may be used to reduce future Company contributions or to pay Plan expenses. NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The policies and principles that significantly affect the determination of net assets and changes in the net assets are summarized below:

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

AUGUSTA SPORTSWEAR, INC. RETIREMENT-PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes receivable are reclassified as distributions based upon the terms of the plan document.

Cash in Transit

On December 27, 2017, the Plan changed third-party administrators from Automatic Data Processing, Inc. Retirement Services to Mass Mutual Life Insurance Company. Prior to December 27, 2017, assets were held by State Street Bank & Trust Co (acquired by Reliance Trust Company). The assets were transferred to Reliance Trust Company but were in transit as of December 31, 2017. Reliance Trust Company received the assets January 2, 2018.

Excess Contributions Payable

The Plan failed the discrimination test for the year ended December 31, 2017. Excess contributions, if any, are refunded to participants during the following Plan year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Plan Fees and Administrative Expenses

The Plan pays all trustee and asset fees. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. In addition, all other administrative expenses are paid directly by the Company.

Subsequent Events

The Plan has evaluated subsequent events through October 15, 2018, the date the financial statements were available to be issued.

NOTE 4 - FAIR VALUE MEASUREMENTS

Generally accepted accounting principles (GAAP) provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Mutual funds: Valued at the daily closing price as reported by the fund on the NYSE. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective investment trust: The fund holds guaranteed investment contracts ("GIC"), separate account GICs, and synthetic GICs. Traditional GICs represent deposits which guarantee a stated interest rate for the term of the contracts. The fair value of the traditional GICs is determined based on the present value of the contract's expected cash flows, discounted by current market interest rates for like-duration and like-quality investments. Separate account GICs are portfolios of securities held in a separate account owned and managed by or on behalf of the insurance company issuing the GIC for the exclusive benefit of investors in the separate account. Synthetic GICs are portfolios of securities owned by the CCT. The fair value of a separate account GIC and a synthetic GIC is determined based on the fair value of the securities underlying each GIC. The fair value of the Plan's interest in common collective trusts ("CCT" or "pooled funds") is based on the NAV after adjustments to reflect all fund investments at fair value.

AUGUSTA SPORTSWEAR, INC. RETIREMENT-PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31, 2017 and 2016:

	Total	Quoted Market Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
<u>2017</u>			
Mutual Funds:	\$ -	\$ -	\$ -
Total investments, at fair value	-	-	-
Common Collective Investment Trust (a)	-		
Total investments	\$ -		
<u>2016</u>			
Mutual Funds:	\$ 15,767,276	\$ 15,767,276	\$ -
Total investments, at fair value	15,767,276	15,767,276	-
Common Collective Investment Trust (a)	2,406,101		
Total investments	\$ 18,173,377		

- (a) In accordance with Topic 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

AUGUSTA SPORTSWEAR, INC. RETIREMENT-PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

The following table for December 31, 2017 and 2016 sets forth a summary of the Plan's investments with a reported estimated fair value using net asset value per share:

	Fair Value at December 31, 2017	Fair Value at December 31, 2016	Unfunded Commitments	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Common Collective Investment Trust (b)	\$ -	\$ 2,406,101	\$ -	daily	(c)	12 months

- (b) The common collective trust fund simulates the performance of a guaranteed investment contract through an issuer's guarantee of a specific interest rate and a portfolio of financial instruments that are owned by the issuer. This provides a stable value option for Plan participants.
- (c) The underlying investments in the fund consist of both investments that have daily redemptions and various unique investments, which may have various redemption restrictions imposed. The fund's prospectus should be consulted for detailed information on the underlying investments.

The Group Annuity Contract ("GAC") includes underlying assets which are held in a trust owned by Federated Investors Trust Company ("Federated Investors"), through the Plan's investment in a separate GAC. The contract provides that participants execute Plan transactions at contract value. Contract value represents contributions made to the fund, plus earnings, less participant withdrawals. The investment is stated at fair value as reported by Federated Investors and adjusted to contract value on the Statement of Assets Available for Benefits. The GACs fair value equals the fluctuating value of the assets backing the contract.

The crediting interest rate was 1.89% and the average yield was 2.39% for the year ended December 31, 2017 in comparison to a crediting interest rate of 1.71% and the average yield of 2.14% for the year ended December 31, 2016. Participants may ordinarily direct the withdrawal of transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk or the contract issuer or otherwise. Federated Investors will guarantee principal and accrued interest, based on crediting interest rates, for participant initiated withdrawals as long as the contract remains active. Interest is credited to the contract at interest rates that reflect the performance of the underlying portfolio. Federated Investors will reset the rate quarterly, by amortizing the difference between the market value of the portfolio and the guaranteed value over the weighted average duration of the fund's investments.

NOTE 5 - RIGHTS UPON PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the company contribution portion of their account.

AUGUSTA SPORTSWEAR, INC. RETIREMENT-PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 6 - TAX STATUS

The Plan is a prototype plan sponsored by Automatic Data Processing, Inc. The Internal Revenue Service has determined and informed the overall plan sponsor by a letter dated July 16, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by regulatory agencies. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator does not believe there are any material uncertain tax positions and, accordingly, the Plan will not recognize any liability for unrecognized tax benefits.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. The Plan's investments include shares of mutual funds managed by Reliance Trust Company, State Street Bank & Trust Co. and their affiliates. Reliance Trust Company, State Street Bank & Trust Co. and their affiliates earn fees for managing their mutual funds, and these fees are deducted from the earnings reported by the mutual funds. Certain fees associated with administering the Plan are also paid to Reliance Trust Company, State Street Bank & Trust Co., Automatic Data Processing, Inc. Retirement Services and Gallagher. Reliance Trust Company and State Street Bank & Trust Co. are the Plan trustees, Automatic Data Processing, Inc. Retirement Services is a third-party administrator for the Plan and Gallagher is a fiduciary advisor and, therefore, these transactions qualify as party-in-interest transactions. The Plan issues loans to participants, which are secured by the balances in the participants' accounts. The Company makes matching contributions to the Plan and pays certain administrative expenses of the Plan, including recordkeeping and audit fees. These transactions qualify as party-in-interest transactions for which a statutory exemption exists.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan provides for various investment options including any combination of mutual funds and common collective investment trust. The underlying investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits and participants' individual account balances.
