INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Discount Dance, LLC 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Discount Dance, LLC 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2017 and 2016, and the related statement of changes in net assets available for benefits for the year ended December 31, 2017, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility for the 2017 Statement of Net Assets Available for Benefits

Our responsibility is to express an opinion on the 2017 statement of net assets available for benefits based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the 2017 statement of net assets available for benefits.

Auditors' Responsibility for the 2017 Statement of Changes in Net Assets Available for Benefits and the 2016 Financial Statement

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion on the 2017 Statement of Changes in Net Assets Available for Benefits and the 2016 Financial Statement

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company and State Street Bank & Trust Company, the trustees of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that State Street Bank & Trust Company held the Plan's investment assets and executed investment transactions from January 1, 2016 to June 30, 2016, and that Reliance Trust Company held the Plan's investment assets and executed investment transactions as of December 31, 2017 and 2016, and for the period July 1, 2016 to December 31, 2017. The plan administrator has obtained certifications from the trustees as of and for the years ended December 31, 2017 and 2016, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion on the 2017 Statement of Changes in Net Assets Available for Benefits and the 2016 Financial Statement

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2017 statement of changes in net assets available for benefits and the 2016 statement of net assets available for benefits.

Opinion on the 2017 Statement of Net Assets Available for Benefits

In our opinion, the financial statement referred to above, of Discount Dance, LLC 401(k) Plan as of December 31, 2017, presents fairly in all material respects, the net assets available for benefits of the Plan as of December 31, 2017, in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit of the plan's statement of net assets available for benefits as of December 31, 2017 was conducted for the purpose of forming an opinion on the financial statement as a whole. The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (HELD AT END OF YEAR) as of December 31, 2017 is presented for the purpose of additional analysis and is not a required part of the financial statement but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statement. The information has been subjected to the auditing procedures applied in the audit of the 2017 statement of net assets available for benefits and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statement or to the financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statement as a whole.

Report on Form and Content of the 2017 Statement of Changes in Net Assets Available for Benefits and the 2016 Financial Statement in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2017 statement of changes in net assets available for benefits and the 2016 financial statement, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Discount Dance, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

- A. General - The Plan is a defined contribution plan covering substantially all employees of Discount Dance, LLC (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Employees who have attained at least 21 years of age are eligible to participate in the Plan on the first day of the month following completion of 12 months of service, with a minimum of 1,000 hours worked.
- B. Contributions - Participants may elect to contribute up to 75% of eligible compensation, not to exceed the limits of the Internal Revenue Code (IRC). Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

During 2017, the Company made matching contributions equal to 40% of the participant's deferral, up to 5% of eligible compensation, as defined. The Company may also make discretionary profit sharing contributions as determined each year by resolution of the Company's Board of Directors. Participants must be actively employed on the last day of the Plan year to share in the profit sharing contributions. For the year ended December 31, 2017, the Company did not make any discretionary profit sharing contributions to the Plan.

- C. Participant Accounts - Each participant's account is credited with the participant's contributions, employer matching contributions and allocations of (a) the Company's profit sharing contributions and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant's eligible compensation, participant contributions, investment elections and/or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- D. Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary profit sharing contributions plus actual earnings thereon is based on years of service according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

NOTE 1 - DESCRIPTION OF PLAN (continued)

- E. Notes Receivable from Participants - Participants may borrow from their fund accounts a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1 to 5 years or within a reasonable period of time that is longer than 5 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account. The interest rate will generally be the prime interest rate charged by banks as published in the *Wall Street Journal* on the 14th of each month, plus 2%. Principal and interest is paid ratably through payroll deductions.
- F. Payment of Benefits - On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or an annuity. Participants may also elect to rollover their account to another tax deferred account or remain in the Plan until they are legally required to begin taking distributions. All vested account balances not exceeding \$1,000 may be immediately distributed in a lump-sum payment. All vested account balances exceeding \$1,000, but not exceeding \$5,000, may be rolled into an Individual Retirement Account. With the plan administrator's approval, participants may withdraw all or part of their aggregate contributions in the event of a qualifying financial hardship.
- G. Forfeitures - The unvested portion of a terminated participant's account will be forfeited and may be used to reduce future Company contributions or to pay Plan expenses. Forfeitures of \$3,742 and \$803 were applied to the Company contributions for the years ending December 31, 2017 and 2016, respectively. At December 31, 2017 and 2016, the forfeited non-vested account balance was \$1,617 and \$958, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The policies and principles that significantly affect the determination of net assets and changes in the net assets are summarized below:

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and trustees. See Note 4 for discussion of fair value measurements.

DISCOUNT DANCE, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes receivable are reclassified as distributions based upon the terms of the plan document.

Cash in Transit

On December 27, 2017, the Plan changed third-party administrators from Automatic Data Processing, Inc. Retirement Services to Mass Mutual Life Insurance Company. Prior to December 27, 2017, assets were held by State Street Bank & Trust Co (acquired by Reliance Trust Company). The assets were transferred to Reliance Trust Company but were in transit as of December 31, 2017. Reliance Trust Company received the assets January 2, 2018.

Excess Contributions Payable

The Plan failed the discrimination test for the years ended December 31, 2017 and 2016. Excess contributions, if any, are refunded to participants during the following Plan year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Plan Fees and Administrative Expenses

The Plan pays all trustee and asset fees. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. In addition, all other administrative expenses are paid directly by the Company.

Subsequent Events

The Plan has evaluated subsequent events through October 15, 2018, the date the financial statements were available to be issued.

NOTE 4 - FAIR VALUE MEASUREMENTS

Generally accepted accounting principles (GAAP) provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

DISCOUNT DANCE, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Mutual Funds: These investments are public investment vehicles valued using the net asset value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market.

Common collective investment trusts: These investments are valued at the NAV of units held by the Plan at year end. The NAV of these common/collective trusts is the value of all securities and other assets of a fund less the total liabilities of the fund divided by the number of units outstanding. In valuing the securities and other assets of the fund, readily available market prices or quotations are used by the Trustee, if available. For securities and other assets without readily available market prices or quotations, the Trustee values such assets at fair values based on observable or unobservable inputs.

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017 and 2016:

NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

- (a) Fund seeks to maximize current income, to the extent consistent with the preservation of capital and liquidity and the maintenance of a stable \$1.00 per share NAV, by investing in U.S. government securities and in repurchase agreements collateralized by U.S. government securities. In seeking to accomplish this investment objective, the Fund may invest directly or indirectly in securities and other instruments, including in other pooled investment vehicles sponsored or managed by, or otherwise affiliated with the Trustee.
- (b) In accordance with Topic 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following tables set forth a summary of the Plan's investments with a reported net asset value for years ended December 31, 2017 and 2016:

	Fair Value at December 31, 2017	Fair Value at December 31, 2016	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common Collective Investment Trusts	\$ -	\$ 988,791	\$ -	daily	15 days

NOTE 5 - RIGHTS UPON PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the company contribution portion of their account.

NOTE 6 - TAX STATUS

The Plan is a prototype plan sponsored by Automatic Data Processing, Inc. The Internal Revenue Service has determined and informed the overall plan sponsor by a letter dated July 8, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by regulatory agencies. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator does not believe there are any material uncertain tax positions and, accordingly, the Plan will not recognize any liability for unrecognized tax benefits.

NOTES TO FINANCIAL STATEMENTS

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. The Plan's investments include shares of mutual funds managed by Reliance Trust Company, State Street Bank & Trust Co. and their affiliates. Reliance Trust Company, State Street Bank & Trust Co. and their affiliates earn fees for managing their mutual funds, and these fees are deducted from the earnings reported by the mutual funds. Certain fees associated with administering the Plan are also paid to Reliance Trust Company, State Street Bank & Trust Co., Automatic Data Processing, Inc. Retirement Services and Gallagher. Reliance Trust Company and State Street Bank & Trust Co. are the Plan trustees, Automatic Data Processing, Inc. Retirement Services is a third-party administrator for the Plan and Gallagher is a fiduciary advisor and, therefore, these transactions qualify as party-in-interest transactions. The Plan issues loans to participants, which are secured by the balances in the participants' accounts. The Company makes matching contributions to the Plan and pays certain administrative expenses of the Plan, including recordkeeping and audit fees. These transactions qualify as party-in-interest transactions for which a statutory exemption exists.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan provides for various investment options including any combination of mutual funds and common collective investment trust. The underlying investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits and participants' individual account balances.

NOTE 9 - RECONCILIATION OF THE FORM 5500 TO THE FINANCIAL STATEMENTS

The Annual Return/Report of Employee Benefit Plan (the "Form 5500") is prepared on the modified cash basis. Accordingly, certain balances included on Schedule H (Part I and II) of the Form 5500 differ from those included in these financial statements. The following is a reconciliation of net assets available for benefits per the Form 5500 at December 31, 2017 and 2016 to the financial statements:

	<u>2017</u>	<u>2016</u>
