Big Cedar Creek
401(k) Plan

Notes to Financial Statements

December 31, 2017 and 2016

(1) Description of Plan

The following description of the Big Cedar Creek (the "Company") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan is a defined contribution plan covering all full-time employees of Big Creek Construction, Ltd., Cedar Creek Stone Co., Ltd., and WFMM, LLC who have completed at least six months of service and have attained the age of twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

(b) Contributions

Participants may elect to contribute from 3% to 100% of their annual compensation, as defined in the Plan, subject to certain limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. During the years ending December 31, 2017 and 2016, the Company's discretionary matching contribution was equal to 25% of each participant's contributions, up to 5% of each participant's total compensation for the years then ended. Participants direct the investment of the contributions to various investment options offered by the Plan. Unallocated Company contributions were $174,955 and $156,654 at December 31, 2017 and 2016, respectively.

(c) Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) Company contributions, (b) Plan earnings, and (c) certain forfeitures of terminated participants' nonvested accounts. Allocations of earnings are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

401(k) Plan

Notes to Financial Statements
(Continued)

(1) Description of Plan (continued)

(d) Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts (plus earnings) is based on years of continuous service. A participant is 100% vested after six years of credited service. Full vesting in employer contributions also occurs upon death, total disability or retirement at or after age 65.

(e) Payment of Benefits

Upon termination of service, a participant may elect to receive (1) a lump-sum amount equal to the value of his or her account, or (2) periodic installments.

(f) Forfeited Accounts

If a participant chooses to withdraw from the plan before full vesting, the unvested balance is forfeited and may be used by the Company to pay matching contributions to other participants. These accounts will be used to reduce future employer contributions. At December 31, 2017 and 2016, there were no forfeited nonvested accounts. Forfeitures of $10,315 and $2,448 were used in 2017 and 2016 to reduce employer contributions.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

(b) Cash

The balance in the Plan's cash account represents amounts held in the insurance company's general account which have been forfeited by participants as a result of being nonvested in the amount at the date of distribution.

Big Cedar Creek
401(k) Plan

Notes to Financial Statements
(Continued)

(2) Summary of Significant Accounting Policies (continued)

(c) Investments

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

(d) Payment of Benefits

Benefits are recorded when paid.

(e) Administrative Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided in the Plan Agreement. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying Statements of Changes in Net Assets Available for Benefits. In addition, certain investment-related expenses are included in net appreciation of fair value of investments presented in the accompanying Statements of Changes in Net Assets Available for Benefits.

(f) Income Taxes

The Plan recognizes the effect of income tax positions only if those positions are more likely than not of being sustained. Recognized income tax positions are measured at the largest amount that is greater than 50% likely of being realized. Changes in recognition or measurement are reflected in the period in which the change in judgment occurs.

Notes to Financial Statements
(Continued)

(2) Summary of Significant Accounting Policies (continued)

(g) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(3) Information Certified by the Custodian

The financial information included in the Plan financial statements, except for receivables, excess contributions payable, contributions, benefits paid to participants, and administrative expenses, has been derived from information certified as complete and accurate by the custodian, John Hancock Life Insurance Company as of December 31, 2017 and 2016, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

(4) Investment Contract with an Insurance Company

The Plan maintains a group annuity investment contract with John Hancock Life Insurance Company ("Hancock"). Hancock maintains all assets of the group annuity investment contract in pooled separate accounts and an unallocated investment contract. The following table presents the reported values of the underlying investments, all of which are participant-directed.

	2017	2016
Investment contract with an insurance company:		
Group Annuity Investment Contract #66627		
with John Hancock Life Insurance Company:		
Pooled separate accounts	$ 5,440,473	3,998,018
Unallocated investment contract	48,147	64,872
	$ 5,488,620	4,062,890

Big Cedar Creek
401(k) Plan

Notes to Financial Statements
(Continued)

(4) Investment Contract with an Insurance Company (continued)

The following methods and assumptions were used to report the values of the investment contract with an insurance company:

The pooled separate accounts are valued using the net asset value (NAV) of the units as determined by Hancock as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that Hancock would sell the underlying investment for an amount different that the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the group annuity contract with Hancock, Hancock reserves the right to require 60 days notification in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments as of December 31, 2017 and 2016

The Stable Value Fund is an investment option under the group annuity contract with Hancock. The Stable Value Fund meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The Stable Value Fund calculates a new interest rate the first day of each month which is applies to all "new money" deposited into the account. At the end of each year a "composite rate" is determined for each participant account which becomes the rate earned by the account until maturity. There is no "floor' or minimum rate specified by the funds.

Generally plan participants can withdraw funds from the Plan on a daily basis. If the Plan ends its participation in the trust, it will receive the Plan's fair value as the surrender value, which may take up to twelve months to become effected. Certain events limit the Plan's ability to transact at contract value with the issuer. The plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable

(5) Tax Status

The Plan is using a prototype standardized profit sharing plan document with an effective date of March 31, 2014. The IRS indicated the standardized form of the Plan is acceptable under Section 401 of the Internal Revenue Code (the "Code"). The opinion of the IRS on the acceptability of the form of the Plan is not a ruling or determination as to whether the Plan qualifies under Code section 401(a). The Plan has been amended since receiving its determination letter. However, the Plan Administrator believes the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Big Cedar Creek
401(k) Plan

Notes to Financial Statements
(Continued)

(6) Party-in-Interest Transactions

The Plan invests in a group annuity investment contract with John Hancock Life Insurance Company. John Hancock is the custodian, as defined by the Plan, and therefore the transaction qualifies as a party-in-interest. Fees paid by the Plan for the investment management services to John Hancock amounted to $4,237 and $4,057 for 2017 and 2016, respectively.

The Plan has not considered Company contributions to the Plan or benefits paid by the Plan to participants as party-in-interest transactions.

(7) Risks and Uncertainties

The Plan invests in a group annuity investment contract with various investments underlying the contract. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(8) Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become 100 percent vested in their accounts.

(9) Subsequent Events

The Plan has evaluated subsequent events from the date of the statements of net assets available for benefits through October 12, 2018 the date which the financial statements were available to be issued, and determined there are no items to disclose.
